FHSU's Pratt Happy He Said Yes to Musical

By Randy Gonzales, University Relations and Marketing

Karl Pratt had been asked a couple times before to be music director for a Hays Community Theatre production. New on the job at the Fort Hays State University Alumni Association, Pratt wanted to concentrate on that. Asked again this spring, Pratt agreed to be music director for the Hays Community Theatre's production of "Shrek the Musical."

"It was just finally time to do it," Pratt said Thursday afternoon, hours before the show opened at Beach/Schmidt Performing Arts Center in Sheridan Hall on the FHSU campus. "The first two years of my professional life I kind of devoted my life to that. If I keep putting them off, they're not going to ask me again."

This is the first time Hays Community Theatre will have a production in Beach/Schmidt. In the past, plays were either at the Thomas More Prep-Marian theatre or at the Fox Pavilion downtown. However, Pratt said for the last production at each site, the air conditioning broke down. Beach/Schmidt was found to be a viable alternative, and Pratt hopes future productions will continue to be at the FHSU venue.

"We're very, very excited to be at Beach/Schmidt," Pratt said.

Pratt is also pleased to be part of a musical featuring the popular film "Shrek."

"It's great because it attracts audiences of all ages," Pratt said. "Then there's the message that beauty comes from within. It's not the outside that matters, it's the heart inside. The overall message can strike a chord with anyone."

Pratt, who graduated from Fort Hays State in 2014 with a Bachelor of Music in vocal performance, is glad he said yes to be the production's music director. He will be in the orchestra pit for each performance, but he won't have a live orchestra. Instead, Pratt will be conducting a person using an orchestration software program.

"This is my first time ever conducting," he said

Pratt, the Alumni Association's program coordinator for communication, felt a desire to give back.

"Fort Hays State, they kind of instill that into you," Pratt said. "It took a while for me to finally get going, but it was always there, that idea of service, giving back.

"I finally agreed to do it, took a chance," he added. "I'm really pleased that I did."

The musical will have 7 p.m. show times Thursday, Friday and Saturday at Beach/Schmidt Performing Arts Center. Tickets $15 for adults and $10 for children age 10 or younger and for seniors age 65 and older, can be purchased at hctks.com or at the door.

Renovation Project at Sheridan County Museum Continues with More Surprises

By Brad Weese

It was one of those Monday mornings when the Sheridan County Historical Society started asking, "What's next?!" The renovation project for a new roof was started several weeks ago ,and as it has continued, more problems have been discovered.

This past Monday morning, August 1, the contractors found termite damage to the front of the building. As water damaged siding was torn down, it was discovered that the studs of the wall frames were being eaten by termites. A number of the studs on the north side of the building near the bathroom are half eaten from termite damage.

According to Director of the local Historical Society, Jan Moore, there was no hesitation to solving the termite problem. Hinkle Termite and Pest Control from Colby was quickly called in. The front of the building was treated, and the contractor for the renovation project, who was in the midst of replacing the wall frame stud woodwork, said the new siding will go up as planned. Jan added that Hinkle's will be out again later this week to treat the rest of the building perimeter.

The Sheridan County Historical Society Board president Cyndie Aumiller was called, and came down to see the surprise situation. Jan said a couple of weeks ago there was some signs of termite damage in the doorway, but there was no live activity. On Monday ,they found "live working" damage. Jan went on to say, "I was hoping the damage was done, but today when they were working on the north side, we discovered they (the termites) have not left."

As of Monday, due to the unforeseen damage of the termites, the north wall of the restroom was completely out, and the Historical Society staff has already come up with a temporary plan when that facility needs to be used, as it's the only restroom on the site. "We took care of that situation by calling Joslyn's. " For the time being, the loyal staff of the Historical Society will be crossing the street to use those facilities.

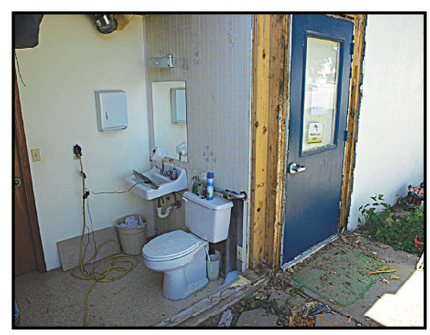
Due to the scheduled renovation project that keeps growing, as damage to the building is found needing repair, the museum is closed to the public. Moore commented, "People can call for research or if they have any questions at (785) 675-3501."

Aumiller went on to comment, "The Board sees this as an opportunity to make this facility better. When we get done, we will be an awesome facility, but will need some financial help from others." There has been some response, and some people have donated money to help with the continued renovation project of the museum. Some are local, and a few have been from others are from people who still consider Sheridan County their home.

The director commented that the Mickey's Memories Project is still ongoing, as they still need to raise more money to fix the damage of the building. "We will still be donig more fund raising projects." The board president also said that the grant writing process in ongoing.

"The idea is, we are trying to preserve history. In order to do this, we need to have a facility and walls would be nice to have," commented Aumiller. Both ladies mentioned that they assume more damage will be found as they continue the renovation process.

Anyone interested in making a donation is encouraged to call the Historical Society office or mail in their donation at PO Box 274, Hoxie, Kansas 67740. You can also contact Jan through e-mail at jmschs@ruraltel.net.



Termite damage is visible and the exterior wall has been removed, exposing the museum's only restroom. Work continues now that the termite treatment has been administered. On Tuesday the restroom was again enclosed. (Brad Weese photo)

ALERT! CAR SEAT RECALL

Combi USA, Inc. (Combi) is recalling certain Coccoro Convertible Child Restraints, model number 8220, manufactured January 1, 2009, to June 29, 2016. In the event of a crash, the car seat may not absorb an adequate amount of force, resulting in the force being transmitted to the car seat occupant. As such, these child seats fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 213, "Child Restraint Systems." In the event of a crash, the seat occupant is at an increased risk of injury. Combi will notify owners, and provide them with a cover to be added to the bottom of the seat, free of charge. The recall is expected to begin in July 2016. Owners may contact Combi customer service at 1-888-232-3294, or by going to http://registration.combiusa.com/recall. Combi's number for this recall is 610.

We believe 100% in the 1st Amendment. However, there will be exceptions when/if a message is not presented in a polite and professional manner, Letters to the Editor will be edited for unsavory language or not printed at all in the case of outright personal attacks. All Letters to the Editor must have contact information: name, home address, email address (if applicable), and be 300 words or less if possible.
Thank you!

A few comments of my own. Particularly, compromise. Good and bad. Good, because sometimes other people have a better idea than ours. Too much compromise can lead to a person's accountability, so we doubt their honesty and the truth of their words when they present their idea.

We have three of the best who represent us at Kansas and National levels. Ralph Ostmeyer, Tim Huelskamp, and Don Hinemann. All three are honest and you can believe it to be the truth when they speak. They deserve our support and grateful thanks for their leadership and for the benefits they have brought to Sheridan County.

This is why I voted for Tim Huelskamp.

Hansen Grant Supports Western Kansas Child Advocacy Center Expansion

A $70,000 grant from the Dane G. Hansen Foundation, Logan, KS, to the Western Kansas Child Advocacy Center will assist with the remodel and expansion of the organization's facility in Hays.

Western Kansas Child Advocacy Center provides services to prevent or heal the trauma of abuse suffered by children and adults. In 2015, 402 forensic interviews were conducted with child victims. The majority were victims of sexual abuse, but also included those who suffered physical abuse, emotional abuse, or were witnesses to a crime.

Western Kansas Child Advocacy Center serves 32 counties in Western Kansas including 18 counties in the Hansen Foundation's service area. The organization's mobile unit travels to more than 25 different communities in Northwest Kansas to offer services to Kansas families.

The funds from the Hansen Foundation will assist in remodeling the and expanding the office located in Hays. The basement of the current facility will be completed to provide office space for the growing staff as well as a multi-discipline team room, training room and a break room. The MDT room is used for meetings with other agencies presenting information for forensic interviews.

In addition, grant funds will assist with the construction of a garage to house the mobile units that travel across western Kansas bringing direct service to clients, including a new mobile mental health unit being constructed on donated property.

For more information, please contact Kelly Robbins, 620-872-3706, or at wkcac@wkcac.com.

For more information on the Dane G. Hansen Foundation, visit our website at www.danehansenfoundation.org, or contact Betsy Wearing, Coordinator of Programs, Communications and New Initiatives, Dane G. Hansen Foundation, at betsy@danehansenfoundation.org or 785-452-8888.

Jennings News

By Louise Cressler

Words received from the Jennings City Library: We are struggling with a new librarian. Hopefully things will improve. Thanks to all who have donated books to the library for the Book Sale on Fireman's Funday. They are greatly appreciated. The new hours at the library are: Monday, Wednesday, Friday and Saturday from 9:00 to 11:00 a.m.

There will be a display of old coins by Mike Tacha and Rev. Ed Woods at the Jennings City Library on Fireman's Funday.

Donations of paperback books, hardback books, books on CD and videos are still being accepted by the Library for the annual book sale on Fireman's Funday August 27. Contact Joan McKenna or leave your donations at the library.

Chad and Kim Kuntz, Madison and Jacob from Manhattan attended church with Kay and Doyle Brown. Other family members visiting during this week include Kent and Robin Brown and McKenzie, Estes Park, Colorado and Jordan Brown, Hays.

Those enjoying cards at the Sunflower Senior Center Wednesday included Eleanor Morel, Diane Carter, Ramona Shaw and Louise Cressler.

Free food available for seniors article in last week's *Oberlin Herald* stated food would be given out at the Jennings Senior Center. Some people waited at the center before learning there had been a misunderstanding and a drop off at Jennings had not been planned. After some phone calls Sid did bring 3 orders to Jennings. If you are 60 years plus and below the annual income guide line of $21,978 or less than $1, 833 per month for one person you would be eligible to receive an order. If you are interested and want to sign up contact Louise at 785-678-2233. August 26 is the next date for distribution in Jennings and sign up by August 12.

There will be a community bridal shower for Kelsey Hladek, fiancée of Chris McKenna on Sunday August 7 at 1:00 p.m.in the Leoville Church basement. Hosted by the Leoville Altar Society. All are welcome.

Writers Club Meeting

Anyone who enjoys writing and would like to meet with others who write is invited to attend the meetings of the Colby Writer's Club.

The club members will be meeting every first and third Tuesday of the month at 2:00 p.m. at Colby's Pioneer Memorial Library in the meeting room on the main floor.

Bring what you are working on. Each writer attending will have an opportunity to read what they bring and have it friendly critiqued by those present. Each person reading is allowed five minutes to read.

This will be a good place to get your questions answered about publishing your work and other questions you might have about writing. For other information about the club, contact Marj Brown at 785-462-5184 or email her at marjjimbrown@st-tel.net.

Giving Yourself

By Micah Howery

All month we have been looking at the advice given in Sharron Daugherty's book "Avoiding Deception". Last week we looked at the need to be rightly related to others especially as it pertained to submission.

The last of the four legs of our table protecting us from deception is giving out of yourself. This isn't just about money, or even sharing the gospel, though it can include those. This is about being obedient to God when He wants you to give time, effort, advice, compassion, help, friendship, mercy, forgiveness or anything else He asks for.

Sharron likens it to our physical body. If we take in food but never do anything physical, we get fat. But not just fat. People who never work but sit around all day often develop bad attitudes as well. In fact, depression can be exacerbated or even caused by lethargy. Similarly, people who go to church, read their Bible, listen to radio or TV preachers but never give out of themselves become "fat and sassy": unhealthy and unpleasant to be around.

In Heb 5, Paul corrects his audience as being "immature" even though, by now, they should have been able to teach others. In verse 14 he says "But solid food is for the mature, who by constant use have trained themselves to distinguish good from evil." Notice that the solid food is only helpful if it is accompanied by "constant use". Also, Jesus said in John 4:34 that "My food is to do the will of Him who sent me and to finish His work."

If we never give out of ourselves to others, we become unhappy, critical, divisive and spiritually unhealthy.

In Mat 10:8 Jesus tells His disciples that "Freely you have received. Freely give." That means that whatever Jesus has given us we should be willing to give freely to others.

But give what? Many Christians don't think they truly received anything from God. Well, Paul asks in 1Cor 4:7, "What do you have that you did not receive?" And James said in Ja 1:17 that every good gift is from God. Do you have anything good? Then God has gifted you.

One of my pastors once told me that everyone needs three people in their lives: a Paul, a Barnabas and a Timothy. We all need a Paul, a mentor, someone who can teach, coach, encourage and correct us. Their defense against deception is obvious. But we also need a Barnabas (which means "son of encouragement"). This is a peer who works alongside us. They help us as we help them. They are part of the "submit one to another" from last week's article.

But the third person is a Timothy. Paul describes him as "a true son in the faith" and says he has no one else like him. Timothy needed Paul to instruct and guide, but Paul needed Timothy just as much. We all need someone in our lives that we are helping. Perhaps not as a spiritual mentor (though you might be surprised), but as some form of mentor.

Maybe you're good with cars, cooking, gardening or raising kids. Maybe you have extra money, time, or emotional strength to be there for people when they don't have enough. Maybe you know more about the Bible, Jesus, church or even politics, finances or relationships. God has given you much. It's time to start pouring that into other people.

My grandmother's Native American tribe had a saying, "you can't pour water into a full cup". If you don't give out of yourself into other people, God won't keep pouring into you. When we fail in this area, we deceive ourselves and end up spiritually unhealthy and emotionally unhappy, disillusioned with life and faith. In that moment, the devil will take advantage and lead you astray.

I encourage everyone to get a copy of "Avoiding Deception" by Sharon Daugherty. In a culture that is constantly declining in morality and truth, we need to protect ourselves least even the elect gets deceived. Don't think you're above failure in this. That's a clear sign of deception.

STATE OF KANSAS

PROCLAMATION BY THE GOVERNOR

TO THE PEOPLE OF KANSAS, GREETINGS:

WHEREAS, the popularity of farmers' markets is increasing across the state, growing from 76 in 1987 to more than 70 registered farmers' markets in 2016; and

WHEREAS, Farmers and ranchers are a vital part of our state's culture and economy; and

WHEREAS, Farmers' markets are a visible and important link between producers and consumers of Kansas products; and

WHEREAS, Farmers' markets give consumers access to fresh, locally grown produce in urban centers and rural communities alike; and

WHEREAS, Farmers' markets give farmers, particularly those from small- and medium-sized operations, the ability to cultivate closer relationships with their customers; and

WHEREAS, Farmers' markets keep revenue in Kansas communities, which helps make small businesses stronger and builds local economies; and

WHEREAS, the Kansas Department of Agriculture supports farmers' markets through the Savor the Season campaign, the Kansas Farmers' Market Toolkit and by hosting state and regional farmers' market workshops; and

WHEREAS, Farmers' markets are a vibrant part of communities, contributing to the health, well-being and quality of life of Kansans;

NOW, THEREFORE, I, Sam Brownback, GOVERNOR OF THE STATE OF KANSAS, do hereby recognize August 2016, as

KANSAS FARMERS' MARKET MONTH

in Kansas and urge all citizens to recognize this observance.

DONE: At the Capitol in Topeka under the Great Seal of the State this 29th day of July, A.D. 2016

"Fivedollarsforonlytwoseconds of work?" George exclaimed.
"Well, if you wish, I can extract it more slowly?" replied the dentist.

A little boy was selling postcards for ten cents. A man said, "Son, what are you going to do with the money?"
"I'm raising a million dollars to feed all the starving people in the world," he replied.
"Do you expect to raise it all by yourself?" he asked.
"No sir, there's another little boy helping me," the little boy replied.

They say that man is mighty,
He governs land and sea,
He wields a mighty scepter
O'er lesser powers than he.
But a mighty power and stronger
Man from his throne was hurled:
For the hand that rocks the cradle
is the hand that rules the world.

The State Bank at Grainfield has announced that it has cut the interest rate to 8 per cent on all new loans. This is an indication that money is rather plentiful in that vicinity.

F.L. Nelson, manager of the Foster Lumber yard here, informs us he has resigned and will move to Superior, Nebraska, just as soon as the company sends a man here to take his place. These good people have made many friends during their residence in our city who will be sorry to learn that they intend to leave.

I intend to locate in Hoxie permanently in the near future and engage in the auction business, and will appreciate a share of your patronage. I am an experienced auctioneer and will guarantee satisfaction. Make arrangements relative to dates at either Hoxie bank or Sentinel office. –H.J. Brown

Says the Selden Observer in last week's issue: Ernest Danielson dropped into the Observer office the first of the week and had a nice little chat ye editor about the numerous benefits that he had been able to secure for the patrons of the local exchange. Starting with August first subscribers will be able to phone to Hoxie and Rexford for a 5-cent fee instead of the old charge of 26 cents. The toll fee to Menlo will be 10 cents after that date. These new rates will not carry the additional 1-cent war tax as the tax is on 15¢ calls and over.

When you want a MONKEY WRENCH or anything else in HARDWARE come to us for it and you'll get it right. And you'll pay only a "fair and square" price for what you buy. When you trade with us once we want you to come in again. And you will, because you carry known, reliable brands of hardware which give satisfaction and last a long time. –Our goods are the best; they stand the test.—C.E. Montgomery.

Our after-harvest sale is about to start. We hope we have lots of things and our regular prices are right.

The first postage stamps used in the United Stated were issued by individual postmasters at their own expense in 1845. The government took charge of printing and issuing stamps of various denominations on July 1, 1847. They still lack quite a few years of a centenary. So common are they now that no one gives them a thought except to "lick and stick 'em." There are thousands of person, of course, who are interested in stamps—but they are collectors.

Sarge: "How come you didn't turn out? Didn't you hear the bugle blow reveille?"

Draftee: "Honest sergeant, I'm afraid I'm going to be a flop as a soldier. I don't know one dern tune from another."

We have some real bargains in used oil stoves and oil ranges.

Lady Customer: "I see this medicine is advertised as good for man and beast."

There was a light turn out of voters in Tuesday's primary election. There were no local contests on either ticket. The only contests in the state was the race for Congressman, lst District on the Democrat ticket. Randy Yowell, Hays received 194 votes while Bill Addington, Elkhart received 42 votes. On the county question (the 5 mill road levy) the vote was a 258-258 tie. This count is unofficial and will be decided when the county commissioners meet Friday morning as a canvassing board.

Pearl Myers of Selden won first place in the 14 years and older division of the Sheridan County Bicentennial Show held on Wednesday, July 28, 1976. Mrs. Myers' reading was "Betty at the Baseball Game." Carol Treu of Studley won second with her piano solo, "Tubular Bells". Carol is the daughter of Mr. and Mrs. Willard Treu. Mary Wildeman and Marge Miller of Rexford won third place with their vocal and guitar duet. "Grandma's Feather Bed." Mary and Marge are sisters.

Congratulations to Tina Sealock on her Grand Champion Steer and Dan Pratt on his Grand Champion Hog at the 1976 Sheridan County Fair.

The Board of Education USD 412 met for their regular meeting at the central administrative offices on August 2, 1976 at 8 p.m. After dealing with routine business of approving minutes and bills submitted for payment, the board approved an agreement negotiated with the St. Frances Church regarding an exchange of territory in the area of 18th and Queen Streets.

Ten ladies enjoyed golfing and lunch on Tuesday, July 27. Opal Moss won the prize for the least putts the week before. Shirley Cooper won the prize at ladies golf last week for having the lowest score. Six ladies were out on Tuesday, August 3.

After 30 years of serving farmers and pet owners in the area of veterinary medicine, Darrell Williams has sold his practice to Mark Poell. Monday, August 5 was Mark's first day at the clinic. Mark and his family moved from Knoxville, Iowa to Hoxie.

The cool and wet weather brought to our area over the weekend put smiles on faces. Crops that were stressed from heat and lack of moisture made good use of the precipitation that was sent our way. The largest amount recorded was at the Steve Launchbaugh residence with 3.50 inches.

Grab your yearbooks and old pictures and start remembering because Homecoming weekend October 4 and 5 will give you plenty of opportunities to share and remember with classmates and friends.

Public Health Nurse Flo Mense reported to the board that the refrigerator used for storing vaccines in the Public Health office is malfunctioning. The board approved the purchase of a use replacement from Heim TV and Appliance for $300.

Sheridan County residents are asked to join the St. Jude Children's Research Hospital Wheels For Life Bike-A-Thon set for Saturday, Sept. 7 at 9 a.m. at the Hoxie Football Field. Rain date Saturday, September 14, at 9 a.m.

Sabrina William, daughter of Dan and Mary William, competed in her fourth National AAU Junior Olympic track meet July 31 and August 1. She threw the discus 101 feet 1 ½ inches for fifth. Sabrina was 3 ½ inches away from a gold in the shot put. Her throw of 39-8 ½ earned a silver medal. She was one of the youngest in her 13-14 age division. She was among 4,000 athletes at the national meet. Official results have not been received on the performance of Shane McMillan at Nationals.

The Corder reunion, which has been the custom nearly every year since 1942 was held Saturday, August 3 at the Senior Citizen's Center, Selden, Kans. Mr. and Mrs. Elmer "Dick" Corder, Selden, planned and hosted the 1991 event with the assistance of their family to a noon carry-in dinner and a lunch later in the day.

Let's discuss the condition this wheat plot was under this year. First, the plot had a good to excellent soil fertility. The plot was on ground that was in corn the previous year, so it had a little moisture deep in the soil profile. We planted the wheat on Sept. 21 and 22 after the Hessian Fly Date. We planted all varieties at a rate of 58 pounds per acre. We also varied the seeding rates on 5 Agri-Pro varieties at rates of 47.5, 58, and 63.75 pounds per acre. We harvested the wheat on June 28, 1991- by Michael L. Vogt-County Extension Agent, AG.

KNOW the 10 SIGNS
EARLY DETECTION MATTERS

It's time to learn the facts of Alzheimer's disease. Join your local K-State Research and Extension office to learn more about the signs and risk factors for Alzheimer's, what is involved in getting a diagnosis, and the benefits of early detection.

After all, everyone with a brain is at risk for Alzheimer's.

Extension Hosts Alzheimer's Class

Everyone with a brain is at risk for Alzheimer's – and that's scary. Alzheimer's disease is an irreversible, progressive brain disease that slowly destroys memory and thinking skills, and eventually the ability to carry out the simplest tasks. Although we cannot currently stop the progression of Alzheimer's – early diagnosis is still critical. Through early diagnosis you can first and foremost prepare yourself and your family for what lies ahead. You can secure your finances, complete important advance healthcare planning documents, prepare for future healthcare needs, and identify support networks to help yourself and your family. Doing these things in advance can alleviate future questions and frustrations.

Early diagnosis can allow you to take advantage of available medications and treatments that may help to treat and improve your symptoms. It can also allow you the chance to enroll in clinical trials that offer high standards of care and also help advance research.

Alzheimer's disease currently affects over 200,000 people in Kansas every day – 51,000 sufferers and over 150,000 Alzheimer's caregivers. Twin Creeks Extension would like to invite you to attend a free Knowledge at Noon class on the 10 Signs of Alzheimer's from noon – 1pm at the Oberlin City Library on Friday, August 12th, in Hoxie at the Midwest Energy Building on Tuesday, August 16th, and at the Norton Library on Wednesday, August 17th. Just bring your brown bag with you and we will start shortly after noon and end shortly before 1pm to allow time for anyone returning to work.

Please call the number below to RSVP to your local Extension office one day prior to the class. If you can't attend but want to learn more, just stop by your local Twin Creeks Extension Office.

Western Plains Branch of the Southern Coffey County Honor Flight

By Brad Weese

Three Western Plains H. S. (Ransom/Bazine, KS) students served as guardians on the Honor Flight. They were Daniel Hair, Jonathan Mask, and Vanessa Mendez.

Six area veterans took the Honor Flight to Washington, DC on April 14 and 15, 2016. They are Jerome Heim and Lee Herl of Hoxie, Neal Delaney of Ness City, John Meyers of Bazine, Joe Herrman of Utica, and Ms. Roselma Farmer of Ransom.

The veterans visited the Navy Memorial, Air Force Memorial, World War II Memorial, Vietnam Wall, Korean Memorial, FDR Memorial, Martin Luther King Memorial, Lincoln Memorial, Iwo Jima Memorial and Arlington National Cemetery.

The students and their parents worked all year to earn money to take these veterans on the Honor Flight free of charge.

From the National Honor Flight Website:

Our Mission: To transport America's Veterans to Washington, DC to visit those memorials dedicated to honor the service and sacrifices of themselves and their friends.

Honor Flight Network is a non-profit organization created solely to honor America's veterans for all their sacrifices. We transport our heroes to Washington, D.C. to visit and reflect at their memorials. Top priority is given to the senior veterans – World War II survivors, along with those other veterans who may be terminally ill.

Of all of the wars in recent memory, it was World War II that truly threatened our very existence as a nation—and as a culturally diverse, free society. According to the Department of Veterans Affairs, an estimated 640 WWII veterans die each day. Our time to express our thanks to these brave men and women is running out.

Today:

130 HONOR FLIGHT HUBS IN 44 U.S. STATES

20,886 VETERANS FLOWN IN 2015; 159,703 SINCE 2005

19,093 GUARDIANS FLOWN IN 2015; 107,527 SINCE 2005

21,032 VETERANS ON WAIT LIST; 20% WWII, 43.5% Korea, 36% Vietnam, 0.5% Other

Due to the senior age of our heroes, and the prediction that we are losing approximately 800 of them daily, we are committed to do all within our power to make their dream a reality. Our current focus will remain on World War II veterans and those veterans from any war who have a terminal illness. However, our vision goes beyond World War II.

In the future, Honor Flight Network will also pay tribute to America's other heroes who served during the Korean and Vietnam Wars, followed by veterans of more current wars. They, too, have given so much and it's time we show them that their efforts are not forgotten.

Roots and Chutes

By: Alyssa Rippe, Twin Creeks Extension District Agent – Livestock and Horticulture

The Root…"Orange Tomatoes?"

Have you noticed the tomatoes in your garden are not nearly as red as they normally are? I certainly have! They have a more orange hue than red, and they just don't look as appetizing. According to Ward Upham, K-State Extension Specialist, when temperatures rise above 95ºF, red pigment in the tomatoes doesn't form properly, leading to fruit with a more orange color. The tomato should still taste the same, but it doesn't have that red color we all look for both on the vine and at the farmer's market. What can you do? Pick your tomatoes at what we call the "breaker" stage when they have just started to turn color on the vine. Bring the tomatoes inside to temperatures between 75 and 85ºF. Not only will the tomatoes ripen more quickly, but they should develop that red color we associate with the best-tasting tomatoes.

And the Chute… "Breaking Even…or Better"

According to the Kansas Farm Management Association member data, average net farm income in Kansas plunged in 2015 to less than 5% of the previous year's average. Of course, the current grain and cattle prices make 2016 look no better. So, what's most important for you to do right now? Manage your operation with as much attention to detail as you can; look at all your options, think about every input cost, and manage each aspect as efficiently as possible.

One of the largest aspects impacting profits on most of the livestock operations in our area is selling weaned or backgrounded calves. In January of 2014, according to the Kansas Farm Facts published by the Kansas Department of Agriculture, the northwest area had 69,000 cows that had calved in the previous year, meaning our area had approximately 69,000 calves to be sold. Just a few dollars more per head at the sale barn can make a huge difference in income, but how do you find those extra dollars?

Bridger Feuz, Livestock Marketing Extension Specialist at the University of Wyoming has developed a "Break-Even Budget Tool" to help producers decide what is the best way of marketing their calves in the current environment. The Budget Tool helps break down the costs and profits on your specific operation of either selling calves at weaning or backgrounding calves. In essence, it's a tool to help you decide when you should sell those calves to find that extra income at the sale barn and reduce your related input costs. If you are interested in learning more about using the Budget Tool on your operation, come to the Gateway in Oberlin, KS on Thursday, September 1 at 10 a.m. The Twin Creeks Extension District has invited Mr. Feuz to demonstrate his Budget Tool and show how it can help you find the right information at the right time to identify if a change in your operation might be profitable. *(edited for space)*

CONTEST

WE NEED YOUR HELP

When we have a page that has a lot of content, with no real unifying theme, then we have trouble 'naming' that page.

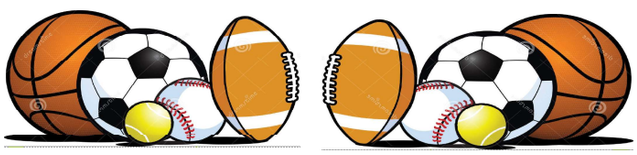
We want YOU to give us the name for that page, when we need it!

Submissions will be taken until Monday August 15, at noon. Entries may be called into 785-675-3321, emailed to sentinel@ruraltel.net, dropped by the office or posted on our Facebook page.

Submissions will be posted in the August 18 issue, and on our Facebook page, for you to vote on. The title page name with the most votes will become that page's title.

The winner will receive one year's free subscription!

BRAD'S SPORTS SCOOP



It's August!! That means that the temperature is not the only thing that will be warming up. Football season is just around the corner! The pros are in training camp and soon we will be watching pre-season football games. The colleges will soon be gearing up with their fall camps as well, and high school starts August 18. This date marks the start for Lady Indian volleyball as well. Best of luck to the cross country athletes as they will soon begin training for the season.

Back to the high school student/athletes. Best of luck to you this season. Hopefully all your summer commitment with morning weights and attending camps will pay off. To the Hoxie fans start gearing up for some game and match action. Go Indians!

We wish the Golden Plains Bulldogs best of luck in your upcoming pre-season practices and regular season games. The Golden Plains football program will be experiencing six-man football this season. There are almost two handfuls of teams in the state going to six-man action this year. Also, a big high five goes out to the Lady Bulldog volleyball team as they prepare for their season.

Junior High seasons for football and volleyball are just around the corner for both Hoxie and Golden Plains. Football practice for the Hoxie team will be August 15-19 from 6:30 to 7:45 p.m. at the practice field.

As school is nearing, we all still have that "Wish List" of things to do before summer is over. Mine was to go golfing for the first time in years. I finally found time to do that at a class reunion, and I am sure glad I did. So much fun to get out there and swing the clubs with the boys, but I'm not for sure if I am "tourney ready" yet. Hope everybody can get out and find some time to take in a favorite leisure sport such as fishing, a game of golf, or head up to do the hills and do some hiking before we all get busy and school is here.

I visited with some of my longtime Bronco fans and they are telling me they think the defense might get them back to the Super Bowl. I'm not for sure about that, even though I bleed orange and blue. It's simple, do we have a quarterback that can lead us? I told my football buddies that I am still picking the Chiefs, not that as a newspaper sales pitch, but that Coach Andy Reid is a true class act and he deserves a shot at a ring. For all the Chief fans reading this, I hope it's a great year for you.

College football predictions are that the Jayhawks might will win more ballgames this season, and for Coach Bill Snyder's Kansas State Wildcats, it should be a winning season in the Big 12 and a bowling ticket during the holidays.

One of the best sporting events to watch ever, the 2016 Summer Olympics is fast approaching. Hope local sports fans take the time to watch some of this world class athletic completion. It's pretty simple, "Go USA!" Everybody has a favorite event to watch. For me, it's the gymnastics and swimming, both sports that I can't do very well. I'm retired in both.

Enjoy those Olympics and be sure to get out and enjoy some leisure sports. For the Indians and Bulldogs: get out and work on your own to prepare yourself for the scheduled pre-season workouts. You'll be glad you did.

43rd Annual Hansen Arts & Crafts Fair

Time is drawing near for the 43rd Annual Hansen Arts and Crafts Fair. If you enjoy arts and crafts, plan to spend Saturday, August 20, 2016 from 9:00 a.m. - 3 p.m., in Logan, KS. Logan is home to the Dane G. Hansen Memorial Museum who sponsors one of the best arts and crafts fairs around. Each year numerous artists and crafters from Kansas and surrounding states turn the Hansen Plaza Square into a shopper's paradise. Family and friends rally together for this annual event. There is no admission charge.

Crafters check in before dawn in preparation for the fairs' 9:00 a.m. opening. Food vendors line two sides of the Square. Delicious offerings may include hamburgers, brauts, turkey & noodles, homemade pies, pulled pork sandwiches, hot dogs, sno-cones, egg rolls, crab rangoons, and more. If you start the day hungry, you won't be for long.

The day gets underway with a charity 5K Run/2 Mile Fun Walk. Registration & T-shirt pickup begins at 7:00 a.m. The 5K run will start at 8:00 a.m. with the 2 mile walk to follow at 8:15 a.m. All proceeds will be donated to the Phillips County Hospice.

Iowa chain saw artist, Blair Smith, will be on the grounds to astonish you with his chain saw artistry. Blair will begin performing at 8:00 a.m. and will complete several sculptures for your viewing pleasure. Two of Blair's sculptures will be given away in drawings at 10:45 a.m. and 1:45 p.m.

For your listening pleasure, live music will be provided on two stages throughout the day. The south stage will show case Mark Nebel from Smith Center, KS, at 10:00 a.m., 12:00 p.m., and 2:00 p.m. The "Uncalled 4," a barber shop quartet, with members from north central Kansas, will control the north stage performing at 11:00 a.m. and 1:00 p.m.

Throughout the day, artisans will be giving presentations around the Plaza Square. Artisan presentations will include: fast draw shooting by the Deer Creek Regulators; "Fleece to Fabric" by Area Weavers & Spinners and The Shepherd's Mill; black smith techniques with Brian Bethke; painting by certified Bob Ross instructors T.R. Matthews and Sandy Seamone; wheel throwing techniques on the potter's wheel by Josh Novak; and local artist, Staci Hartman, will be on hand to demonstrate oil painting.

After strolling around the Plaza Square, please step inside the museum and meander through the gallery. Our exhibit "Wood Turning and Gourds," by Kenneth Eberle and Leo Groff, Jr. of Ellis, KS will be on display. These gentlemen have brought their own designs to the centuries old art forms of wood turning and gourd carving. Come in, cool off, and take a look at the unique talents of Ken Eberle and Leo Groff, Jr. And, while you are inside, don't forget to look at the handmade wood items by Gerrad and Lauren Speer for sale in our Artist of the Month area.

Next, amble over to the Community Room where you can check out antique appraising, quilting demonstrations, and membership sales. From 9:00 a.m. – 12:00 p.m. and 1:00 p.m. – 3:00 p.m., antique appraiser Bob Jones will be available to give a free verbal approximation of value on two of your antiques. At 10:30 a.m. & 12:30 p.m. Janie Lowry will be giving demonstrations on "Quilted Table Toppers." Don't forget to stop by the membership table to purchase or renew your Dane G. Hansen Memorial Museum membership. Purchasing a membership during the Arts & Crafts Fair automatically enters you in the Purchase Prize drawings. **$500.00 dollars' worth of purchase prize** certificates will be given away in drawings held at 10:45 a.m. and 1:45 p.m. Remember to stick around... you must be present to win.

At 9:00 a.m. Inflate-o-Fun will be ready to entertain the children with a 30 ft. Obstacle Course, Combine Slide, and King Bounce Castle. At 1:00 p.m. the Kid's Tent will host Bingo for the youngsters with prizes and free helium balloons.

The highlight of the day will be the selection of 12 new winners (and two alternates) of the coveted "Artist of the Month" award. This year's crafters will be judged for their uniqueness, quality of craft, and display. Winners will be presented with ribbons and certificates prior to the public announcement and photos at 2:30 p.m.

Please join us for our **43rd Annual Hansen Arts & Crafts Fair, Saturday, August 20, 2016 on the beautiful Hansen Plaza Square in downtown Logan, KS**. Come hungry, bring your wallet, and wear your walking shoes. You'll leave with a smile.

Business & Fun

~ Business of the Week ~
Hoxie Chiropractic

By Brad Weese

Everybody has a story about how they get into a career. For Dr. David Heskett, "While attending college at Fort Hays State, I received a severe injury to my neck and back. I came back to Hoxie (where I grew up), and Dr. Thorpe gave me treatments. I saw how effective chiropractic was, and wanted to go into the field. Dr. Thorpe also encouraged me to go to a chiropractic college."

Heskett received his Associate of Arts degree at Colby Community College. "I then attended Cleveland Chiropractic College in Kansas City for five years." The local chiropractor graduated from that school in 1986 and then went on to receive his Doctorate of Chiropractic in April of 1986. Dr. Heskett's wife, Jill (Karnes) is the office manager. "We have worked together since I first went into chiropractic in 1989. "We practiced in Halstead and Valley Center, KS, from 1989 to 2008. In 2008, we moved back to our home town after visiting with Dr. Thorpe and discovering his retirement plans. Jill is the receptionist at both our Hoxie and Quinter locations." David mentioned that his wife's role is invaluable. "She checks patients in and out, answers the telephone, does the insurance billing and patient billing, and generally manages all of the complexities of running the business."

When asked what he enjoys the most about his job, David replied, "The satisfaction of seeing patients benefit from chiropractic care. I love seeing the satisfaction they receive when they leave the office and their health issue has improved. If you've never seen a Doctor of Chiropractic and you have an injury or painful condition, please consider coming to us for treatment. Experience the pain relief that a chiropractic can give you!" Heskett went on to mention that chiropractic care is usually used to treat neuromusculoskeletal complaints, including but not limited to back pain, neck pain, pain in the joints of the arms or legs, and headaches. Chiropractic can also help many other conditions.

There is always something that somebody least likes about their job. For Dr. Heskett, it the rampant discrimination against Doctors of Chiropractic by the insurance industry and Medicare. "They are constantly 'whittling away' and cutting our provider rates. Most of those plans have a primary care copay. Our copay is usually double that; some of the copays are more than what we charge for an office call. We still strive to provide quality service to our patients, and that means being a provider for Blue Cross and Blue Shield."

"We offer lower back and neck traction, electrical muscle stimulation, diathermy, ultrasound, acupuncture, x-rays, nutritional supplements, orthotics, and Chiropractic adjustment. We also do blood laboratory testing, urinalysis, DOT and Employee urine drug testing, Breath Alcohol Testing, DOT physicals, and school sports physicals," said Heskett. They have also recently added Functional Capacity Testing for business.

Heskett added that they have two locations to serve in this area. Hoxie Chiropractic is open on Tuesdays and Thursdays from 9 a.m. to 6 p.m. Quinter Chiropractic is open Mondays and Wednesdays from 9 a.m. to 6 p.m. "We have added a new service to our business, which is called the Functional Capacity Testing, that we reserve our Frida's for. We travel to businesses and test employees for their current fitness level. This allows us to find out if there are any physical deficiencies. This would stop future injuries, saving the employer from extra workers compensation expense. We also do employee drug and alcohol testing on Fridays on site."

"There has been a Doctor of Chiropractic doing business at 1132 Oak Avenue in Hoxie since 1927. Dr. Angus Smith 1927-1972, Dr. Ray Thorpe 1972-2013 and now me-Dr. David Heskett." The current chiropractor at the office located on Oak has been working here since 2008. "We will celebrate 100 years of chiropractic at this location in 2027, if we make it that far. (God willing.)"

4-H Club Tours

By Julianne Shoup

Over the last few months the 4-H kids have been working hard to get ready for the Fair. The Angelus 4-H Club and the Harvesters 4-H Club both held Club Tours this year in early July.

A 4-H Club Tour is when all of the families in a club get together and travel from home to home to see all of the kids' projects that they have been working on. The kids talk about what they have been working on and parents quiz them on their projects. This helps prepare them for conference judging at the Fair where the judge will ask them questions about their project entry. It is also a great opportunity to expose 4-H'ers to projects they might enjoy, but aren't enrolled in yet.

This year there were projects in foods, photography, arts and crafts, clothing and textiles, woodworking, rocketry, entomology, crops, horticulture, floriculture, horse, beef, swine, sheep, goats, poultry, and more.

Club tours are a great way to prepare for fair and a good way for the families in a club to spend more time getting to know each other. Some clubs get together and all bring a project to show, while others travel around from home to home so the club can see livestock first hand.

Each tour ended with a fun meal for the families which was the perfect opportunity for families to sample their club's foods projects! Club tours this year were once again a success and a great part of the learning experience found in 4-H.

Most people are bothered by those passages in Scripture which they cannot understand; but as for me, I always noticed that the passages in Schrpture which trouble me are those which I do understand.

Coming Events

Farm to Table Event Sunday, August 28

By Brad Weese

Several months ago at a Main Street Arts Council Meeting, Shirley Popp had the idea of a Farm to Table event as a possible fundraiser in collaboration with the Hoxie Farmers' Market. Fast forward a bit, and now this event will take place at the Cottonwood Ranch on Sunday, August 28.

Proceeds from the event will benefit our very own Hoxie Farmers' Market so that we all may have fresh, wholesome food available to our community in the future. "The Farm to Table event is going to be an experience unlike any other in the region. Come meet local farmers, ranchers, and artisans, listen to live entertainment, and indulge in an exquisite meal that will not leave you hungry. The event will encourage diners to see the extent to which they can create a feast from local produce. It's a trend that many restaurants have followed, showcasing local, organic food. More than ever, diners are seeking out fresh, local and seasonal foods. This event will prove that quality, wholesome ingredients can be found right here in Western Kansas--and Taste Good!" said Emily Campbell, who is the Lead Chef and is working with the Hoxie's Farmers' Market Board to coordinate all of the details.

This is the first Farm to Table event that has occurred in Northwest Kansas, to the best of her knowledge. "We chose the Cottonwood Ranch because of the beautiful, rustic atmosphere. It is going to provide an authentic experience that will leave everyone feeling as though the food was picked from the field right around the corner, and prepared in the Ranch's kitchen. The Cottonwood Ranch is a true symbol of Kansas's farmers and ranchers," added Emily.

"Of course I was very interested given my culinary background and, therefore, was asked to head up the event. Shirley and I approached the Hoxie Farmers' Market Board to see if they would be interested in participating and they jumped right on board! Given the direct partnership with the Hoxie Farmers' Market in this event, all parties agreed that the proceeds of the event would be donated to the Hoxie Farmers' Market for future growth and support," commented Emily Campbell.

Emily is personally excited to see this event come to life. "After attending Le Cordon Bleu Culinary Institute and working at several Farm to Table inspired restaurants in Seattle, I have been dreaming of having an opportunity like this in Northwest Kansas." Campbell sometimes feels people of this region don't quite understand the bounty of food we have available right at our fingertips…. and how good it can taste when prepared with a little bit of love! "Heck, even I didn't know how good a beet could taste or even a turnip, until I moved to an area that thrived on serving local, whole foods. I have a much greater appreciation for food than I ever did before and I want to showcase that to everyone I can."

The evening will consist of a four course family style meal featuring locally sourced ingredients. Tickets will include cocktails, hors d' oeuvres, dinner, dessert, and live entertainment from local musicians. This special evening will begin at 4 p.m. with music, drinks and hors d' oeuvres. Dinner and dessert will follow at 6 p.m., and local producers will speak about the food they've provided for the event. Ticket price will be $60 per person.

Emily added "We are looking for any volunteers in the community, who would be willing to help with the event!! It will be a great opportunity for anyone to experience…and you'll get to sample some delicious food!" Campbell is looking for anyone, who is willing to donate ingredients for the meal or become a sponsor of the event. "We will also be looking for volunteers to help set-up, prepare, and serve the event." If you are interested, please contact Emily Campbell by calling (785) 675-8796 or e-mailing at heim.emily@gmail.com or a member of the Hoxie Farmers' Market Board of Directors at the Market on Saturday mornings at the Fairgrounds, via email at hoxiefarmersmarket@gmail.com, or by calling (785) 657-1647.

Kathryn Haffner Brings Recital to The Living Room

By Brad Weese

Everybody enjoys a little sweet music in their living rooms once in a while. This coming Sunday, August 7 at 3 p.m. at The Living Room located on Main Street in Hoxie, there will be some beautiful music playing in the local studio owned by Bonnie Carmen.

Kathryn Haffner, a twenty-year-old Kansas State University music education major, was asked how the recital was planned. "Well, I believe at the end of the school year I asked Bonnie Carmen if she had any recitals coming up. She didn't have any but mentioned that they should plan one for me. So I got with my vocal coach at K-State and we put some stuff together."

Kathryn is the daughter of Pat and Jacqui Haffner of Hoxie. The young singer attended Hoxie schools from Kindergarten through ninth grade. She finished up her high school education at Hill City. Miss Haffner is now entering her junior year at Kansas State University.

When it comes to recitals, this will be the first one for Kathryn in Hoxie. "I did some in Manhattan for a few classes and my studio." Last year, she helped Bonnie out with some plays. According to Kathryn the type of music that she plans to sing at the recital will be classified repertoire/foreign languages, art songs, music theatre pieces. "I have two German songs scheduled and one French. There are also some English. One of her favorites to sing is from the musical "Anything Goes" and the song name is "I Get a Kick Out of You" by Cole Porter. Frank Sinatra, Sutton Foster have performed this song," added Kathryn.

Kathryn Haffner stands outside of The Living Room, where she will give a recital on Sunday, August 7 at 3pm. (Brad Weese photo)

When it came to singing it all started at eight years old taking vocal lessons in Colby, Kansas with Amie Kendrick. Kathryn's plans in the future are to teach music at a public school and someday teach and possibly have her own vocal studio like Bonnie has. Miss Haffner also commented that she would like to start teaching somewhere in the Northwest Kansas region, near Hoxie, but like everybody starting out, will go wherever she can get a job. Kathryn said she went to all the plays (James and the Giant Peach and Annie) that Bonnie directed this summer in Hoxie. "It's amazing for me to see all the kids go out on stage perform with so much confidence." Someday, Kathryn would love to be able to direct those musicals. She was also asked what is her favorite thing about singing. "That is a tough question. In college it has been a struggle at times. I got sick at times and had my tonsils taken out. It was just toward the end of this spring that things turned around." Kathryn said once her health turned around, her music got going strong again.

"I like to show my talents God gave me and share with others." Kathryn added that it is great to be able take a level of singing and project it to a fine level and share it with others. She said that she loves to see the smiles on people's faces when she sings.

Kathryn hopes that the community will attend her recital this Sunday. She mentioned that some people in the area have heard her sing in her younger days at school concerts and at church, plus maybe some heard her sing the National Anthem at the State Basketball Tournament.

Besides singing, Kathryn has a few other things she likes to do. "I really love baking and I love to be around people. I also like to spend time being by myself."

There are several people Kathryn would like to thank that have helped her advance in her singing. "I really like to say thank you to Amie Kendrick for starting me out and teaching me so much so long and putting up will all my little attitudes and Bonnie for letting me use her studio and helping organize the event. Thanks also needs to go out to my vocal professor at K-State in Janie Brokenicky and Sally Cameron for playing the piano for me and of course my parents. It's my mother's birthday on recital day and I hope my singing can be a good gift for her."

CORN CREW!

Pictured left to right in the back row are Caden White, Aidan Baalman, Miles Baalman, Cade Gourley and in the front row, left to right were Kendall Baalman and Tucker Baalman. (Brad Weese photo)

By Brad Weese

It's that sweet time of the year for some corn. For this group of youngsters, it was all business on Tuesday, August 2, as they set up shop on Oak Avenue and 15th Street. You couldn't miss it. It proved to be a very busy day for these Hoxie kids as they sold corn for $5.00 per bag.

The day proved to be pretty long as the older kids in the group went out to the FDK Partnership field and picked 1,500 ears. Try loading the pickup and hauling back into town. They started selling around 10 a.m. At 7:00 p.m. the kids had less than 30 ears left to sell. Plans were being made to go back the next morning to get another load. One youngster commented that they should get two pickup loads. Once the sale ended, all that remained on the side of the garage was a wheel barrel load of corn husks.

This group of agriculture entrepreneurs were asked if they had anything to say to any buyers in the future. "Stop by and purchase a bag. It's the best corn around." The kids also mentioned that the corn sale will possibly go for several days, as they have a lot more corn to pick. Helping this crew out with their money making adventure was Mitchell Baalman, who is father of four of the young entrepreneurs. According to Mitchell, this sweet corn sale is proving to be an annual event.

Hoxie Medical Clinic Celebrates Community Health Center Week August 8-12

Across our Nation, over 19 million Americans look to community health centers for medical checkups, education, advice, and critical services that keep them healthy. Throughout National Health Center Week, we recommit to supporting this vital resource for underserved communities, and we recognize the critical role community health centers play in our health-care system. Every day, men, women, and children find help at community health centers. These centers lead the way in providing high-quality services at an affordable cost, while lifting up the quality of life for their patients. We see the results among Medicaid beneficiaries -- those receiving care from a health center are less likely to be unnecessarily hospitalized or visit an emergency room. We also see the effects in rural areas with community health centers, where hospitals see fewer uninsured emergency room visits.

The Hoxie Medical Clinic was awarded the status of Community Health Center by HRSA in May of 2015. This is the only Federally Qualified Health Center in northwest Kansas. This clinic now provides a sliding fee scale to all patients who qualify. A Navigator and Case Manager is also available to assist patients in enrolling in insurance and applying for KanCare.

Over fifty years ago the Community Health Center project was born in this nation. There were only two health centers in the beginning and now there are 1278 health centers and 22,000,000 patients are being served by these centers.

The Hoxie Medical Clinic is celebrating this week with some special activities for the staff and the community. A balloon lift off will be held at 10am on Monday with refreshments in the hospital lobby, Tuesday the clinic will have a booth at the pool with free water from 2-4pm, Wednesday the clinic will be offering free skin checks from 1pm to 4pm at the clinic and Friday the clinic will be sponsoring a food drive for the community food bank from 4 to 6 pm at Joslyn's. Please come out and join in these activities as the clinic and staff celebrate Community Health Center Week.

New Doctor on Staff ~ Dr. Nemechek Joins the Sheridan County Health Complex

By Brad Weese

We have a new doctor in town. His name is Victor Nemechek. The doctor is not a stranger to Northwest Kansas, as his hometown is Goodland, and he worked at the Gove County Medical Center.

Dr. Nemechek graduated from Goodland High School in 1971, went on to Kansas State University, and earned a degree in business. From there, Nemechek went to the University of Kansas for his medical degree. and then did his residency at Oklahoma State University.

In 1986, Nemechek went to work at Gove County Medical Center and Bluestem Medical and was there until he joined the Sheridan County Health Complex and Hoxie Medical Clinic. The Northwest Kansas native was asked if he planned working in a rural community hospital. "Yes, that was my plan when I was in medical school. I personally think rural is better than city with all the changes."

According to Dr. Nemechek, the best thing about his job is the people. He also mentioned that seeing the improvement in people's health is gratifying, and the staff he works with is a joy. His least favorites are the computer, and the government and insurance companies say in what treatment is allowed.

Nemechek was asked where he sees the Sheridan County Health Complex in the future. He foresees growth, and the expansion of specialists providing the community with more advanced services so that the patients don't have to travel out of town.

When not at the hospital, Dr. Nemechek has some hobbies he enjoys, such as hunting and fishing in addition to remodeling. Getting to know people in the community and getting to spend time with his daughter and her family are things that he enjoys a lot about working in this area.

Editor's Note: A big welcome goes out to Dr. Nemechek. Thanks for choosing the Sheridan County Health Complex and Medical Clinic as your place to work.

Commission Minutes July 25, 2016

Now on this 25th day of July, 2016, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Doyle Kauk presiding. Others present were Vic Bielser and County Clerk Heather Bracht.

County Appraiser David Stithem entered the meeting and advised that a computer in his office needed replaced. The cost would be $1,033.04 Kauk and Bielser unanimously agreed for Stithem to go ahead and purchase. Stithem advised the board that he had received notification from the State that the appraiser's office is in compliance with state requirements.

Kauk made a motion to approve the July 18, 2016 minutes as amended. Bielser seconded the motion. Carried 2-0.

Bielser made a motion, seconded by Kauk, to approve the warrants as presented. Motion Carried 2-0.

County Attorney Steve Hirsch entered the meeting and discussed several items of county business.

David Leopold entered the meeting and presented the proposed 2017 Budget for Sheridan County. Kauk made a motion, seconded by Bielser to approve the 2017 budget for publication. Carried 2-0. The budget hearing will be set for August 15, 2016 at 9:00 am. Leopold will get the information to the newspaper for publication.

Road & Bridge Supervisor Paulette Feldt entered the meeting and distributed work maps for the prior week. Feldt had received quotes for cutting edges from Welborn and CAT. There have been issues with the CAT blades so she will be in contact with them about guarantees. Kauk made a motion to purchase the blades from Foley if there is a full 100% guarantee of wearability. If Foley cannot give this guarantee, purchase the blades from Welborn. Bielser seconded the motion. Carried 2-0. Tree removal was discussed. Bielser will talk with Noxious Weed Supervisor Barry Quanz about treating stumps once trees have been removed. An area on 50W south of the highway was pointed out as having two large patches of bindweed that need treated. Road conditions in the county were discussed. Feldt advised Road & Bridge has the rental tractor from BTI but is still waiting to hear back from Hoxie Implement.

Niceta Farber and Mike O'Dell from the Sheridan County Hospital entered the meeting and presented the 2nd qtrs. financial reports. Their feeling is the hospital is running efficiently. They reminded the board that August 3 there will be an open in house from 8:30 – 12:30 in Selden and 3:00 – 5:00 in Hoxie.

Deb Scheibler from Kansas WorkforceONE entered the meeting. Kansas WorkforceONE is the local workforce board and they cover 62 counties in Kansas. Majority of their funding comes from the US Department of Labor. They provide training and retraining for individuals. She left an agreement for the board to approve and sign. They will discuss it at an August meeting. They will also give her information to the Rotary for a possible presentation at their weekly meeting.

Shirley Weber and Tim Hansen from LEPG came in to talk with the board and give an update of the services they provide.

Resolution #16-81 pertaining to distribution of monies in the Local Alcoholic Liquor Fund was approved and signed the board. The Resolution changes the previous resolution in that the Selden Recreation Committee will also receive some of the distributed funds.

Kauk tried to contact George Seamon with NWKS Library System to talk about the letter that was sent to him and get clarification on his concerns.

Discussion was held on the 100-year celebration that is being planned for 2017.

The following were audited and allowed:

General Fund $24,842.46
Road & Bridge $46,725.50
E911 Wireless $56,114.27
Noxious Weed $2,831.81
Public Health $1,297.86
Public Transp. $718.84
Landfill $14.70

No further business, Bielser made a motion to adjourn, seconded by Kauk. Carried 2-0. The next meeting will be Monday, August 1, 2016 at 8:00 for the purpose of having a discussion with Road Supervisor Paulette Feldt and approving payroll. No full meeting due to election set-up.

Attest: Heather Bracht, County Clerk, Doyle Kauk, Chairman

IN THE DISTRICT COURT OF SHERIDAN COUNTY, KANSAS
PROBATE DIVISION

In the Matter of the Estate of
MARY KARNES, Deceased

NOTICE OF HEARING AND NOTICE TO CREDITORS

THE STATE OF KANSAS TO ALL PERSONS CONCERNED:

You are hereby notified that a petition dated 30th day of June 2016, has been filed in this court by Raymond Karnes, as an heir and the executor named in the Last Will and Testament of Mary Karnes, deceased, praying for probate of the will, and for the appointment of Raymond Karnes as executor of the estate.

You are further advised that the petitioner in this matter has requested administration pursuant to the Kansas Simplified Estates Act, and if such request is granted the court may not supervise administration of the estate and no further notice of any action of the executor or other proceedings in the estate will be given except for notice of final settlement of the decedent's estate. Should written objections to simplified administration be filed with the court, the court may order supervised administration to ensue.

All creditors are notified to exhibit their demands against the estate within four months from the date of the first publication of this notice as provided by law, and if their demands are not thus exhibited they shall be forever barred.
