## Donald Trump The United States of America's 45th President

In a tightly contested election, Donald Trump comes out the winner. At press time, he had received 276 Electoral votes to Hillary Clinton's 218, at which time Hillary conceded the election to Trump.

So, now we will see what the future holds with this new president and the state of the country. Regardless of who was the winner, the changes coming will be monumental. Maybe now we can set aside the 'pc' and rhetoric and get back to building this country into what it is supposed to be.

God Bless America!

While it looks sparse here at 8am on Election Day, Tuesday, November 8, 2016, it was lines out the door at 7am when the polls opened! (Photo by Viktorija Briggs)

### What is Veterans Day?

By Rachel Farber

Veterans Day is a way to honor those who have served in the United States Armed Forces. It coincides with holidays in other countries to mark the anniversary of the end of World War I. Our country used to celebrate Armistice Day. It represented the day, seven months before "The Great War" officially ended, when the fighting ceased between the Allied nations and Germany. This armistice, or temporary cessation of hostilities, occurred on the eleventh hour of the eleventh day of the eleventh month in 1918. The following year, President Woodrow Wilson proclaimed November 11 as the first commemoration of Armistice Day. Originally, the day was to be observed with parades and a brief suspension of business beginning at 11 a.m. In 1938, Congress declared November 11 to be a national holiday known as Armistice Day to honor the veterans of World War I. However, in 1954, after World War II, the name changed to Veterans Day, to honor all veterans.

### History of Veterans Day

(Source: US Dept. of Veterans Affairs)

World War I - known at the time as "The Great War" - officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of "the war to end all wars."

In November 1919, President Wilson proclaimed November 11 as the first commemoration of Armistice Day with the following words: "To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because

### WWII Veterans Memorial Highway Tour

In honor of our veterans this month, something to consider is the WWII Veterans Memorial Highway Tour. Starting in Thomas County, it follows the Highway 24 corridor through the Solomon Valley to Riley County. There are 27 memorials and monuments along the 200 mile stretch of highway.

According to the Solomon Valley Highway 24 Heritage Alliance website, Governor Kathleen Sebelious signed House Bill 2071 on March 20, 2008 designating US 24 as the WWII Veterans Memorial Highway, from Colby to Riley, between US 83 and US 77.

The Highway 24 Alliance is dedicated to preserving and promoting the Solomon Valley heritage, a place defined by the US 24 corridor through the Solomon Valley. They have, since House Bill 2071, been working to honor the spirit of the designation of the highway. It is the feeling of the Alliance that

## Hoxie High To Perform Original Presentation ~ "Hamlet In Sixty-Seconds"

By Micah Howerly

On Saturday, November 12, students from the Hoxie High School will attempt the impossible: to perform Hamlet In Sixty Seconds! Or, at least, that's the premise of this year's Fall Production.

When I was asked to direct the play this year, I accepted, though it had been over a decade since I've directed a stage-production. I needed a show that was funny, challenging and educational. I thought I had discovered something in the play "Fifteen Minute Hamlet" but it turned out to be nothing more than a 15-minute cut of Shakespeare's original

play. Rather than wait for another script to arrive, I simply wrote the play I thought I had ordered, and handed it to the eager students.

It is funny (if I do say so myself) and educational (it is Shakespeare after all), but the challenge was more than I had prepared for. Because it is Shakespeare, with all the old words and strange sentence structure, and because of the nature of my rendition, this turned out to be extremely difficult.

However, the students put a ton of work into memorization, listened to me ramble about the meanings of key phrases, and

rehearsed and rehearsed trying to memorize their blocking, get their costume changes set, and more. The end result is sure to be a good time with a touch of education and even some social commentary. We, the cast and crew, would love to welcome you to our performance.

The curtain will rise (or split, in this case) at 7:00 PM on Saturday, November 12 at the HHS auditorium. Tickets will be \$5 for adults and \$3 for kids.

Come and enjoy the spectacular feat of squeezing a six-hour work of performance art into one, single minute in our production of "Hamlet in 60 Seconds"!

## Fourth Annual Fall Ball A Great Success

*By Rachel Farber*

The Fourth Annual Fall Ball, held this past Saturday, November 5, was a great success. They served over 100 people for supper. Afterward, a hypnotist performed for the audience. Everyone enjoyed watching him send a few people on a group trip to Hawaii!

The baskets that were created by the departments of the Sheridan County Health Complex were voted on by patients of the facility. The basket belonging to Suds & Spuds (put together by the dietary staff) received the most votes. It was full of board games. In second place was the Dynamic

Dozen, made by the office staff. Their basket contained picnic and grilling items. The third-place basket was created by the Clinic, under the name of Medical Marvels. This basket contained K-State paraphernalia, and tickets to the K-State vs KU basketball game.

These baskets and many other contributions from many local businesses, were auctioned off that evening. All seven baskets combined raised a total of \$790. The total from all items donated to the auction came in at \$13,000. This will be enough to purchase the two defibrillators the SCHC was hoping to purchase.

I deeply appreciate  
your continued support  
and the opportunity to  
continue serving you,  
the residents of  
Sheridan County.

## HAMA

Hoxie Area Ministerial Association

By Pastor Jake Schadel,  
Cross and Flame Parish

I once decided to read a Victor Hugo novel. Being an avid reader, Victor Hugo is one of those classic authors that you hear about a lot, but always seems to get pushed to the bottom of the list. Not that he has less to offer than say, Mark Twain, or Charles Dickens, it just seems difficult to make a nineteenth century French novelist a priority. But I was bold and decided to give “Les Miserables” a chance. First, the book itself is a monstrosity, with over 600,000 words; it fills a backpack by itself. I mean, I have lifted bricks that weighed less than this thing. It was a chore, but I eventually read the entire thing. Now, Victor Hugo’s writing style is a little dry, and I had to endure sev-

eral chapters’ worth of backstory, and details that only barely pertained to the storyline. There was a long section of the book that was devoted to the blueprints and schematics of the sewer system beneath Paris, some parts of that book were torture to get through. As a whole, I would say that I was not a big fan of the novel, and I never have read another book by that author. However, the plot, and the characters of “Les Miserables” have really stuck with me.

Each character in the story deals with their own kind of tragedy, in their own way. Whether that be a prison sentence for stealing bread for a starving family, or giving up a child to another family because of extreme poverty. You see, after reading that novel (for what seemed like months) I felt very sad for all the characters. They had all suffered, they had all done their best to do what they thought was right, and in the end, they all paid the consequences for their decisions. The most interesting

dynamic of the book, was that there are no real villains. No sinister characters lurking in the dark, causing all this misery. Each character was simply living out their lives, in a broken and difficult environment, doing what they thought was best. Each life described had great moments of victory, and crushing moments of defeat.

I don’t know as I have ever read a fictional story that so accurately depicts the lives of so many. Generally speaking, we tend to like the stories with a clear bad guy that we can blame all the problems on, and no one feels bad about hating them; and conversely, we like there to be a clear hero that we can get behind, and cheer on. Unfortunately, life is rarely that black and white. There is a saying that pastors have, it goes like this: “Hurting people, hurt people.” When someone hurts us, or wrongs us, we have no idea what has happened in their lives, and in their hearts that has made them act that way. However, we can generally assume that people that are

hurtful don’t do it because they derive pleasure from it, that is very rare, but that they are doing it out of a sense of necessity.

Now I am a firm believer that if you do the crime, you do the time. Crime should be punished, however, that doesn’t change the fact that people who hurt others are generally reacting to feeling hurt themselves, which is very sad. That makes us look differently at the person who is gossiping about us doesn’t it? We are all dealing with the effects of broken lives in a broken world, and we find that outlined in the Bible. God says that we are broken, and we can come to Him to be made whole. We don’t know what is going on in people’s lives, and in their hearts, but we can love them. We can love them by recognizing that we are all broken and in need of a redeemer, one who can put us back together. We find that in Christ, and when we look at people through that lens, we see what Christ sees, broken lives, looking to be redeemed.

## JOKES & QUOTES

A politician is a man who divides his time between running for office and running for cover.

Why is it, the farmer would like to know, that as soon as a crop starts coming up in the field it starts going down in the market?

A driver tucked this note under the windshield upper wiper of his automobile. “I’ve circled the block for twenty minutes. I’m late for an appointment, and if I don’t park here, I’ll lose my job. Forgive us our trespasses.” When he came back he found a parking ticket and this note, “I’ve circled the block twenty years, and if I didn’t give you a ticket I’ll lose my job. Lead us not into temptation.”

The beggar was dirty and hung over and as the old lady passed by, she gave him five cents. “Tell me,” she said, “how did you get so destitute?”

“Well, ma’am,” the old beggar said, “I was like you at one time, always giving vast sums to the poor.”

“There I was – a bull coming at me in one direction, and a bear in the other. An I only had one shell.”

“Well, which did you shoot?”

“I shot the bear.”

“Why?”

“Well, I could shoot the bull any time.”

Asked once why so many Christians seem less than perfect, C.S. Lewis replied, “You should have seen them before they became Christians.”

People are funny. They want the front of the bus, the middle of the road, and the back of the church.

God can heal a broken heart, but he has to have all the pieces.

~B.B.

**Oysters in Various Ways**  
Oysters au natural or in a stew are the ways they are most commonly served. They should be carefully handled to see that no shell or foreign substance is left, then placed in a sieve and water poured over them.  
Oyster Soufflé – Scald two dozen oysters in their own liquor, drain, remove the beards and pound in a mortar with two tablespoonfuls of softened bread crumbs, soaked in water and squeezed dry; mix three yolks of eggs, two tablespoonfuls of butter, a gill of oyster liquor and an equal quantity of whipped cream. Season with salt and cayenne; add a little lemon juice and the whites of two eggs, well whipped. Stir this mixture lightly and turn into a buttered mold; cover with paper, well buttered

and steam 30 minutes. When ready to serve, turn the soufflé out on a hot dish and place some oyster sauce around it.  
Spindled Oysters – Take two dozen large oysters and the same number of slices of bacon, cut very thin. Have a half dozen steel skewers, small ones, and spear an oyster and a piece of bacon, alternating them. Place the bacon through the corner and do not crowd. Lay the skewers across a baking pan and cook in a quick oven or under gas five minutes. Lay each skewer with its contents on a slice of nicely browned toast; pour the gravy over and serve at once.  
Virginia Oyster Soup – Wash a quart of oysters, saving the liquor. Strain and add two blades of mace, one stalk of celery, chopped fine, one teaspoonful of salt, and

a pod of red pepper. Scald, add two tablespoonfuls of butter, rubbed smooth with one tablespoonful of flour; add a pint of milk and a pint of cream. Allow to come to a boil; add the oysters and the moment they are plump and the edge curl, remove from fire. Serve from a tureen with inch squares of toast.

*From the Sheridan County Democrat*  
**November 9, 1894**

There were more people in town on Saturday, than for a long time before.

Bert Troutman and family left Tuesday for Miami county, where they will spend the winter.

Mr. Lindsey of Topeka gave his hearers on last Saturday a stale harangue from the republican standpoint.

A new post office has been established in the east part of Solomon township. The office is at Frank Phillips' and he is postmaster.

On last week Friday, as Milo Gray was plowing for T. P. Dodd, he came to a deep well that had not been filled up. One of the horses lost its footing and pulled the other horse and plow into the well and Milo also came near going down with the horses and plow. The fall killed both horses. Gray went down into the well and unharnessed the horses and brought the harness up. Gray owned one of the horses and Dodd the other. The loss of Gray's is a sad blow to him, as his step-father nearly cleaned him out some time ago.

We have it on good authority that there was at the store in Solomon township on Monday night one keg of beer, one half barrel bottle beer plenty of bologna and crackers bought by Metzler and Pearson's money, and that Bob Herron went around the township on Monday and invited all the Germans to be there at that time. Both of these gentlemen talked prohibition during their canvass.

On Monday, Miss Cassie Wiggins attained her 21<sup>st</sup> milestone of her natural existence, and her many young friends gave her a birthday party in the evening, on the surprise order, but it did not exactly work out as at first intended. There was speaking at the Opera House and Miss Cassie was prevailed to attend while the surprisers gathered and fixed up the things at her house. She and her escort stayed at the speaking rather longer than it was intended and when they reached her home the surprisers had vamoosed, but they were gathered up and a good time was had, and when the time came, all sat down to a fine lunch. When departing time came, Miss Cassie was wished many happy birthdays in the future.

**Saline Township**

Mrs. Allen is supposed to have left the country for good.

The Lyceum at the McGinnis schoolhouse promises to do well considering the scarcity of the population.

Quite a crowd gathered at the McGinnis schoolhouse to listen to the Democratic nominee for representative, but no speaker came. The Democrats are not all dead yet in this corner, Davidson.

**Lucerne Items**

Mr. Editor: - Not seeing any items from this part of the county in the *Democrat*, I thought I would write a few.

Wonder where Will Teel was on Sunday night? Ask Alma Boyd, she knows.

The dance at Lucerne last Friday night was well attended. There were eighteen boys and four married ladies present. The boys had better brace up a little.

W. S. Wilcox had quite an experience the other day. He was riding along in the wagon and a jack rabbit jumped up close by, he shot the animal and got out and scalped it and put it into the wagon and started for home. After he had gone about a half of a mile the rabbit came to life and jumped out of the wagon and skipped across the prairie. Nobody need be scared if they see a jack rabbit without any ears.

**Tragedy at Selden**

The city of Selden was wrapped in gloom last Thursday evening when it was learned that a shooting affair had taken place in a rooming house on Main street, the result of which Sumner Criswell, son of John Criswell, was shot in the chest, the ball lodging in his spine, which caused his death Saturday, and Earl I. Wolfe, the young man who fired the shot is lodged in the county jail, charged with first degree murder.

**A Bad Accident**

Newt Shafer met with a quite serious and painful accident last Friday morning while dressing some frames in his new power planer, his hand slipped cutting off two fingers and badly lacerating others. His wound was immediately dressed and outside of a painful hand Newt is feeling as fine as if nothing had happened.

**Local News**

We are sorry to report Mrs. M. W. Graddy as being quite ill this week.

County Attorney Thompson was in Selden on professional business Sunday.

R. P. Gannon, Selden's genial mayor, was a Hoxie

business visitor Friday.

Miss Alice Huigen leaves this week for Colorado, where she intends to live on a claim.

Fay Chamberlain and family have moved out on the place recently vacated by Ira Miller.

Some housekeepers think that a house was made to clean instead of to live in.

Word reached us this week that Miss Imogene Kirtpatrick, a former Sheridan county girl, was married last week to a wealthy ranchman in Oregon.

**High School Notes**

Last Tuesday evening, Grant Currier made a public announcement of having joined the "Freshie" ranks.

The Seniors were informed in Methods class Friday afternoon that an animal, known as the crawfish, breathed through the whiskers on his hind legs. This is a startling discovery!!

The Juniors are bashful! After many attempts by Wilbur Brown to make an announcement in chapel Friday morning, he finally gained his bearings and said, "We noticed that the Sophomores have painted their colors on the basketball goals and by this, they proclaimed to challenge the rest of the school for a game of basketball, therefore, we, the Juniors, accept the challenge and will play them anytime between now and Christmas."

**Emerald Grove**

Mrs. Frank Simon, of Wamego, is spending a few weeks with her son, Walter, and other relatives in these parts.

Born to Mr. and Mrs. Henry Voght Oct. 28, a daughter, all parties doing nicely. Grandpa Parks walks a little straighter.

What seems a mystery to us is the low price many are putting on their land. Don't do it. You don't seem to realize that after it leaves your hands you will find it's very expensive. There is no good wheat land but what is worth double what many are asking. And because you have sold your crop for a big price you seem to think the thing to do is to see the world. Stick to your land, you are in the best part of the world where you are, or one of the best.

## CCC Nursing Program Makes National List

The Colby Community College nursing program has been listed among the nation's top three percent of vocational, career, and community college nursing schools by Nursing Schools Almanac.

The research team at Nursing Schools Almanac collected data on over 3,200 nursing schools and campuses throughout the United States. Approximately 1,900 of the institutions surveyed were vocational, career, and community colleges that focus on entry-level prelicensure education. Colby's program ranked No. 57 of those considered.

The ratings are based on the institutions' academic prestige and perceived value; the breadth and depth of nursing programs offered; and student success, particularly on the National Council Licensure Examination (NCLEX).

"Our nursing program continues to improve in quality and reach," said CCC president Seth Carter. "This recognition is a testament to the caliber of students and faculty in the program."

Colby's core offering is its "1 + 1" curriculum, which enables students to earn an LPN certificate in one year of study or an associate of applied science degree in two years. The college also provides an associate of arts degree with an emphasis in pre-nursing, and individual pre-nursing courses.

CCC boasts strong NCLEX performances for its LPN graduates, with an almost 90 percent pass rate since 2008. Associate degree students passing the NCLEX have achieved an 86 percent graduation rate and a 100 percent job placement rate over the past several years.

The full list of ranked nursing programs and a description of the assessment can be found at [www.nursingschoolsalmanac.com/articles/top-75-vocational-career-and-community-colleges-nursing](http://www.nursingschoolsalmanac.com/articles/top-75-vocational-career-and-community-colleges-nursing).

Marty Cressler, Avon Representative  
Celebrating 30 Years With Avon

Marty Cressler stopped by *The Sentinel* to show off some of Avon's new line of jewelry, and leave holiday catalogs. (Photo by Viktorija Briggs)

By Rachel Farber  
Marty Cressler has been an Avon Representative for 30 years. She loves being able to work when it works for her customers. She started working with Avon to be able to help support her family when her children were small. She wanted to be able to spend time with adults, but not be away from her kids with a full-time job. Being an Avon representative meant being able to attend functions for all three of her children as

they grew up. "I think everyone remembers the television advertisement from years ago, 'Ding-Dong, Avon Calling!'" Marty remarks. "I believe going into my customers' homes with the products I sell makes it easier for them to shop with me." For those who don't have a schedule that allows them one-on-one time with Marty, she does have a website ([www.youravon.com/mcressler](http://www.youravon.com/mcressler)) to place orders. Avon has cosmetics,

colognes, clothing, jewelry, giftables, toiletries and much, much more.

Marty truly enjoys the time she gets to spend with customers on an individual basis. She states, "I've made so many lifelong friends by being an Avon rep." The worst part of her day is when a product is out of stock or on backorder. She feels personally responsible for making her customers happy and getting their orders fulfilled in a timely manner.

The biggest challenge that Marty has had to overcome in her business, was when she had to undergo a bone marrow transplant five years ago, but she had lots of help and support from very good friends at that time. They helped deliver brochures, take orders and make deliveries. "My customers were so loyal to me through that time; I was truly blessed by that support."

Marty takes pride in offering one on one service to her customers. She tries to make time for each one and answer any questions they have and showing off new products.

For a while, Avon headed in a direction that Marty did not care for. They were shifting focus to getting as many new representatives as possible. Avon, as a

corporation, lost contact with those that consider this a career. They are now refocusing on taking the time to train and representatives to help them give customers the best service possible. She says, "After all, we would cease to exist if it weren't for our faithful customers!" Marty does receive product training through online courses, and at sales meetings.

Outside of her Avon work, Marty is very proud of the work she has done with the Sheridan County Benefit Walk. "I don't think there is anything more important than being supportive of friends and neighbors." She also enjoys being a farmer's wife, mother, grandmother and teaching the third-grade religion class for the Catholic Church.

Marty will be hosting a 30<sup>th</sup> Anniversary Open House at the Midwest Energy Community Room on Friday, November 11 from 12 p.m. - 7 p.m. and Saturday, November 12 from 10 a.m. - 4 p.m. The first 30 people to stop by will receive special door prizes. There will be specials, drawings and refreshments. Marty says, "While the men are out pheasant hunting, you can stop by and see what Avon has to offer you. Everyone is welcome and appreciated!"

## Cressler Creations & Gifts

By Viktorija Briggs  
Lynetta Cressler is the owner of Cressler Creations & Gifts and Antiques, located at 1001 Sheridan Ave., in Hoxie. She has been in business here for four years, but is not new to the gift and floral business industry.

"I grew up at Cherokee, Oklahoma and had my business in Alva. I moved to Hoxie in April 2008, when Ross and I married." Ross and Lynetta have several children and grandchildren between them: Keith, Michelle, Kellen and Jackie live in Hoxie; Chasity, Mike and Brittney are in Quinter; Randi lives in Seattle, WA; Heather is in Oklahoma City; and Tiffany, Bentley and Bradyn are in Alva, Oklahoma.

Growing up in Oklahoma, Lynetta was very active in many 4-H classes and projects, most of which were in relation to flowers and gardening. "I took classes at Oklahoma State University pertaining to floral design and home interior. I have been making fresh and silk arrangements to sell since 1978. I have also helped out with estate sales in the home state as well."

"I had a flower and gift shop in Alva prior to moving to Hoxie. I love making fresh and silk arrangements, finding nice antiques, refinishing and refurbishing furniture. I am doing what I love to do, and get to be involved in a great community. I enjoy getting to brighten someone's day when I take them fresh flowers or a gift item. I also love to help individuals decorate their homes for the holidays."

Lynetta said that she enjoys small town living. "The people of Hoxie are friendly, and the community has so many activities available for everyone. When I decided to go back to work after the loss of my mother, I decided I wanted to have a shop with the items I loved to work with and could provide unique items for the community. Flowers and antiques are two items I really have a passion for. I wanted to offer a variety of fresh and silk flowers, outdoor bedding plants, refurbished furniture and

antiques. I also enjoy doing estate and living estate garage sales for families."

As a business owner, one of the most difficult aspects is making people aware of her store and everything it has to offer; from flowers to antiques. "We have a wonderful town with a lot of nice shops that have a great variety of items. I hope our community shoppers will shop at home! We have several things planned between now and Christmas. There will be a town-wide Open House on November 13 from noon to 4 p.m. Winterfest tickets will be offered for purchases from that day thru Winterfest evening!"

The Chamber of Commerce has Winterfest scheduled for the Friday night after Thanksgiving. There will also be late night Christmas shopping on December 8 and 15, with many of the community businesses planning to stay open till 8 p.m. Lynetta's business is an active member of the Hoxie Chamber Commerce.

Lynetta's business, Cressler Creations, offers a large variety of goods: fresh flowers & plants available in-season, silk & dried arrangements, candles, angels and nativity sets, holiday decor, crosses, purses, baby items, antique glassware and furniture, as well as refurbished furniture. She also carries the line of Mud Paint. Photographer Shirley Popp also displays her photographs and pictures and cards. Each year Lynetta has a nice selection of fresh cut Christmas trees and Poinsettias.

She states, "I am always looking for new ideas, new gifts items and unique antiques. When my customers come in they can expect friendly and sincere service. I hope they enjoy looking at the great variety of items for sale. We strive to give them the personal attention so that they find what they need."

Be sure to stop in during the Open House on Sunday, November 13 from noon until 4 p.m. to get your Christmas shopping done early!

## When I Grow Up...

It is rare that a child's expression of adoration of "when I grow up I want to be just like Mommy/Daddy" is caught, but Sheyenne Dillehay was able to do just that. We found the photo posted on Facebook with the following statement, "The cutest moment I captured yesterday. Coach Pratt and Coach Pratt, Jr." Incredible picture, thank you Sheyenne and Coach Danielle Pratt, for allowing us to share it! (Photo by Sheyenne Dillehay)

## Export Sales Reach New Heights

Demand from the export market reached historic levels this week with 16 million bushels of sorghum sold since last Wednesday, according to the U.S. Department of Agriculture Foreign Agricultural Service's November 3 report. This week's sales represent one of the highest recorded export sales of sorghum in one week. Two months into the 2016/2017 marketing year, sorghum export commitments have reached 58 million bushels, representing 20 percent of USDA's 2017 export

projections. China is leading sorghum purchases with 40 million bushels—70 percent of total U.S. grain sorghum exports. Meanwhile Mexico has committed to 4 million bushels for the current marketing year followed by Japan. Additional export customers include Canada, Indonesia, South Korea and Nigeria. "These sales continue to reflect China's need for high quality feed ingredients," said Florentino Lopez, Sorghum Checkoff executive director.

"Maintaining and continuing to enhance and develop marketplaces is critical to helping farmers maximize their profit potential, and the Sorghum Checkoff and U.S. Grains Council remain engaged in current and future markets like China."

# Veteran's Day Special

## History of Veterans Day

Continued from page 1

of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations..."

The original concept for the celebration was for a day observed with parades and public meetings and a brief suspension of business beginning at 11:00 a.m.

The United States Congress officially recognized the end of World War I when it passed a concurrent resolution on June 4, 1926, with these words:

*Whereas* the 11th of November 1918, marked the cessation of the most destructive, sanguinary, and far reaching war in human annals and the resumption by the people of the United States of peaceful relations with other nations, which we hope may never again be severed, and

*Whereas* it is fitting that the recurring anniversary of this dateshouldbecommemorated with thanksgiving and prayer and exercises designed to perpetuate peace through good will and mutual understanding between nations; and

*Whereas* the legislatures of twenty-seven of our States have already declared November 11 to be a legal holiday: Therefore be it Resolved by the Senate (the House of Representatives concurring), that the President of the United States is requested to issue a proclamation calling upon the officials to display the flag of the United States on all Government buildings on November 11 and inviting the people of the United States to observe the day in schools and churches, or other suitable places, with appropriate ceremonies of friendly relations with all other peoples.

An Act (52 Stat. 351; 5 U. S. Code, Sec. 87a) approved May 13, 1938, made the 11th of November in each year a legal holiday—a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as "Armistice Day." Armistice Day was primarily a day set aside to honor veterans of World War I, but in 1954, after World War II had required the greatest mobilization of soldiers, sailors, Marines and airmen in the Nation's history; after American forces had fought aggression in Korea, the 83rd Congress, at the urging of the veterans service organizations, amended the Act of 1938 by striking out the word "Armistice" and inserting in its place the word "Veterans." With the approval of this legislation (Public Law 380) on June 1, 1954, November 11th became a day to honor American veterans of all wars.

Later that same year, on October 8th, President Dwight D. Eisenhower issued the first "Veterans Day Proclamation" which stated: "In order to insure proper and widespread observance of this anniversary, all veterans, all veterans' organizations, and the entire citizenry will wish to join hands in the common purpose. Toward this end, I am designating the Administrator of Veterans'

Affairs as Chairman of a Veterans Day National Committee, which shall include such other persons as the Chairman may select, and which will coordinate at the national level necessary planning for the observance. I am also requesting the heads of all departments and agencies of the Executive branch of the Government to assist the National Committee in every way possible."

On that same day, President Eisenhower sent a letter to the Honorable Harvey V. Higley, Administrator of Veterans' Affairs (VA), designating him as Chairman of the Veterans Day National Committee.

In 1958, the White House advised VA'sGeneral Counsel that the 1954 designation of the VA Administrator as Chairman of the Veterans Day National Committee applied to all subsequent VA Administrators. Since March 1989 when VA was elevated to a cabinet level department, the Secretary of Veterans Affairs has served as the committee's chairman.

The Uniform Holiday Bill (Public Law 90-363 (82 Stat. 250)) was signed on June 28, 1968, and was intended to ensure three-day weekends for Federal employees by celebrating four national holidays on Mondays: Washington's Birthday, Memorial Day, Veterans Day, and Columbus Day. It was thought that these extended weekends would encourage travel, recreational and cultural activities and stimulate greater industrial and commercial production. Many states did not agree with this decision and continued to celebrate the holidays on their original dates.

The first Veterans Day under the new law was observed with much confusion on October 25, 1971. It was quite apparent that the commemoration of this day was a matter of historic and patriotic significance to a great number of our citizens, and so on September 20th, 1975, President Gerald R. Ford signed Public Law 94-97 (89 Stat. 479), which returned the annual observance of Veterans Day to its original date of November 11, beginning in 1978. This action supported the desires of the overwhelming majority of state legislatures, all major veterans service organizations and the American people.

Veterans Day continues to be observed on November 11, regardless of what day of the week on which it falls. The restoration of the observance of Veterans Day to November 11 not only preserves the historical significance of the date, but helps focus attention on the important purpose of Veterans Day: A celebration to honor America's veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good.

Have a blessed Veteran's Day! Thank you for your service.

## WWII Veterans Memorial Highway Tour

Continued from page 1

the memorial route would be a hollow recognition without making travelers aware of it.

The Things They Carried Home: Preservation Project, from the Kansas Humanities Council, captured the need to recognize, preserve, honor and respect the contributions of service men and women. This initiative is to help identify resources connected to veterans from WWI to those who served in Iraq.

This project of the Solomon Valley Highway 24 Heritage Alliance has been named: World War II Veterans Memorial Highway: A Tour of Remembrance, A Corridor of Service.

Available on the Alliance's website, [www.hwy24.org](http://www.hwy24.org), you will find a downloadable tour guide to know where each monument or memorial is located.

From an old tank or a bridge to a building or sculpted monument at a veterans' cemetery, there are many ways along this tour to remember the veterans who have fought for the freedoms of our country.

## Tomb of the Unknown Soldier

The Tomb of the Unknowns is the tomb where unidentified soldiers who were killed in combat are laid to rest just outside of Washington, D.C. in the Arlington National Cemetery in Virginia. The first unidentified soldier, who was killed in France, was buried there on November 11, 1921 until the completed tomb was dedicated on November 11, 1932. Two other unidentified soldiers, one who perished fighting in World War II and the other who passed away serving during the Korean War, were also buried in the tomb. A fourth unknown soldier from the Vietnam War was entombed in the site in 1984, but was later removed once DNA tests identified him as Michael Blassie. Michael Blassie was a 24-year-old Air Force pilot shot down in May 1972 and was later disinterred and reburied by his family in Missouri.

## A Funny Shipboard Memory

By Viktorija Briggs

*My Dad was in the Navy during the Viet Nam War. I asked him if he had any memories he wouldn't mind sharing. This is what he sent.*

I cannot help you with how I felt coming and going, as the memory is not a good one. But, if you are interested, a funny thing that happened on the USS Roosevelt out of Mayport Naval Station, FL 1968.

The ship with the Air Wing aboard has about 5000 men on board. The chow hall is open 0200 for breakfast until about 1000, then the food changes over to dinner until about 1600, then begins to shift to supper until about 2200, when mid rats of rubber dogs and hockey pucks are the only thing to eat until 0100 and the galley closes for cleanup. Then it starts all over at 0200.

Anyone can go eat anytime they are off or during regular meal times. If everyone only eats 3 meals that is 15000 a day times an 8-week trip before replenishing. We left FL well stocked with all provisions. After 4 weeks at sea doing work up and testing, ORI, we headed for Rio De Janeiro, Brazil for 3 days. The ship took on some fresh veggies, and that was all.

We set sail for the Philippines some 4+ weeks away. Now, 5000 hardworking young men can eat a lot of food with an open galley. After 8 total weeks at sea, the chow line began to turn green. Asparagus was showing up in every dish from breakfast, dinner, supper, ice cream, and even mid rats. It was cold, hot, mashed, whole, everything the cooks could dream up. After about 5 days of this the XO came on the 1-MC and apologized and explained the freezers had been mispacked and they could not get to anything else and we would just have to eat our way through it. As I recall it took about a week altogether.

## How to Properly Fold the American Flag

The flag folding ceremony represents the religious principles on which our country was originally founded on.

The canton of blue containing the stars represents states our veterans served in uniform. The canton field of blue dresses from left to right and is inverted only when draped over the casket of a veteran who has served our country honorably in uniform.

When folding the flag, each fold has special meaning.

The first fold of our flag is a symbol of life.

The second fold is a symbol of our belief in the eternal life.

The third fold is made in honor and remembrance of the veteran departing our ranks who gave a portion of life for the defense of our country to attain a peace throughout the world.

The fourth fold represents our weaker nature, for as American citizens trusting in God, it is to Him we turn in times of peace as well as in times of war for His divine guidance.

The fifth fold is a tribute to our country, for in the words of Stephen Decatur, "Our country, in dealing with other countries, may she always be right; but it is still our country, right or wrong."

The sixth fold is for where our hearts lie. It is with our heart that we pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

The seventh fold is a tribute to our Armed Forces, for it is through the Armed Forces that we protect our country and our flag against all her enemies, whether they be found within or without the boundaries of our republic.

The eighth fold is a tribute to the one who entered in to

the valley of the shadow of death, that we might see the light of day, and to honor mother, for whom it flies on mother's day.

The ninth fold is a tribute to womanhood; for it has been through their faith, love, loyalty and devotion that the character of the men and women who have made this country great have been molded.

The tenth fold is a tribute to father, for he, too, has given his sons and daughters for the defense of our country since they were first born.

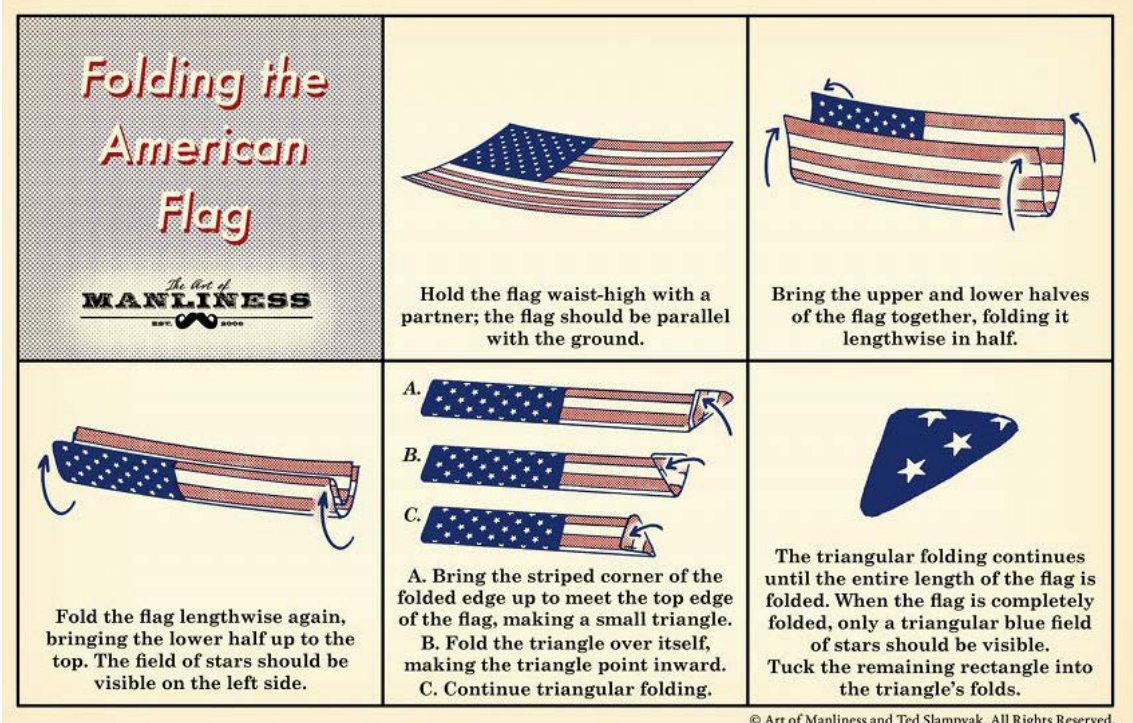

The eleventh fold, in the

eyes of a Hebrew citizen, represents the lower portion of the seal of King David and King Solomon, and glorifies, in their eyes, the God of Abraham, Isaac, and Jacob.

The twelfth fold, in the eyes of a Christian citizen, represents an emblem of eternity and glorifies, in their eyes, God the Father, the Son, and Holy Ghost.

When the flag is completely folded, the stars are uppermost, reminding us of our national motto, "In God we Trust."
