TAXPAYERS' REPORT

This article was published last week, but I feel it is important to share this information again.

This past week, we received our valuations in the mail for all properties in Sheridan County. It is important that you review this valuation notice and compare it with last year's valuation. You can also compare this valuation with your tax statement that you paid last year and see if there is a

The history of this process is that valuations have continually increased a little each year. This is NOT correct! This has been a deliberate process to continually raise everyone's property tax. There is NO justification for an increase in any property in Sheridan County. We have been in a depressed agricultural farming area for several years and values of almost all properties have decreased over the past several years.

Farm ground is supposed to be valued by using an eight year of an eight year average. Last year was supposed to be the last year of increase using this average system. If your farm ground valuation shows an increase in value, you need to take it to our County Appraiser and request that the value be set NO higher than last year. Also, the same with homes and commercial property...NO higher value than last year!!

If you have added an addition to your house or made major improvements to your property, the valuation should be increased. However, if you did normal maintenance and repairs to your home the value should not have increased over last year.

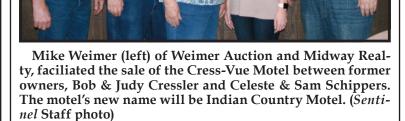

We taxpayers are the only ones who can stop this ever increasing Property Tax Burden!

If I can be of assistance to anyone in regard to valuations, please feel free to contact me.

Thanks for reading and GOD Bless! WES BAINTER, Sheridan County Commissioner

Cress-Vue Motel is Now the

Indian Country Motel

For 35 years Bob and Judy Cressler owned and managed the Cress-Vue Motel. They have looked forward to retiring from it and were able to sell it to Sam and Celeste Schippers. The closing took place on Monday, March 9, 2020, with the transaction being handled by Mike Weimer (Weimer Auction) through Midway Realty.

The new name of the motel is Indian Country Motel.

Schippers Harvesting, owned by Sam, has hired foreign nationals from South Africa for several years. Part of the requirements for this program is to provide housing. He has owned one house in town for those employees for several years, but as the business expands, so do the housing needs. Part of the reason for purchasing the motel was to be able to have some return on the investment. Celeste said, "We decided that the main building is big enough to house all the guys, and we would continue to run the rest of it as a motel. We will have six to eight rooms available. Six for sure all the time, but eight at other times, depending

season." "We're completely remodeling it, bringing all the rooms upto-date. We'll do one room at a time, so we won't have to shut down at all. We're using local contractors." Finding the resources for everything needed for the renovation has been harder than she thought it would

on the time of year. We'll make arrangements during the busy

For a small town, the motel is quite a bit busier than Celeste thought it ever would be. She said, "I didn't realize it until we decided to buy, and then you start paying attention to how many cars are parked there. Every time we drove by there was always somebody there!"

The remodeling begin soon, starting with the main living area. The updates must comply with the H-2A requirements. The Program allows U.S. employers or U.S. agents who meet specific regulatory requirements to bring foreign nationals to the United States to fill temporary agricultural jobs.

Once that is complete, the room-by-room updates will begin. Celeste has already been making plans for the remodel, stating, "It'll be fun! I'm excited. We're excited to get a move on it. I've been looking at everything and picking out everything. Now, it's just getting it going. I'm excited for the end result, when it's all done!"

These plans include modernizing the motel's office, reservations, accounting, etc. managed through a computer system. Eventually, they plan to have the magnetic key cards.

Many people thought the motel would be closed permanently when the Schippers' purchased it, but the Sam and Celeste want to assure everyone that this is not the case. With a name change and some general updating, the Indian Country Motel will be a great place to stay when visiting Hoxie.

McGraw Church Moves to Historical Society Location

Loaded and ready!

On Wednesday, March Williams Midwest House Movers carefully moved the McGraw Church from its original location to its new home on the Historical Society's property. The move took just over four hours and drew quite a bit of attention once it reached Hoxie. (Sentinel Staff photos)

The award recipients of the Masonic Lodge scholarships stand with the representatives of the contest. (left to right) Seniors Jett Schmidtberger, Morgan Zimmerman, Jordyn Vincent, Ethan Beckman, and Mrs. White pose for a picture. (WHS photo)

By Livia Schultz, Staff Reporter

On Friday, February 28, four Wheatland High School students received the Kansas Masonic Lodge Essay scholarship. The contest has existed for more than 60 years, each year donating \$12,000 to deserving high school students on their 300-500-word essay. This year, the seniors that were accepted were given a total of \$1,100. Seniors Jett Schmidtberger received \$200, Morgan Zimmerman received \$250, Jordyn Vincent received \$300, and Ethan Beckman received \$350. Along with receiving the Masonic Lodge Essay scholarship, Beckman placed honorable mention in the state contest with an added \$500.

Senior Ethan Beckman commented, "I felt that it was an incredible honor and our school represented well overall on the essay contest."

Congratulations to the four seniors on a great recognition and their hard work!

YEC Presents Business Plan to Rotary On the Tuesday, March 10 Rotary meeting, Karl Pratt, Sheridan County Community

Foundation Liaison, presented Charlie Foote and Kash Schiltz with certificates for their participation in the Youth Entrepreneurship Challenge. They shared their business plan for 'Voyager', a travel app for visitors northwest

Kansas, with the members of Rotary.

ENNINGS NEWS

By Louise Cressler

A taco dinner was served to the relatives and friends of Bud Rhodes, Thursday, after the funeral in Oberlin. Approximately 70 people were at the church.

On Sunday, at 12:30 at the United Methodist Church in Jennings, leftover tacos, home canned beef and other dishes of salad and dessert were served to over 60 people at the Neighbor Welcome. It was so nice to see everyone and to listen to all the visiting, as

well as the wonderful meal. Also, it was nice to have Haley Roberson, Norcatur, speak at the church services. Pastor Ed was out of town.

Next Sunday, March 15, from 11:30 Å.M to 1:00 P.M the Jennings Sons of the American Legion and American Legion Post 351 will be serving pancakes, sausage, eggs, and drink at the former Masonic Hall. Free Will Offering. Special program will follow.

Kansas Honor Flight Soup Supper Fundraiser

Wheatland VFW Post #2864, along with the Wheatland VFW Auxiliary #2864 of Grinnell, would like to invite everyone to a Soup Supper Fundraiser for Kansas Honor Flight on Saturday, March 28, 2020 at 6 p.m. at the post home in Grinnell. Rosemary Corbett, Garden City, will be on hand with information, answer any questions, and share photos from prior Kansas Honor Flights.

All local residents who have gone are welcome to bring pictures and their stories of their trip. Rosemary hopes that other alumni will be able to attend, wearing their red Kansas Honor Flight shirt and/or cap. Rosemary has proudly represented Western Kansas on the Kansas Honor Flight Board of Directors since its inception eight years

The Kansas Honor Flight is a non-profit organization whose mission is to transport World War II, Korean War and Vietnam War veterans from across the state of Kansas at no cost to them to Washington D.C, to visit the memorials built in honor of

their service to our country. Since May 2012 Kansas Honor Flight has transported 582 WWII, 825 Korean War, and 1,162 Vietnam War veterans for a total of 2,569. There are currently over 800 Vietnam War veterans on the waiting list. The organization has been inspired to add two additional flights to their regular yearly schedule for a total of 14. The first seven spring flights have already been booked, with the first one, Flight #80, taking off from Wichita on April 15. On this first flight, there will be two WWII, thirteen Korean War and nineteen Vietnam War veterans along with sixteen support guardians and six leaders. These threeday-two-night trips are made possible by contributions from a grateful public. The current cost is \$800 for one veteran.

What a wonderful way to say thank you to our many Veterans who have served! Make plans to come to Grinnell VFW Post on March 28, at 6:00pm, to enjoy soup and hear the stories of the guys who have gone already.

THANK YOU!

The families of Tressie Bailey Rogers wish to thank everyone who participated in any way in her life and in her passing. We were comforted & blessed because of you. May God bless you!

Pinochle is played every Tuesday (bring a quarter) & Friday after lunch. Make checks payable to HOMESTEAD Nutrition Project.

Gove Community Bible Church Chris Thomas, pastor (785) 938-8225 pastor.chris@hotmail.com

Dear Readers, I want to share a topic with you. It is a topic near and dear to my heart. It was a lesson that I had learned, not just by my studies of God's Holy Word, but also a lesson I learned through experience.

C.S. Lewis said, "Everyone thinks forgiveness is a lovely idea until he has something to forgive." There are two aspects of forgiveness that I would like to share with you. It would take more than an article to do so. Beginning with this column, I would like to devote the next two or three on the topic of forgiveness. The first aspect is the forgiveness of sins. The second is the forgiveness of others. Both aspects are essential to the life of an individual who proclaims to be a follower of Christ. Experientially speaking, I have found myself struggling with both. Today, I want to touch on the forgiveness of sins.

Martin Luther, who was essential in the launch of the Protestant Reformation was a Catholic priest. He was a devoted and devout student of the Word and was faithful in the sacraments of the church. Yet, he personally struggled with the idea of forgiveness of his own sins. He writes, "Though I lived as a monk without reproach, I felt that I was a sinner before God with an extremely disturbed conscience." Until one day while studying the Book of Romans, he came across Romans 1:17, "The just shall live by faith." It was then that he realized that his sins were forgiven not on the basis of what he did but what Jesus Christ did on the cross and rose from the dead.

Again, referring to Luther,

he writes about the revelation of the truth of Romans 1:17, "At last meditating day and night, by the mercy of God, I began to understand that the righteousness of God is that through which the righteous live by a gift of God, namely by faith. Here I felt as if I were entirely born again and had entered paradise itself through the gates that had been flung open." With this great realization, the gates of Heaven were open to Martin Luther.

In the Apostle's Creed, one of the articles of faith is the belief in the forgiveness of sins. It is this article of faith that Luther believed to be one of the most important. Concerning this article of faith, Luther wrote, "If that is not true, what does it matter whether God is almighty, or Jesus Christ was born and died and rose

So, what does forgiveness mean?

Here is a simple definition of the word forgiveness, especially in light of the forgiveness offered by God, "to release someone from their wrongs fully, freely, forever."

Dear Reader, please join me on the journey to discover the beauty of forgiveness. Until next time, know that the forgiveness that God offers releases you from all wrongs...fully...freely... forever. God bless.

St Paul D of I #400 Meeting

J. Struckhoff, Scribe

Following the Rosary, the St. Paul D of I meeting was opened by Millie Baalman in the Education Center in Grinnell on March 2, 2020. Chancellor Brenda Weiser led the Opening Prayer. Opening Ode was sung and the Pledge to the Flag was made. She then read the Chaplain's message the second luminous mystery. 'The Wedding of Cana."

Mary came to Jesus to tell Him, 'They have no wine'. Thinking that all is lost and out of desperation, Mary asks Jesus to do something. At her request, He performs His first miracle by changing water into wine. This miracle is a foretelling of the words and actions of Jesus.

Roll call of officers was done, and the minutes of the last meeting were read and approved. Lee Ann Rehmer, treasurer, then gave total book funds. Communications were read from International Regent concerning convention in August, Co Chairman of membership committee, Spiritual Committee Chairman. Thank yous from member Rosemary Beckman's family, Father Brian Lager, and Emergency Pregnancy in Colby.

Those ill; Bob Losey, Rick Baalman, Angie Baalman, and Richard Byer. Brian Holzmeister passed away.

We will attend Mass on the March 25 in a body. That same day we will serve dinner at the senior center for the Pride Meeting at noon. A Mass for All Mothers is scheduled on May 15 in Grinnell. Queen Isabella Day is April 22 when we will host Oakley D of I.

All repeated Obligation, Closing Prayer, and closing Ode was sung. Next meeting is April 6. Meeting closed.

KENOXIE ARCHIVES & MUSEUM'S Now & Then

Compiled by Rachel Farber, Archive Director

The Kenneth Democrat Friday, March 12, 1886 E. J. Turner's law shop will

occupy a lot in Hoxie. Moser Bros. will occupy a prominent place in the new

E. L. Gregg goes to the new

town with the rest of us. Howell Bros. are rushing business at the new town.

Men and teams can find plenty of work at good wages in the new town.

Alva Freeman is the champion skunk killer of the season. He killed eight last week and it wasn't a very good week for skunks either.

Hoxie has a new pump in the town well and water is easily raised to the top of the ground. A. Cressler put it in.

Hundreds of new comers are arriving daily and one can not look out on the prairie without

seeing eight or ten schooners. E. C. Clearman is going to buy or rent a pasture near Hoxie for his cows so that he can supply the residents there with good, fresh milk.

What do you think? W. C. Hausafus has got contractors figuring on a two-story building, 50x60 ft. finished below for two store rooms and the upstairs for a public hall.

Since all the residents and businessmen of Kenneth have decided to move to Hoxie the Democrat wants to be put on record that it is for Hoxie and the good of this the best county of northwest Kansas.

Hoxie is spelled with a big H. Is owned by big men with big money, big brains, big energy, big enterprise. The big H also stands for houses, big hereafter, big hopes and everybody should be in a big hurry to get to Hoxie.

Jackson Leatherman was in town Tuesday and says that he is glad the town of Kenneth has at last concluded to make a town by going down to Hoxie.

At a meeting of the citizens of Kenneth - held at the school house last Saturday evening it was unanimously resolved to move to the new town of Hoxie, steps were instantly taken to meet that end, and by the 15th of April we hope to be able to say that the town of Kenneth is safely located on the townsite of

The town of Hoxie is situated in the geographical center of Sheridan county on a nice rolling prairie seventy five feet from the water level, it is owned by men of means and well known business sagacity and with the assistance and support of the people of Sheridan county will become one of the Queen cities of the west. Decatur county has her Oberlin, Thomas her Colby, Rawlins her Atwood, but with the help of each and every one interested and working in unison Hoxie will distance them all and Sheridan county will take the lead and her people will call her blessed. Already enough business houses are under contract to insure us that her prosperity is assured, and the growth will be something that the west has always been noted for but has never really witnessed until Hoxie was projected and taken hold of by business men and the people. 125 Years Ago

Jacqueline Kaufman placed third in Problem Solving, third in Geometry, and received honorable mention in Mental Math and Estimation; Peggy Cameron received honorable mention in Geometry; Michelle Meier placed third in Problem Solving; Mark Torluemke received honorable mention in Problem Solving; and Ben Cressler placed third in Mental Math and Estimation.

NWKS News

Letter to the Editor

March 9, 2020 Re: Adoption Protection Act and Value Them Both

amendment Dear Editor,

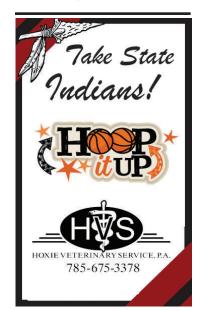

I am concerned that the rights of the unborn and our right to the free exercise of religion are not being protected by some of our elected officials. (Right here in NW Kansas.)

On Tuesday, March 3, we had the privilege in Hoxie to host two of our state legislators, Rick Billinger, State Senator for District 40, which includes the northwest 13 and ½ Kansas counties and Don Hineman, Representative for district 118 which includes Gove, Lane, Logan, Scott, Sheridan, Trego, Wichita, and part of Graham counties.

Representative Hineman began his part by giving his reasons for voting against putting the "Value Them Both Amendment" on the August ballot. This amendment would:

amend the bill of rights of the constitution of the state of Kansas by adding a new section thereto stating that there is no constitutional right (as determined by the Kansas Supreme Court) to abortion, and reserving to the people the ability to regulate abortion through the elected members of the legislature of the state of Kansas.

In his opinion, more important amendments like "Value Them Both" should be on the November ballot. He thought it would pass in November and said he would vote for it then. He cited several past amendments that were on the August ballot to make his point. Kansans for

Life strongly disagrees with this rationale and points out that the opposition is sure to be stronger in November, primarily funded by Planned Parenthood.

Considering what is at stake here it is very difficult to understand Mr. Hineman's position. The Kansas Supreme Court in April of 2019 discovered a constitutional right to abortion. Kansans for Life summarizes the impact of this decision.

Because of the Kansas Supreme Court's April 26, 2019, ruling, existing bans on late-term and taxpayerfunded abortions are now in danger of being rendered unenforceable. Furthermore, the ruling allows violent live dismemberment abortions to continue and threatens these lifesaving limits:

Parental consent for minors seeking abortion

Informed consent, alerting women to potential health

24-hour waiting period Abortion clinic sanitation

and safety standards Placing this amendment on the August ballot is most likely to give voters rather than the Supreme Court the say in charting the course for protecting the unborn in

Kansas. On another note, I asked epresentative Hineman Representative about his vote on the Adoption Protection Act that Governor Jeff Colyer signed into law on May 18, 2018. He said he did not remember how he voted but had some problems with it. I confirmed his voting record and informed him later that he is recorded as voting against the bill and asked why. He told me that in the State of Kansas we have a shortage of homes to place children and this act would further limit placement options.

Note: Senator Billinger was quick to add that he voted in favor of the bill.

Why is the Adoption **Protection Act** important? In the city of Philadelphia and in several states, faith-based child placement agencies have been pressured to conform government standards political correctness or cease to operate. The Catholic Philly, April 25, 2019 describes it this way; at issue is a long-standing practice of CSS (Catholic Social Services) not to perform evaluations of

the homes of same-sex couples wishing to care for foster children and instead to refer the required process to one of seven other foster agencies contracted by the city's Department of Human Services. (Catholic Philly, April 25, 2019) The U.S. Court of Appeals for the 3rd Circuit ruled April 22 that the City of Philadelphia can bar Catholic Social Services of the Archdiocese of Philadelphia from placing children in foster care with any family because the Catholic agency upholds traditional marriage.

This issue is at the doorstep of the high plains, and faith-based child placement agencies need the protection. If the current administration abides by the law and fully implements this bill it will provide the needed safeguards for the continued operation of faith-based child placement agencies. This bill

ensures: Child Placement Agency (CPA), as defined by the bill, shall be required to perform, assist, counsel, recommend, consent to, refer, or otherwise participate in any placement of a child for foster care or adoption when the proposed placement of such child violates such CPA's sincerely held religious

This act does not limit same sex couples adopting or caring for foster kids. Many other providers are willing to provide this service. It only protects the faith-based child placement agencies to continue to operate, guided by their sincerely held

religious beliefs. I disagree with Mr. Hineman's concern that the bill will create a shortage of placement options. I believe the passage was needed, and support is still needed, to ensure that faith-based agencies can continue to serve children in need.

In addition to ensuring continued service to children in need, this act most protects importantly aspect of the fundamental constitutional right to the expression of sincerely held religious beliefs. There has been and will continue to be many more attacks on these beliefs. We need legislators that understand and will fight for these rights.

Kansas Forage and Grassland Council Organizes Its First Photography Contest

The Kansas Forage and Grassland Council (KSFGC) is having a photography contest to promote the multifaceted use of Kansas forages. The contest is sponsored by Greater Manhattan Community Foundation.

"Organizing a photo contest is a great fit for the KSFGC. It helps to highlight the importance of forages in Kansas and it dovetails nicely with the national photo contest managed by the American and Grassland Forage Council as we encourage individuals from all parts of the forage industry to enter both contests," said Mark Nelson, KSFGC Executive Secretary-Treasurer.

Entrants may submit photos to the photo category of their choice: harvested forages, grazing, education or wildlife and conservation.

The contest ends Friday, Oct. 30, 2020. Winners will be announced at the 2020 KSFGC Annual Meeting in Great Bend, KS. Cash prizes will be awarded to the best photos in each category.

To enter the contest, participants must be a current KSFGC Member. To join or

renew memberships, entrants can visit www.ksfgc.org. Cost to enter the contest is free. To register for the contest, visit https://ksfgc.org/ksfgcphoto-contest/.

Social Security and Women's History Month

By James Feyerherm, Social Security District Manager in Hays, KS

In March, our nation celebrates Women's History Month. Today, more women work, pay Social Security taxes, and earn credit toward monthly retirement income than at any other time in our nation's history.

Social Security has served a vital role in the lives of women for over 80 years. With longer life expectancies than men, women tend to live more years in retirement and have a greater chance of exhausting other sources of income. With the national average life expectancy for women in the United States rising, many women have decades to enjoy retirement. According to the U.S. Census Bureau, a female born today can expect to live more than 80 years. Women need to plan early and wisely for retirement.

benefits Our planner website at www.ssa.gov/ planners provides detailed information about

marriage, widowhood, self-employment, divorce, government service, and other life or career events can affect your Social Security benefit.

We base your benefits on your earnings, so we encourage you to create your personal my Social Security account at www.ssa.gov/ myaccount and review your earnings to ensure they are correct. Lady Bulldogs Win Regional Championship

Golden Plains junior Brooke Stoll (15) shoots the ball against the Decatur County Red Devils in the semi-finals of the Regional Tournament (Photo by Judy Rogers)

By Mabel Lugo

The undefeated Golden Plains Lady Bulldogs won the Quinter Regional on February 29 to advance to Sub-State in WaKeeney. This was the second year the girls had to play in a regional tournament winning the championship to advance to sub-state play.

The Dogs were seeded #1 in the tournament so received a bye for the quarterfinal round. They played the Decatur County Red Devils from Oberlin for the semi-finals on Friday, February 28. They had not yet played the Lady Red Devils this year. They knew they would have to play their best ball to defeat them to advance to the final round.

The girls stepped on the court with determination and put up a 10-0 lead before the Red Devils could score. A final basket from junior Ashley Stoll gave the Dogs a 12-1 lead at the end the first. The Dogs let the Red Devils add 9 straight points in the second quarter before the Dogs could get on the boards. Kassie Miller added five and Brooke Stoll hit a three-pointer, which put the Dogs up 20-12. Zoey Hillis added two free throws and a basket again from Miller made the half time score 24-12 in favor of the Bulldogs.

The Bulldogs came out of the half ready to put the game away. They couldn't hold their defensive line, however, letting the Red Devils scored 14 points during the third quarter, and only scoring 5 for themselves. The girls finished the game with an additional 12 points in the fourth as their aggressive defense held the Red Devils to 8, finishing with a 41-34 win. This victory earned them a spot in the championship game against Wheatland/Grinnell

and a guaranteed spot in sub-

Bulldog points came from Ashley Stoll 17, Kassie Miller 12, Brooke Stoll 7, and Zoey Hillis 5.

The Championship game was played on February 29, in Quinter High School, against the Wheatland/Grinnell Thunderhawks to determine which team would claim the regional championships. This was their third time playing against the Thunderhawks this season, but they knew the Thunderhawks would be ready to fight for the regional title.

This aggressive game stayed with the Thunderhawk lead throughout the first quarter, ending 6-11. The Lady Bulldogs kept battling through the second quarter adding 9 points, allowing the Thunderhawks to score only 6 ending the quarter trailing the Hawks 15-17.

Miller hit a free throw midway through the third bringing the game within one. The Hawks answered with a three along with additional points to extend to a 7-point lead. With another three from Miller, the Dogs trailed 19-23 at the end of the third.

Starting the final quarter of the game Kassie Miller made two free throws, narrowing it to a 2-point lead. Both teams play with intensity as the Dogs kept fighting in this aggressive battle. Two free shots from Brook Stoll tied the game up at 26 with a lot of time still on the clock. The Hawks regained the lead only to have a three from Brooke Štoll put the Dogs their first lead of the game with less than six minutes to play.

The Hawks regained the lead with some free shots only to have the Dogs answer back. The game was far from over as the Hawks continued to hold a slight lead. As the Thunderhawks fouled out three starters, they still held a 39-36 lead with less than thirty seconds left on the clock.

The Thunderhawks, with a turnover, gave the ball back to the Dogs with 5.5 seconds on the clock. Kassie Miller hit a 3 tying up the game 39-39. Just as it looked like the game would head into overtime, the Hawks fouled Ashley Stoll sending her to the free-throw line. She made both shots ending the game 41-39 for the win and the Regional

Championship.
Kassie Miller led the Bulldogs with 18 points. Brooke Stoll added 16, and Ashley Stoll with

The Lady Bulldogs advance to the WaKeeney where they will play the Weskan Lady Coyotes at 6:00 pm on Friday, March 6.

Bulldogs Qualify for Sub-State

By Judy Rogers

The Golden Plains Bulldogs qualified to play in the Sub-State Basketball tournament in Russell with a 2-game win streak to get them into the Regional championship game in Quinter on February 29.

The Bulldogs entered the Regional tournament with a 4-16 record. They played the quarter-final game against Palco in Rexford on February 24. The Dogs had defeated Palco early in the season but had lost to them at home the previous Friday. They were ready to hit the court and prove how they had improved.

The Bulldogs won the tip, but the Palco Roosters hit the first score of the game. Harley Weese answered with a Bulldog basket and the Dogs were ready to roll. They extended their lead to 14-6 by the end of the first. The Bulldogs kept up the pace in the second quarter as they took care of the ball and added another 14 in the second. The Roosters worked hard and added 9 giving Golden Plains a 28-15 half time

Both teams came out of the locker room to step up their defense as they held each other to an additional 4 in the third. The Dogs added 10 more in the fourth, but the Roosters pushed to finish the game with 17. It wasn't enough to make up for the Dogs early lead giving Golden Plains the win 47-36. "It was good to get this win after losing to them on Friday," said Austin Patmon.

Bulldog points came from Weese 16, Wade Rush 12, Ashton Schiltz 8, Jaime Infante 4, Jovanny Infante 4, Fabian Cepeda 2, and

Advancing to the semi-final game in Quinter on Friday, the Dogs were destined to play the Wheatland/Grinnell Thunderhawks. This would prove to be an exciting game ending with a Bulldog win 66-63 in double-overtime.

The Hawks won the tip, but the Bulldogs jumped to an early lead 12-6 in the first. The Bulldogs played a clean game with no fouls called on them quarter. They worked the ball to the basket for an additional 16 points. The Hawks put in 15 during the second quarter giving the Dogs a 28-21 half time advantage.

The Hawks came out in the third with determination and quickly closed the spread to a 1-point game. The Dogs answered and worked the ball

into the basket as they added 13. With 15 from the Hawks, the Dogs still led 41-36 going into the fourth. The Bulldogs continued to hold on to their lead throughout much of the fourth but with 3 minutes to play, the Hawks tied the game up at 45. The Dogs pulled back ahead with baskets from Weese and Schiltz only to have the Hawks hit a three. Another Wheatland score gave them a one-point lead with a minute on the clock.

The boys battled out the last minute of the game. A Thunderhawk foul sent Fabian Cepeda to the line for the Bulldogs. He hit both free shots to regain the lead. A Bulldogs foul then sent the Hawks to the line with 7 seconds on the clock. He missed the first shot but made the second to tie the game

up at 51 sending it into overtime. In the overtime, the Hawks won the tip and hit two quick buckets to lead 55-51. With both teams in double bonus, there were a number of trips to the line. Harley Weese, Rojelio Loya and Wade Rush each hit their free shots tying the game back up at 55. As the boys hustled every second, Weese hit another basket for the Bulldogs. The Thunderhawks answered and sent the game into a second overtime.

The Hawks won the tip in the second overtime as well but Wade Rush quickly regained possession for Golden Plains and hit a three. The Hawks came back with a couple of free shots midway through the OT and pulled ahead 63-61 with just over a minute left to play.

The last minute was all about the Bulldogs as Rush hit a basket followed by a steal and a layup from Weese. Weese got fouled with 2.5 seconds on the clock, hit his second free throw to give Golden Plains the win 66-63 and a spot in the championship game for the first time since 2007.

Weese finished the game with 24 points along with 20 from Rush. Schiltz added 10, Jaime Infante 6, Colby Lathrop 3, Fabian Cepeda 2, and Rojelio Loya 1.

championship was held on Saturday against the Quinter Bulldogs on their home floor in Quinter. With a full crowd on hand to support both the Golden Plains girls and boys teams in the championship games, the Dogs were ready to

Student Interaction

By Morgan Zimmerman, Co-Editor

On Tuesday, March 3, and Thursday, March 5, the National Honor Society students went to both elementary schools for a T-Hawk Talk. For this month the high school students explained to the elementary students what the U.S. census is. With this the elementary students went around the classrooms and completed a census with random objects throughout the room. They chose an object, then counted how many were in the room, recorded it, and completed a worksheet. This gave the elementary students an opportunity to learn about our country and work on counting at the same time.

Junior Elliot Godek said, "It is a positive experience for the elementary students, while also giving the high school students the opportunity to get to know the kids."

Also, on Thursday, NHS showed the high school students a video on being safe. This video was shown on the TV in the commons area so students could watch during lunch. The video showed a simulation of a 35-mph crash and the results of not wearing your seatbelt. This video was shown to represent seat belt awareness week.

Tanya Allemang **Educates WHS on** Soil Health

By Laredo Allemang, Staff Reporter

On Wednesday, February 26th, Tanya Allemang came to Wheatland High School to educate the students on the NRCS (Natural Resource Conservation Service). Mrs. Allemang gave some information on the history of the NRCS including the Dirty '30s and Hugh Hammond Bennett who was the first Chief of the Soil Erosion Service. He was able to get the senate to unanimously vote to enact the new agency by timing his speech in Washington to coincide with a dust storm from Kansas. When the sky grew black, it got the

After the history lesson, she demonstrated a rainfall simulator that showed how to improve soil health. The simulation visually showed the crucial need for having living roots, and a wide range of different biodiversity as well as having the soil covered and minimizing disturbance. Healthy soil and keeping the surface protected can improve

Gifted Students Go Back in Time

By Elliot Godek, Staff Reporter

Seniors Ethan Beckman and Chris Bixenman attended a gifted seminar over WWI and parts of WWII mainly focusing on the Pearl Harbor incident. Luanne Lee, the gifted sponsor, drove the two of them to the Oakley Service Center on February 26. There were multiple speakers, each specializing over certain subjects. Beckman stated, "The seminar was very historical. I am glad I was able to enrichen my history background."

Lady Hawks Continue On

By Jessi Bernbeck, Staff Reporter

On Friday, February 28, the Lady Thunderhawks took on the Atwood Buffaloes at Quinter for the Sub-State Semi Finals. With the final score of 51-48, the Thunderhawks continue their season. The Thunderhawks shot 42% from field goal range, and 38% from three-point range. They also had 25 rebounds to finish the night. Sophomore Anna Godek commented, "It felt good to win and prove everyone wrong".

Lady Thunderhawks The season continued when they took on the Rexford Bulldogs Saturday, February 29. The final score was 39-41 with the Bulldogs on top and the Thunderhawks receiving 2020 Regional Runnerup. The team had a total of 34 rebounds and shot 25% from three-point range and 53% from two-point range. Junior Kirsten Schroeder stated, "With Rexford being one of our rivals the atmosphere was crazy, and the crowd and our fans helped us out tremendously".

water infiltration and get more water into the soil profile where it can be stored. Soil that is not protected can cause erosion by having water and soil run off the surface rather than percolating into the soil.

Mrs. Allemang also shared several career options in the stated, "Healthy soil is important in order to keep our farms sustainable into the future. My job is to improve soil and assist them (farmers) in attaining this and other conservation goals."

Sophomore Ryan Heier, who helped with the rainfall simulation, stated, "It was interesting to learn about soil conservation techniques."

School **Science Programs Benefit from** KDA's Ag Lab Event

Science plays a key role in agriculture, and Thursday afternoon the Kansas Department of Agriculture was able to help support science programs in dozens of Kansas high schools by providing them with lab equipment. Schools from across the state – as far away as Hays - came to the agricultural laboratory in Topeka to take advantage of a unique opportunity to acquire science materials for their schools.

The KDA laboratory, which is preparing for a move from Topeka to a brand-new facility in Manhattan, had been looking for a new home for some older lab equipment which was no longer going to be needed in the new facility. They reached out to agricultural education teachers across the state to find out if their schools might have use for the equipment. The response was overwhelming, so the agricultural lab invited them to an open house giveaway.

More than 20 schools sent ag ed teachers, science teachers and administrators to Topeka on Thursday, and they walked away with a wide scope of equipment, from water baths and hot plates to mercury thermometers and microscopes. And don't forget glassware: flasks, test tubes, and graduated cylinders lined the counters as the educators arrived to make their selections.

"We were thrilled to see this lab equipment going to such a great cause," said Sarah DeDonder, manager of the KDA agricultural laboratory. "It was really a win-win for us, because it helped us with our preparation for the move, while at the same time providing supplies to Kansas schools for their science and ag ed programs."

Perhaps the best unexpected result from the event came as the teachers engaged in conversation with the staff of the ag lab and talked about possible tours for high school students in the new, state-of-the-art lab facility in Manhattan.

"Today has given us an to develop opportunity relationships with these teachers and promote the many science-based careers in agriculture that are available," said DeDonder. "Ag includes jobs for chemists, microbiologists, engineers, and other scientists, and we're pleased to support a sciencebased curriculum which prepares students for these careers."

For more information about the agricultural laboratory at the Kansas Department of Agriculture, go to www. agriculture.ks.gov/AgLab.

Preharvest Marketing Plan Workshop

Please plan to join us for a Preharvest Marketing Plan Workshop on March 25, 2020, at the Norton County 4-H Building. The Norton County Farm Bureau is sponsoring a Winning the Game, Preharvest Corn (feedgrain) Marketing Workshop where KFB and KSU experts will work to provide you the tools to develop a preharvest marketing plan and the

confidence to implement it! Presentation includes lunch. To register, contact Jordyn at, nortonfb@kfb.org or call (785) 877-3221; or contact Crystal at the Twin Creeks KSU Extension District at, 785-877-

Progress on China Phase One Agreement **Implementation**

Secretary Agriculture Sonny Perdue announced today that China has continued its progress in implementing the U.S.-China Phase One Economic and Trade Agreement and has taken several additional actions to realize its agriculture-related commitments. The agreement entered into force on February 14, 2020, and the actions announced today build upon the measures announced on February 25. The most recent actions include:

Signing a protocol that allows the importation of fresh California nectarines (USDA's Animal and Plant Health Inspection Service will share details once they are finalized);

Conditionally lifting a ban on imports of beef and beef products from animals over 30 months of age (Lifting Restriction on U.S. Beef 30 Months and Over Announcement), subject to other relevant import requirements;

Updating lists of facilities approved for exporting dairy, infant formula, seafood, and fish oil and fish meal.

In addition, China's new tariff exclusion process went into effect on March 2 and importers can now apply for exclusions from retaliatory tariffs(TariffExclusionProcess Announcement). USDA has published a translation and analysis of China's guidance for participating in this latest round of exclusions (USDA Report on China's New Round of Tariff Exclusions). On February 28, China announced new exclusions of U.S. hardwood products; these exclusions were issued under the previous exclusion process (USDA Report on Tariff Exclusions for U.S. Hardwood Products). USDA continue to closely monitor China's implementation of the agreement.

"These implementation measures are promising steps showing that China is taking steps to fulfill their commitments," purchase Secretary Perdue said. "Under President Trump's leadership, this agreement will produce positive gains for the entire economy, especially our agriculture sector. We look forward to China continuing to achieve their commitments in future months."

Sorghum Sales Jump with Phase-One Agreement with China

Sorghum has seen two big weeks in a row in regard to trade with China. The week of Feb. 20-27, 4.7 million bushels of sorghum were sold to China. This was followed by an additional 2.7 million bushels this past week. Due to those purchases, along with shipments to unknown locations, sorghum saw one of its largest export weeks in the history of the industry for Feb. 28-March 6 with 17.5 million bushels committed for purchase.

For the 2019-2020 marketing year, 68.5 million bushels of sorghum has been committed for purchase. This is 57% of the USDA export target for sorghum with six months left in the marketing year. Although this is lower than export numbers seen prior to the trade war, it is still 36.3 million bushels more than this time last year. As a result of these purchases, producers have seen small to moderate positive basis changes on the Gulf Coast and even in central and southwest Kansas.

Senator Rick Billinger Newsletter

One of our top priorities this year is finding ways to reduce property taxes. SB 466-This plan is intended to provide property tax relief directly to the taxpayers rather than providing a rebate or siphoning money through local governments where they could choose whether to provide that relief to taxpayers. The Governor proposes funding the Local Ad Valorem Tax Reduction Fund at a cost of approximately \$54 million. SB 466 would instead discontinue the 1.0 mill Education Building Fund (EBF) tax levy and the 0.5 mill State Institutions Building Fund (SIBF) tax levy after tax year 2019 and authorizes an annual transfer from the State General Fund to these funds starting in FY 2021. The bill would transfer \$38.3 million from the State General Fund to the EBF on July 1, 2020, and on July 1st of each future fiscal year. The bill would transfer \$19.2 million from the State General Fund

NOTICE TO TAXPAYERS

Several businesses and individuals have not yet filed their 2020 personal property form. According to K.S.A. 79-303, every person who owns or holds tangible personal property must list said property for assessment with the County Appraiser on or before March 16, annually.

Since a signature is required on the assessment form, we will not be able to accept assessments by telephone. Personal Property Renditions will be

The deadline for assessing personal property without penalty is March 16, 2020. If this form is not timely filed, penalties must be applied by law (5% per month up to a maximum of 25%, pursuant to K.S.A. 79-1422).

If you have questions concerning Personal Property Assessment, please call the County Appraiser's Office at 675-3932.

Unified School District No. 412 met for their regular meeting on Monday, March 9, 2020 at 7:00 PM at the Central Administrative Office in Hoxie, Kansas.

BOARD PRESENT WERE MEMBERS: Michael Bretz, Billi Beckman, Devan Castle, Margery Haas, Reba White, Lola Baalman, Leonard Weber SUPERINTENDENT:

Howard

CLERK: Mandy Shipley PRINCIPAL: Mark Wildeman GUESTS: Tom Friess, Nichole Campbell, Alysia Bixenman, Cash Bixenman, Leah Heskett, Aiden Baalman, Kaden White, Peyton Rogers, Max Beckman, Gavin Tremblay, Harlan Obioha, Charlie Foote, Michelle Foote, Bella Sauvage, Macy Schamberger,

Billi Beckman called meeting to order at 7:00PM. The Board and all in attendance

Janel Beckman, Tom Feldt

recited the flag salute.

The agenda for the Board meeting was approved as amended, with the addition of item (f) under the Opening, Transportation/Maintenance Report and item (b) under Old Business, Executive Session elected nersonnel (Administrative Contracts) followed by a motion to Approve Administrative (Weber/Haas 7-0).

The Board recognized the visitors present.

Communications to the Board were reviewed with a brief discussion on a couple of items brought to the attention of the Board by Margery Haas.

month's For this practices" both Alysia Bixenman and Leah Heskett were present with students to discuss and demonstrate their wind turbine

projects. The Board adjourned the meeting at 7:06 PM from the BOE room to the Grade School Gym in order to see a demonstration of the projects. They resumed in open session in the Grade School Gvm at 7:07 PM. Three groups of students (two High School and one Junior High group) showed the Board their wind turbines and were able to show how many jewels of energy they produced by plugging the turbines into Mrs. Bixenman's laptop. They answered a few auestions from the Board and others in attendance and wrapped up their presentations. The Board adjourned the meeting from the Grade School Gym at 7:21 PM to the BOE room and returned in open session at 7:22 PM.

Tom Feldt, Tom Friess, Leah Heskett, and Nichole Campbell were the only guests left in attendance when the meeting reconvened in the BOE room.

The Board then reviewed bids and proposals for spring and summer projects for Transportation and Maintenance. Tom Feldt was present to answer questions about those items.

Lola Baalman left the meeting at 7:30 PM and returned at 7:32 Tom Feldt left the meeting 7:38

PM. The Board moved to approve the consent agenda as presented

(Haas/Baalman 7-0). The Board reviewed their goals. All employees receive effective evaluations that reflect their actual performance.

No evaluations were available. There will be winter coaching evaluations at the regular Board meeting in April. 0. Technology will be developed to complement student

learning Jim Howard delivered the technology report. He reviewed insurance and warranty

claims, discussed issues that Denton has been addressing on the Friday's he's in the district, and gave them an update on the new phone system. Guidance

Department will be developed to assist all students to have success in our District.

The Board reviewed a report provided by Tennille Giancola with an update on progress with this goal.

Leah Heskett left the meeting at

The Board moved to enter into executive session at 7:45 PM to discuss Administrative contracts pursuant to the non-elected personnel exception under KOMA for 5 minutes with the Board, and Mandy Shipley present, returning to open session at 7:50 PM in the BOE room (Baalman/White 7-0).

The Board moved to extend both Administrative Contracts through the 2021-2022 school year with salary to be determined at a later date (White/Weber 7-0).

Jim Howard shared his Principal's report for Hoxie Grade School. He discussed enrollment and exits, and also events at the Grade School since the last Board meeting including an integrated art project between the first graders and Jackie Campbell's Junior High Art class, the county spelling bee, with Makenna Heim as the winner and Nick Robben runner up, the pep rally held for the Wrestlers prior to state competition that the entire grade school attended, and the Read and Run Kickoff, spearheaded and made possible and enjoyable by Linda Frazey. He also reported on an opportunity the first and second grade classes had with three respiratory therapy students from Goodland, where they spent half a day listening to and doing hands on activities to learn more about the subject. He gave the Board a list of tentative field trips for a few of the grades, thanked Devan Castle and the Mason's for the outstanding teacher and student awards the presented, and recognized students Tatum Kaiser and Nathan Carmen on their artwork that was featured on the directory of the

KAEA (Kansas Art Education Association). Mark Wildeman shared his Principal's report for Hoxie JR/ SR High. He recapped the HS Wrestling state tournament, results from the MCEL vocal clinic, gave participation numbers for High School Track and Golf and reminded the Board that the local scholarship deadline for seniors is March 15. He then explained at length the potential for next year's MČL Vocal clinic to be held at Beach-Schmidt in Hays, rather than splitting the league into two clinics, they would have all schools in one location. It would be an exciting event that he hopes will be better attended in the future.

Devan Castle gave a brief report on the latest NKESC meeting and minutes from the meeting were provided.

Margery Haas gave a brief legislative update. The Board reviewed the Food

Service Report. Jim Howard shared Superintendent's report. discussed events in the district since the last regular Board meeting which included the Superintendents

Council attended in Oakley and State Wrestling. He also updated the Board on the EVERS Grant, Leadership of Tomorrow program, District Insurance, and progress with Greenhouse Improvements.

Continued on page 11

Bonnie Lager

July 8, 1929 ~ March 8, 2020

Bonita "Bonnie" Catherine (Heim) Lager died on Sunday, March 8, 2020 at the Sheridan County Health Complex in

Bonnie was born on July 8, 1929, at the Hays hospital to Bill and Marie (Mannebach) Heim. The family lived in Leoville, KS and it was there that she met her husband, Alfred "Bud" at a local dance. Bud and Bonnie married on August 23, 1950. Together, they were dairy farmers, living north of Grinnell before moving into Grinnell in 1997.

Bonnie was an avid collector of glassware. She also loved to meet and talk with people, so she took up selling Beeline clothing, Bestline cleaning products, Tri-Chem liquid embroidery, and her favorite, beauty Avon products. Thursday night bingo, a regular card game of pitch or pinochle, and an occasional trip to the casino were great enjoyments for Bonnie. Often, Bud and Bonnie could be seen at local polka dances.

Bonnie was an active member of Altar societies at both Immaculate Conception parish in Grinnell and St. Paul's parish in Angelus. She was a Daughter of Isabella at St. Paul's Church in Angelus

also. Bonnie is survived by her husband, Bud; sons, Ron and his wife Linda, of Grinnell, KS, Father John, of Denver, CO and Mark, of Ventura, CA; her sister Mary Heim Niblock and her husband Don, of Hoxie, KS; brothers, Joe and his wife Sharron, of Indianapolis, IN, Bill and his wife Grace, of San Diego, CA, Don, of Phoenix, AZ and Gerald and his wife Helen, of Hoxie; grandchildren, Julie (Chris) Ribardo, of Bryan, TX, Brenda, of Hays, KS, Nate (Kelly), of Wichita, KS, Father Brian, of Hays, KS, Kevin (Melanie), of Seguin, KS, Marty (Abbie), of Colby, KS, and Austin, of Atchison, KS, and 15 great

grandchildren. She was preceded in death by her parents; sister Eileen; brothers, Jim and Jerome; her daughter Shirley and husband Joe; granddaughters, Annie and Jennie; her infant sons Kevin, Michael and Joseph; granddaughter-in-law, Hannah and great-grandson Matthias.

Visitation was Wednesday, March 11, 2020 at the Immaculate Conception Parish Center in Grinnell, followed by a Vigil. Funeral Mass was Thursday, March 12, 2020 at Immaculate Conception Church in Grinnell followed by burial at St. Paul's parish cemetery, in Angelus. Memorials are suggested to the Capuchin Province of Mid-America, Immaculate Conception Church or the Grinnell Senior Center and can be sent in care of Baalmann Mortuary, PO Box 204, Oakley, KS 67748. For information or condolences visit www. baalmannmortuary.com.

Maggie Zerr

September 27, 1924 ~ March 9, 2020

Margaret "Maggie" E. (Heier) Zerr passed away Monday, March 9, 2020, at the Sheridan County Health Complex Long Term Care, Hoxie, KS at the age of 95. She was born in Park, KS on September 27, 1924 to the late John and Mary (Heisler) Heier. She grew up on a farm south of Park, in Gove County. Maggie attended school in rural Gove County and graduated from 8th grade. Shortly after graduation, her mother passed away, and she stayed home to care for her younger siblings and the home. On February 25, 1946, Margaret Heier was united in marriage to Bernard N. Zerr at the Sacred Heart Catholic Church in Park. They made their home on a farm north of Park and were blessed with five children, two boys and three girls. After Bernard's death, Maggie moved to Hoxie in 1975 where she lived until her death. She was a devout member of the Sacred Heart Catholic Church, of Park, and the St. Frances Cabrini Catholic Church of Hoxie, and

loved her Lord Jesus Christ. Shortly after moving to Hoxie, Maggie went to work as cook for USD 412 Elementary School. She loved her work and retired from the job when she was seventy years old. Maggie was a great cook and baker. One of her specialties was her delicious cinnamon rolls. She grew a large garden, canning much of the produce, as well canning fruit and meat. She also loved to sew and made clothes for her children, and in later years, rugs out of doubleknit material. When Maggie wasn't working, she loved to play cards. She was a member

of the Sacred Heart Alter Society, St. Frances Sodality, and of Park VFW Auxilliary. She always had a smile on her face. Most of all, Maggie loved her family. Each of her children, grandchildren, greatgrandchildren and great-great grandchildren were loved and cherished by her. Maggie is survived by her

children, Ralph Zerr and wife Norma of Park, Bernita Wagoner and husband Ron of Great Bend, Alberta Cameron of Colby, and Eugenia Delzeit of Loveland, CO; 12 grandchildren, 30 greatgrandchildren, and 2 greatgreat grandchildren; and many relatives and friends. was preceded in

She by her husband, death Bernard Zerr; parents, John and Mary Heier; son, Robert Zerr; granddaughter Tamera Wagner, and greatgranddaughter, Trickle; brothers, Anthony Heier, Nicholas Heier, George Heier, Theodore Heier, and Fidelis Heier; and sisters, Clara Uhrich, and Ida Schwarzenberger.

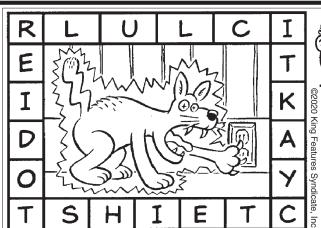

A Mass of Christian Burial is planned for Saturday, March 14, 2020, 10:00 A.M., at the Sacred Heart Catholic Church, Park, Kansas. Interment will follow the service in the Sacred Heart Catholic Cemetery, Park. Visitation will be held on Friday, March 13, 2020 at Mickey-Leopold Funeral Home, Hoxie, from noon until 8:00 P.M. The family will be present to greet friends from 5:30 P.M. until 6:30 P.M. with the Vigil and Rosary Service start at 6:30 P.M. Memorials are suggested to St. Frances Cabrini Catholic Church Sheridan County Hoxie, Health Complex Long Term Care or Masses and may be sent in care of Mickey-Leopold Funeral Home, PO Box 987, Hoxie, Kansas 67740. Words of comfort may be left at www. mickeyleopoldfuneral.com

Maggie was a woman of faith who enjoyed and loved her family with all her heart. If you listen with your heart, you'll hear all her love around you and feel her arms holding you tight. When it is your turn to join her, she will greet you with a smile and welcome you

Continued from page 7

Quinter could score. The Golden Plains team played with energy and led 13-5 at the end of the first. Quinter came back in the second and gained their first lead of the game three minutes before half. The Dogs regained and held on to the lead 19-16 by the end of the second.

The game took a turning point in the third as Golden Plains was only able to put in 5 points throughout the entire quarter. Quinter pushed their way to 14 to take over the lead 30-24.

GP's Wade Rush hit a three to start the fourth making it a 3 point game. Quinter continued to hit their shots extending their lead. As the clock wound down, each time Quinter would score, GP would answer but couldn't break Quinter's 10 point lead. A final basket from Schiltz finished the game with a 45-37 Quinter

Weese again led Golden Plains' scoring with 14 points. Rush added 10, Schiltz 9, Roberto Loya 2, Kole Butts 1, and Jaime Infante 1.

As Regional Runner Up, the Bulldogs, with a 6-18 season record, will travel to Russell on Thursday, March 5, to take on the Greeley County Jackrabbits at 6:00 pm.
