Indians Overcome Buffalos  
in Defensive Battle

By Luke Schippers

The Hoxie Indians won Friday night's contest on Sept. 22 against the Atwood-Rawlins County Buffalos 22-6, but were forced to play a full game for the first time this season.

The Buffalos won the toss and decided to defer to the second half, and the Indians elected to receive the opening kick. But the Buffalo defense was tough and forced a three-and-out punt. The Buffalos tried to pass on their first drive, but the Indians' coverage held up and forced a punt. On the next drive, the Indians drove down the field but fumbled on a quarterback to running back exchange. Shortly after, the Rawlins County center snapped the ball over the quarterback's head, and junior defensive end Jarrod Dible recovered the ball. The Indians drove a little farther down field until junior quarterback Jared

Kennedy threw an interception. The Indian defense missed a couple of tackles on a long run by the Buffalos and they scored. The Indian defense held strong and stopped the two-point conversion. Rawlins County took a 0-6 lead. The Buffalo defense held and forced another punt by the Indians. Senior Troyal Burris pinned the Buffalos deep, with senior Latham Schwarz downing the ball on the one-yard line, as time expired in the first quarter.

In the second quarter, the Buffalos were pinned deep into their own territory, and the Indians stopped all of the run attempts and forced a punt. Schwarz blocked the punt attempt and it rolled out of the back of the end zone, giving the Indians a two-point safety. This changed the score to 2-6. Senior Troyal Burris returned the kick to the 25-yard line. The first run play, Schwarz broke through a

swarm of Buffalo defenders and scored. Schwarz also rushed in for the two-point conversion. The Indians took the lead with a score of 10-6.

Junior Taye Washington booted the ball down the field on the kick, and the Buffalos started their drive on their 20-yard line. The stout defense for the Indians forced a Rawlins County punt and started their drive on their 18-yard line. Schwarz rushed in from the one-yard line, but was stuffed on the two-point conversion. The Indians now held a 16-6 lead. Washington pinned the Buffalos deep on the kick again. Senior linebacker Taylor Burris intercepted a Rawlins County pass late into their drive. Kennedy's pass was again intercepted. The Indians held the Buffalos until halftime.

The Buffalos received the kick to start the second half. They drove down field but eventually the Indian defense forced a turnover on downs. The Indians took over at their own 10-yard line. The Buffalos forced another

Indian punt, and they took over on their own 20-yard line. The Buffalos drove down the field, and eventually scored a touchdown, although it was negated by a holding call. The Indian defense forced another turnover on downs. The Buffalo defense held tight and forced another Indian punt by Troyal Burris. The Indians held tight again and forced a Buffalo punt, as the third quarter ended.

On the first drive of the fourth quarter, the Buffalos forced a punt from the Indians, and took over on their own 20-yard line. Junior Logan Weimer intercepted a pass from the Buffalos, but the Buffalos forced another Indian punt. The Buffalos were then forced to punt after a tough Indian defensive stand. Hoxie drove down the field and senior Chris Cox ran in from the one for a touchdown, but Kennedy's pass fell incomplete on the two-point conversion try. The Indians now led 22-6, which was the final score.

## Angelus 4-H Club

By Linda Lager

Mother Teresa of Calcutta was a favorite source for inspirational quotes for those answering roll call at the September meeting of the Angelus 4-H Club. The meeting was called to order by president Jordan Ostmeyer at 7:15 in the Angelus church basement. Eleven members and eight adults answered the roll call. Lily Rumbach led the club in singing "Ba, Ba, Black Sheep". Laural Rumbach read last month's minutes and they were approved as corrected. The treasurer's report was given-the peach sales were a success and the club made a profit of \$77.00 when they served the dinner at the golf course. Jordan and Isabella Ostmeyer gave a report on the last Council meeting which included a reminder that Council will pay the enrollment fee for all members, there will be three herdsman clinics scheduled, the Council needs two adults and two members to review the Council's 4-H policies, the Achievement Banquet will be November 12

at 5:00, and record books are due October 9. Club leader, Amanda Ostmeyer, handed out fair premiums and reminded the club to be thinking of someone our club would like to recognize as a friend of 4-H at the Achievement Banquet. Isabella and Jordan were congratulated for the awards they won at the State fair with their horse entries. Linda Lager volunteered to help any member complete their record books. Isabella, chair of the 4-H Sunday committee, stated we would serve breakfast on October 8 in the K of C hall in Angelus to celebrate 4-H Week. Members then updated their books by recording all they had accomplished since the last meeting. Aubrey Egbert explained how she made her water color of a cell and her ceramic Halloween box. Jordan gave the members tips on how he showed the different animal species during the Round Robin competition at the county fair. Nick Egbert lead members in a memory game called "Who's Missing". The next meeting will be after the breakfast on October 8.

**Some Good Dishes**  
Lima beans, fresh or dried, make most substantial dishes served in various ways.  
**Lima Beans a la Poulette** - Shell sufficient young lima beans to make a pint, cover with boiling salted water and cook until tender. Pour off all but a half cupful of the water and add one cupful of rich milk. Mix a little cold milk with a tablespoonful of flour and stir into the milk; cook five minutes, add salt and pepper to taste, a few drops of onion sauce, two beaten eggs, one teaspoonful of butter and the same amount of chopped parsley.  
**Vegetable Soup** - Cut into half-inch dice sufficient carrot and turnip to measure one third of a cupful each; cut one-half of celery into pieces, dice one and a half cupfuls of potato, and slice one-half on an onion. Put three tablespoonfuls of butter in a stewpan, add the vegetables, cover and cook 15 minutes. Add a quart of water and cook for an hour. Season with salt and pepper and serve

Hoxie  
Farmers'  
Market  
News

By Viktorija Briggs  
The last Market of the season was chilly, windy, a little drizzly early on, and a slow day all-around. But it was still fun to visit with each other and those who stopped by.

There were only Jams, Jellies & More, C-Bar, and my booth, all of which were a bit light on the goodies, but enough to supply those who came by to find what they were looking for.  
We're still up in the air as to whether or not we'll do much during the off-season, but a suggestion was made that we do so in November & December for those looking for gift items for their Christmas presents. We like the idea, so we'll be sure to keep you informed when and if we do.  
The Hoxie Farmers' Market would like to thank all of our loyal patrons, our vendors, and those who may only voice their support. We have ideas and plans that are still being worked on, which we'll keep you up-to-date with as they occur. The Market Board members wish everyone a great holiday season, and we'll see you next year!

An Apple a Day...

The very versatile apple is delicious and nutritious, and can be eaten in a multitude of ways. Here are just a few you may not have even thought of!  
**On the Grill**  
Apples barbecue with the best of 'em. Cut half-inch thick slices of apple and oil them with cooking spray. Grill over medium heat until grill marks form and the apples are tender. Grilled apples go well with chicken, or try them in a sweet potato salad. For two servings, grill apple slices until tender. Let cool slightly and then mix with diced cooked sweet potato. Toss with apple cider vinegar, sliced scallions, and raisins for a side dish that goes very well with grilled pork tenderloin.  
**Soup It Up**  
Apples partner wonderfully with vegetables in soups. How you select your apple depends on whether you are aiming for a chunky or a smooth soup. Cortland and McIntosh varieties will break down while cooking, whereas Granny Smith and Braeburn apples will hold their shape. Try making a root vegetable bisque by cooking peeled apples, carrots, parsnips, and celery

with a garnish of parsley.  
**Veal Hash** - Chop a piece of cooked veal fine. To a pint of the chopped meat allow a teaspoonful of onion juice, a teaspoonful of salt, one-third of a teaspoonful of paprika, one teaspoonful of Worcestershire sauce, and a tablespoonful of tomato catsup. Melt a tablespoonful of drippings in a frying pan, moisten the meat with gravy, add seasonings and spread in the pan. Spread over the top one teaspoonful of drippings and cook slowly for 15 minutes; it should be moist. Heap the hash on buttered toast and place a poached egg on each.  
**Peach Trifle** - Boil together for five minutes a cupful of sugar and one cupful of water with the stones from a quart of peaches. Allow the stones to stand in the sirup for ten minutes. Skim them out and lay in the peeled peaches, stewing until tender. Line a dish with cake soaked in any fruit, add the peaches and cover with whipped cream sweetened and

**A Sprouting Seed**  
*By Micah Howery*  
While browsing the internet one evening, I ran across a collection of pictures of fruit that had sprouted with the seeds still inside the fruit. I did some research and discovered that these were not faked. Seeds can sprout inside the fruit given the right conditions. And that got me thinking.  
Seeds contain everything they need to sprout, and grow a "seedling" complete with root, stem and at least two leaves. The parent plant saves up enough stored energy within the tiny seed for all that growth without any extra energy from the sun. That's how they can sprout inside the fruit even though there is no light within.  
But, to reach the sunlight, the seed has to spend all of that saved energy. It is trusting that, when its stores are used up, there will be sunlight to power the fledgling plant. If there is not, the seedling will die very quickly. This is why using thick plastic can prevent weeds. The weed seeds still sprout and grow for a bit, but eventually run out of energy without the sun to keep them going.  
Jesus, when speaking to His disciples, said, "Very truly I tell you, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds." He was speaking of Himself and the death He knew approached, but then He said, "Anyone who loves their life will lose it, while anyone who hates their life in this world will keep it for eternal life."  
So, was Jesus speaking of Himself or of anyone? Both! Because Jesus died, the Father can now have many children adopted from humanity. But the same goes for us. If we want to have eternal life, and more, spread that life to

others, we, too must die.  
Like seeds, we must sprout, grow a root, a stem and a few leaves in order to reach the sunlight. But that means giving up everything we have in order to reach the sun. We can't keep part of ourselves in reserve or we won't make it out of the soil. Besides that, the devil is ready with thick plastic of materialism, secularism, pleasure and distractions. He knows that if he can keep us from the light, we will die on our own.  
Now, be careful with this metaphor. We do not "earn" the light of God by our great effort of sprouting. Our sprouting is nothing more than the sacrifice, or "giving up" of ourselves. We don't accomplish any great thing than taking up our cross and following Him. But, if we don't do that part, and do it in full, we will never reach the sun.  
I know far too many people who claim to trust Jesus but have never died to themselves. Their lives are still about their plans, their family, their fun, their stuff and their ideas. Like an obstinate seed, they are holding on to their own power and life and thus, don't have enough left to sprout the leaves needed to be empowered by God.  
Do you know what happens to those seeds? They don't get to keep that stored energy they so jealously keep to themselves. No, the bacteria and fungus in the soil eat it up for them. This is what happens in a "dud" seed. It doesn't grow; it rots. And, that is the life which is not given up to God. It rots while the precious "self" turns sour, angry, bitter, hopeless and depressed.  
Whether or not we claim to be Christians, if we do not surrender everything to God, we will never reach the sunlight, and the decay of this world will crawl into our hearts and rot us from the inside.  
Don't hold onto yourself, your ways, your priorities or desires. Let your kernel of life die to self and sprout, using up everything you are, until you reach the sunlight and can grow into a mighty grapevine, bearing fruit for the Father's kingdom.

# Now & Then

Compiled by Rachel Farber

*From The Golden Belt,  
Grinnell  
October 2, 1886*

Rev. L. A. Dugger was in town Monday.

Mrs. VanMarter was a pleasant caller at the *Belt* office this week Wednesday.

The roof of the Arlington has received a coat of paint, which improves its appearance greatly.

Mr. and Mrs. John W. Hopkins, of Grainfield, were visiting friends in the burg Sunday last.

J. F. Rigg will build a 16 x 24 house on his claim sometime in the near future. It is supposed he has two "claims," one for the house to go on and one to go in the house.

Will Judge Benson please inform the people what has become of that \$10,000 court house which he was carrying around on paper and exhibiting to the people a short time since? We are fearful this is like some of the offices which the Judge was peddling out to the people. We should like to hear of the Judge depositing in bank this \$10,000. We know he will not be able to deliver the offices promised in as much as he has failed to mugwump the republican and democratic parties.

E. T. Smith is moving his house to his claim, two miles northeast of town.

As we go to press (Friday p.m.) a prairie fire is raging south of us. We should think that after so many destructive fires had swept over the country that it would be a warning to all.

Mrs. A. S. Wiggins, Mrs. S. S. Sponsler, Mr. and Mrs. J. Chambers gave the *Belt* office a pleasant call Wednesday last.

A. L. Troutman took a drive to Hoxie Tuesday, taking in the town and visited the Troutman ranch. He reports things lively in the burg and cattle at the ranch in good condition.

Dr. J. H. Jones has sold his drug store to his son, O. B., and Bruce Sanders, and after Wednesday next the firm will be known as Jones & Sanders. Look at what this firm will have to say in our next issue.

Mr. S. M. Vanover has secured a claim close to town for his cousin, Mr. Wm. Harper, who now lives at Edwards, Ill., but who, in the spring, will be "one among us." Mr. H. will be welcomed to the land of plenty.

Kent is arranging to shelve his entire store. He carries such an immense assortment of goods that it takes lots a shelve room to display them. He keeps what might properly be termed an "anything-you-want" kind of a store.

*125 Years Ago  
October 6, 1892*

Henry Long, of Rexford, was here Monday.

Uncle Jack Sloan was down from Guy Saturday.

C. H. Beers returned Friday from his eastern trip.

Dr. Hall at the Ellithorpe House for two weeks.

A. J. Massengill and wife are enjoying a visit from their daughter, Mrs. Dickinson, of Illinois.

County Attorney Hedge has returned from his Indiana trip. His daughter whom we mentioned a few weeks ago as being very sick, returned with him.

Otis Jackson left the latter part of last week for Colorado, where he will teach the coming winter. Mr. Jackson is one of our very best educators and always commands the best schools and prices.

John Maxwell, editor-in-chief of the *Palladium*, came in from the farm Saturday to see how the paper was progressing and buy some groceries. John's corps of editorial assistants take most of the hard labor of writing "leaders" off from his shoulders and allow him to look after his big crop of broom corn. Speaking of broom corn, a non-resident owner of land adjoining John, offered

(Photo courtesy of Sheridan County Historical Society)

him one dollar per acre and the sod crop to break it. John accepted the offer and planted it to broom corn and now says that every acre of that breaking will net him \$10. We call this doing pretty well for the editor of a paper which preaches that we are standing on the brink of three separate and distinct kinds of ruin. Plutocratic editors aren't in it.

A little child of Ed Lucas', of Bloomfield township, died last Friday.

Mr. and Mrs. Woodworth, of Iowa, are visiting their nephew, J. M. Woodworth.

The dance at the Opera Hall of Friday night is said to have been a social success.

Prof. Johnson's family arrived this week and they are now living in the Tucker house.

Jacob Huigan, that staunch old Republican of Saline township, was in the city Saturday.

You saw Basswood Baker last Friday. Come out and see and hear his successor on the 18<sup>th</sup>.

Miss Amanda Brooks, our next Superintendent of Public instructions, was in the city Saturday and made us a short call.

Strayed - From my farm six miles east of Hoxie, two brown horses, weight about 1,300, both had head stalls and one was dragging a rope. Any information of their whereabouts will be rewarded by, J. V. Nelson.

**Phelps and Vicinity**  
Mrs. Fred Simons spent Saturday in Quinter.  
Messrs. Pratt and Brandram of Museum, visited Mr. Pleasant Sunday school, Sunday.

Miss Emma Wills is teaching at the Star school house in Graham county.  
There will be a dance at the school house in District 49 Friday night.

**Hoxie Treats Dresden to Complete Shut-Out**

Hoxie Juniors Takes Loosely Played Game From Morland.

It is not usual that Hoxie treats the visiting team as they did the Dresden boys here last Sunday when they shut them out without a single score, and not having a bit of mercy in their hearts they played merry-

## News from the Outside

By John Liester

Here we are again! Another week has passed, and the living is good. My daughter and I got into more doves, although they are figuring out our game. Time to change up a bit.

The fishing has been awesome! I have been catching some really good catfish. Last trip saw two five pounders and a thirteen pounder. Also, had four break my line. Before Friday all my reels will have new line on them.

My favorite seasons are coming! Ducks start this weekend, and geese at the end of the month. Really looking forward to hunting with my daughter this season! She has come a long way. She shoots better than a lot of guys I know.

Fishing reports are good at the area lakes. My friend at Milford is catching some monster catfish there. He considers forty pounds small! All catch and release!

Lots of deer out there. I've seen a few big ones taken. So far a doe is all I have taken.

Well, time to wrap this up until next week. My prayers go out to the victims and families in Las Vegas. You can bet the gun grabbers will be out in force. Don't give in.

There were six members present: Sharon Maurath, Judy Watkins, Leona Feldt, Gayle Bremenkamp, Shirley Popp and Kay Weber. We also had two guests in attendance: Dee Ann Smith of Oakley and Sherri Smith of Hays.

The meeting began in ritualistic order: Pledge of Allegiance, American Creed, and Preamble to the Constitution.

Roll call was answered with our favorite quilt pattern.

Sherri Smith was introduced as our Assistant Northwest Director. She shared some of the information she has gathered at other visits to Chapter meetings throughout the Northwest part of the State. There are plans for a joint meeting in Hays in October 2018 for a visit from the KSDAR Regent. She mentioned that Goodland will be dedicating a plaque in the Goodland City Cemetery for all Veterans on November 11, 2017, mountain time. April 2018 will be the 100<sup>th</sup> anniversary of the American Creed. There may be a service project of various groups and organizations for the clean-up of the Veteran's Cemetery in WaKeeney from the hail and storm damage in August.

Reports given were: President General's Message, Treasurer's report, Indian Minute, Constitution Minute, Conservation Minute, and Nation Defense Report.

We are losing two members to transfer to Chapters closer to their residence: Sarah Smoots and Susan Heminger, both in Washington.

There was approval of the minutes from April, our last meeting and also an updated Treasurer's Report.

Composition contest reports are being made available to students in grades 5-8 in the schools of our membership.

Delegates for the State DAR Conference in April 2018 will be Gayle Bremenkamp and Cheryl Goetz. Sharon Maurath will be the alternate.

Kay Weber showed a quilt she had pieced and appliqued that had flags/banners of the Revolutionary War. They represented various states or areas of states in connection to the Revolutionary War.

Our October meeting will be at the home of Gayle Bremenkamp. We dismissed, repeating the DAR Prayer in unison.

## No. 20 Lady Trojans Take Down Garden City

Wednesday night the Colby Community College volleyball team bounced back from Saturday's defeat against Seward County with a convincing Jayhawk Conference win over Garden City at the Colby Community Building. The Lady Trojans, ranked No. 20 in the NJCAA again this week, took down the Broncbusters in three sets, 25-17, 25-19 and 25-17.

Colby (17-3, 7-1) built an early 6-3 lead in set one. Unforced errors allowed Garden City (3-17, 1-6) to stay within four points for a while until the lead stretched to 21-16. After a Garden City timeout, the Lady Trojans closed on a 4-1 run.

The second set followed a similar pattern. Three consecutive service aces to start the game helped build an 11-6 lead. The Broncbusters chipped away and closed the gap to 20-19. It would be their last points, as Colby rolled off the next five to win 25-19.

The Lady Trojans carried the momentum into the third set, cruising to a 14-3 lead. When the score reached 18-8 the Broncbusters called timeout and mounted a rally to draw within six, but Colby regrouped and went on to win 25-17.

Colby had a balanced attack. Brennah Gaston and Brynn Niblock each had eight kills, Julie Archer and Kristina Mamic both contributed seven, and Melanie Loiseau added 30 assists. Defensively, Nina Gorgijevska tallied 16 digs, and Kristina Mamic had four blocks.

There is a quick turnaround for the Lady Trojans as they play at Dodge City (15-8, 2-5) Friday at 6:30 p.m. Colby's next home action is Oct. 4 for a 6:30 p.m. start with Barton Community College.

## An Apple a Day...

Continued from page 3

root (if you can find it) together. When the vegetables are tender, puree and add enough water to get the consistency you like. Serve with a dollop of fat-free Greek yogurt and some minced fresh thyme.

If you like a chunkier, stick-to-your-ribs option, try simmering chopped apples (skin on or off, your choice) with leeks, carrots, and cubed chicken. When the vegetables are tender, add a splash of fat-free half-and-half and a generous grinding of fresh black pepper.

### Applesauce Dressing

Unsweetered applesauce can be a major player in reducing fat in recipes, while maintaining a rich consistency. It's a go-to ingredient for low-fat baking, but can also be used as an oil replacer outside of the oven. Try substituting applesauce for oil in sauces and salad dressings.

Substitute applesauce in an equal, or slightly less, quantity in any dressing that calls for oil. Whisking together a few tablespoons of red wine vinegar, a quarter cup of applesauce, a pinch of salt, and a few tablespoons of minced basil can make a delicious dressing. Try this dressing drizzled over steamed vegetables or fish.

### Crunchy Apple Salad

Apple salads add a crunchy, vibrant element to the plate. Branch out beyond typical flavors by making an apple version of som tum, a Thai green papaya salad. Use crunchy, tart apples (like Granny Smiths) for this recipe. Grate the apples (leave the skins on) and toss with lime juice, shreds of carrot, some fish sauce (if you have it), as much chopped fresh chili as you like, and a pinch of brown sugar. Garnish with toasted peanuts and cilantro. Serve topped with grilled or baked salmon to make this salad a complete meal.

## Weather Sayings

By John Schlageck, Kansas Farm Bureau

For the first time, last week a touch of fall filled the early morning air. With the coming of autumn and approach of winter, it's fun to recall some of the time-tested weather sayings.

Many of the following weather signs were collected while talking to farmers and ranchers across the state. It seems there is very little people would rather talk about than the weather.

So, let's talk weather. Clear moon, frost soon.

Dense fog at dawn is a sign of clearing skies by mid-morning.

The absence of birds around water denotes an approaching storm.

White, fluffy, small clouds are a sign of fair weather ahead.

During the winter season, strong northerly winds indicate snow and sometimes a blizzard within 24 hours. Southerly winds are a sign of dry, warmer weather.

When cattle stand in a line with their backs toward the northwest, you can figure on a heavy, driving snow.

Odors become easier to detect just before rain. High pressure usually traps odors like a lid due to air density, while lowering pressure releases odors.

When you see lightning in the north, rain is likely within 24 hours.

When distant sounds appear louder, rain is usually on the way.

Rising smoke is a fair-weather sign. When you see smoke

going downward or showing very little rise, rain is likely.

Birds perch more before a storm because the low barometric pressure makes it more difficult for them to fly. When you see hawks circling high in the sky, this is a fair-weather sign.

When frogs begin to croak, look out for rain.

Hens and other barnyard fowl pick at themselves - oiling their feathers - just before a rain.

Lots of dead skunks on the road mean plenty of moisture is on the way. Another good sign of approaching wet weather is the aggravation of corns, bunions or arthritis pains.

These signs are surprisingly accurate because they are based on generations of farmers, ranchers and other people who have observed cyclical changes in the weather.

Today, meteorologists watch weather patterns via satellites. Much of what these satellites detect while orbiting the earth hundreds of miles overhead, we can see by listening to the radio, watching television or checking our smart phones.

There is plenty to be said for the folk wisdom of our ancestors. They watched and charted weather patterns for generations rather than just a few hours or days. It's fun to hear their conclusions handed down from one generation to the next, and anyway, what would we have to talk about if not for the weather?

John Schlageck is a leading commentator on agriculture and rural Kansas. Born and raised on a diversified farm in northwestern Kansas, his writing reflects a lifetime of experience, knowledge and passion.

## Crop Update

By week's end, 90 percent of the sorghum was at or beyond the coloring stage, three percentage points behind last year but equal to the five-year average. Crop maturity advanced to 52 percent complete by September 24, eight percentage points behind last year and two points behind the five-year average. Nationwide, 32 percent of the crop was harvested by week's end, slightly behind both last year and the five-year average. Overall, 64 percent of the sorghum was reported in good to excellent condition, down slightly from last week and two percentage points lower than at the same time last year.

## Export Report

Export commitments were strong this week with China and Japan committing to purchase 2.4 million bushels. This brings total commitments to 47 million, 22 percent of the USDA export target just three weeks into the marketing year. Price has begun to respond to this demand with interior terminal bids from central Kansas to central south Dakota nearing or equaling corn. Western plains basis has seen strengthening, as well. Gulf basis remains firm with sorghum bids for November delivery at 117 percent of corn or \$4.75 per bushel.

## Kansas Crop Progress and Condition

For the week ending October 1, 2017, an inch or more of rain fell across western and central Kansas, while much

## Cross Country Runs at Hill City

By Peggy Eland and Tom Friess

One varsity runner and three junior varsity runners completed at Hill City on Sept. 21. Junior Sean Robben placed 21<sup>st</sup> in the varsity race, sophomore Parker Jones placed third in the junior varsity boys race, freshman Karlee Geisinger placed third and junior Halie Weese placed fourth in the junior varsity girls race.

"Another hot and windy day once again forced a conservative approach to race day. We did, however, welcome back Halie Weese to race after missing a week with some knee trouble. She was able to run her way to a fourth place medal finishing right behind Karlee's third place finish, which was her new personal record. Halie was a kind of surprise as she showed she was more fit than I expected, but Karlee has had a couple weeks of totally, absolutely lights out practices which she was able to translate into a great time despite the conditions. In the boys race we had Sean run to a 21<sup>st</sup> place finish in the varsity race as he was just off his PR. He once again showed real resolve as he had to make his own moves because the hills that he ran so well at WaKeeney were not to be found in the right places to make a big move on at the Hill City course. Parker placed third in the JV race and ran really well throughout much of the race. He was able to shake off some rough spots and kept moving well but was caught at the finish line when his gas gauge showed empty about 20 meters too soon.

"We hope to continue our successful 'Trial by Miles' at Oberlin. Here the middle school boys will also once again see action as they will race two miles. Our training is about to switch to more quality vs quantity as we pass the halfway point and approach the league and regional meets," said Coach Tom Friess.

Sean Robben 21<sup>st</sup> place Varsity 20:57; Parker Jones 3<sup>rd</sup> place JV 22:18; Karlee Geisinger 3<sup>rd</sup> place JV 28:58; Halie Weese 4<sup>th</sup> place JV 29:28.

## Last Home Game for the Lady Indians

By Rebekah Castle

Thursday, Sept. 28, was a big night for the Lady Indians. Not only was it their last home game, it was also Senior Night and Pink Night. The Lady Indians held a silent auction consisting of baked goods during their matches to raise money for the Sheridan County Benefit Walk. The three seniors on the team, Rebekah Castle, Brooke Dorenkamp, and Lilly Schamberger, were also honored on Thursday.

The last home triangular for the Indians hosted the St. Francis Indians and the Dighton Hornets. The first match for the Lady Indians was against the St. Francis Indians. Hoxie completed the match in two sets, coming out on top for the second time against St. Francis. The set scores are as follows: 25-23 in the first and

Freshman Karlee Geisinger placed first and junior Halie Weese placed second in the girls' junior varsity cross country meet in Oberlin on Sept. 26. In the boys' race, junior Sean Robben placed 24<sup>th</sup> in the varsity race and sophomore Parker Jones placed 14<sup>th</sup> in the junior varsity race.

We finally got the weather to cooperate and that made the races really competitive all around. Both Karlee and Halie had awesome races as both ran their way to new season bests. Karlee smashed hers by over three minutes and Halie was almost a minute faster. Their efforts earned them a one-two finish with Karlee getting the upper hand. Sean got off to a slow start and really never found his rhythm as he looked

## Indians Go to Work

By Rebekah Castle

This past Tuesday, Sept. 26, the Lady Indians traveled to Dighton to take on the home team, the Hornets, and the Lady Bulldogs of Quinter. The first win of the night for the Lady Indians was against the Lady Hornets. The match went into three sets, but the Indians came out on top for the second time against the Hornets. Set scores went as follows: 25-11 in the

second set.

The last match of the night for the Indians was against the Hornets. Both teams had seen each other two days prior at Dighton's home triangular where the Indians defeated the Hornets in three sets. This is the nature of racing for young runners... that is why we always look forward to the next starting line and that new beginning. We are preparing now for the last three meets of the season and our team looks forward to the challenges that those races will present as we continue to practice hard to be able to better tolerate anything that is thrown at us on race day.

The Golden Plains Lady Bulldogs competed in a quad against Cheylin, Quinter, and Heartland Christian on September 19 in Colby. GP lost the first two matches to Cheylin and Quinter, but pulled together for the win against Heartland Christian.

Bulldogs came out on top 27-25. In the second set, Cheylin pushed their way through and won the set 25-19. Keeping the game close the Cougars pulled out the win for the third set 25-19.

The second match of the night was played against the Quinter Bulldogs. In a tough match GP fought hard, but fell short, giving Quinter the win of 25-14, 25-11. In the last match of the night the Lady Bulldogs played Heartland Christian. GPHS started off strong and played tough all the way through the first set, winning 25-9. In the second set, the Bulldogs let them back in the game, but held them up and won the second set 25-19, making that the only win of the night. "I feel like we had an off night and weren't playing to the best of our abilities," said Noel Ritter. "But I feel like we finished the night on a high note with the win against Heartland."

The Golden Plains Lady Bulldogs will travel to Weskan to play in a quad on Saturday, September 23, against the Weskan Coyotes, the Sharon Springs Wildcats, and the Greeley County Jackrabbits.

Next the Bulldogs took on the Wildcats. The first set was very back and forth with a score of 13-13. The teams continued with great volleys, ending the first set with a GP loss 22-25. The second set started with a serving run from Maggi Nieman, making the score 6-3. The teams stayed close before a Golden Plains timeout with the score 10-13. The girls seemed out of rhythm for the remainder of this set, losing 16-25. "We fought hard and executed well," said Maggi Nieman. "I think we just relaxed too much at the end of this match."

The Golden Plains Lady Bulldogs won two matches in Colby on September 26 defeating both Heartland Christian and Christian Family Educators in two sets each.

The first match was against Heartland in a closely contested set. The Bulldogs would gain a slight lead only to have the Crusaders catch up and take the lead. The game was tied at 10 and again at 19 as the Bulldogs couldn't quite pull away for the Crusaders. The 'Dogs finally pulled ahead hanging on for the first set win 25-21.

The Bulldogs regrouped as they switched sides and took control of the set with a series of ACE serves from Noel Ritter and Jennifer Esparza to lead 16-5. Brooke Stoll added her serving power to the team along with Malilah Green's to win the set and the match 25-9.

The second game was against the Christian Family Educators. The CFE Falcons played with heart and enthusiasm but

were no match for the Bulldogs serving power as Maggi Nieman led off with a 5-1 run. Getting the serve back, the Bulldogs couldn't be stopped as they earned a 25-4 win. The second set was all Bulldogs as Nieman served 13 straight to start the game. Coach Orba Smith worked in her younger players as Green contributed her muscle behind the line before the Falcons got a score. Riley Korte added a six-point streak as the Bulldogs won the second set and match 25-3.

"It was fun to play this game," said Korte. "We played very well; the entire team worked together for the wins." The Lady 'Dogs will get a rare Saturday off before travelling to Winona to play Triplains/Brewster and Northern Valley on October 3.

The MS Dogs are still looking for a win after their game against Logan/Palco on September 21 in Rexford. They are 0-4 now after their loss against the Trojans, 0-46.

Although they weren't able to score on the Trojans, the Bulldogs were able to hold the Trojans back a bit in defense. Logan was able to take advantage of the Bulldogs leading 0-24 in the first quarter.

In the second quarter, the 'Dogs made more of a forward

movement with the ball. Their defense improved and kept the Trojans out of the end zone. The game ended near the end of the third quarter with a score of 0-46 with less than a minute left on the clock.

"The Bulldogs were outmanned," said Coach Russ Aumiller, "but they did not give up." The 'Dogs will look for their first win against Heartland Christian on September 28 as they play the remainder of their season as flag games.

## Team Effort Earns Bulldog Win

By Judy Rogers

The Golden Plains Bulldogs won their second game of the season when they travelled to Ransom to play the Western Plains Bobcats on September 22 with a 56-0 score by the end of the first half. "This was a fun game," said junior Caleb Korte. "It was great having everyone get playing time." "I was excited and pumped up ready to play," added senior Larry Radovich.

The Bobcats won the toss and elected to receive. The Bulldogs stopped them allowing them to take over on the 13-yard line. Caleb Korte quickly carried the ball over the goal line to give the 'Dogs a 6-0 lead.

The Bobcats made a few short gains, but defensive play by Korte, Harley Weese, and Jaime Infante forced them to punt. Weese then ran in the ball with Korte lead blocking for him. Weese also ran in the PAT to give the 'Dogs a 13-point lead.

The Bulldog defense proved to be no match for the Bobcats with Miguel Monge and Larry Radovich tackling their runner for a loss. They Bobcats fumbled and

Weese recovered. Weese added another touchdown run with a PAT run in by Josh Spresser for the 20-point lead. The Bulldogs recovered the kick back to the Bobcats and quickly converted for a score with runs by Weese and a score by Korte. The 'Dogs led 26-0 at the end of the first quarter.

The Bulldogs continued to control the scoreboard in the second as a full team effort was played out on the field. Tackles by Wade Rush, Korte, Infante, and Weese kept the Bobcats from making gains. Quarterback Jacob Ritter passed the ball to Weese for a short run, then to Korte for a first down. Weese ran the ball to the five as Korte completed the drive in the end zone. The successful PAT by Spresser extended the Bulldog lead to 33.

The Bobcats tried to carry the ball, but Korte knocked the ball loose and recovered the fumble to regain possession for the Bulldogs. Radovich ran the ball a few times and the 'Dogs attempted a field goal that fell short of the uprights. Another Bobcat fumble was recovered by Spresser. Korte

and Weese had a few short gains before Weese passed to Nolan Ritter in the end zone with under two minutes to the half. Ritter then kicked the ball over the goal post for a 2-point conversion and a 41-point Bulldog lead.

The Bobcats worked to make a few short gains, but an intentional grounding in the end zone gave the Bulldogs a two-point safety. Korte caught another ball from Weese and ran over the goal line as the clock clicked down. With just seconds left to play, the kick off to the Bobcats bounced off a receiver and was recovered by the 'Dogs. Josh Spresser ran in the touchdown with a PAT run by Austin Patmon to finish the game at the half with a 56-0 win for the Bulldogs. "It was a good win," said Josh Spresser. "It felt good to get my first touchdown

of the season; hopefully, there will be more to come."

"It's always nice to get a win," said Coach Travis Smith. "It's even better to get everyone in the game." The 'Dogs all played well with tackles coming from Harley Weese-6, Caleb Korte-5, Nolan Ritter-5, Wade Rush-4, Jaime Infante-3, Josh Spresser-3, Chucky Hernandez-2, Toby Korte-2, Larry Radovich-2, Miguel Monge-2, and Chris Stoltz-1.

Rushing yards were gained by Weese-93, C. Korte-80, J. Spresser-53, Radovich-4, and Patmon-2 with Weese scoring 2 TDs, Korte 3 TDs, and Spresser 1 TD. Weese also passed for 51 yards and 2 TDs with Nolan Ritter receiving 1 TD and C. Korte receiving 1 TD.

"Have smart phones destroyed a generation?" This is the title of an article Jean Twenge published in *The Atlantic* (google it). She notes that kids physically safer, that they are less likely to be in a car accident or try tobacco or be sexually active. But the downside to this is they are much more likely to spend all their time in their bedrooms on their cell phones. Kids would rather use social media than actually talk to one another, and this is part of the reason kids are so vulnerable psychologically. This may not be true in western Kansas, but kids are even getting their driver's license much later. Check out the article.

## Julie Schlick

Goodland, Kansas, resident, Julie Lee Schlick, 78, died Sunday, September 24, 2017, at the Medical Center of Aurora, in Aurora, Colorado.

She was born March 29, 1939, in Drumright, OK, the daughter of Bonnie Lee (Hawkins) and Ferris Pete Saffa. She attended elementary and secondary schools in Drumright and later completed a one-year accounting vocational training program in Salina, KS, before establishing residence in Hays, KS. There she eventually met and married her husband, Ralph George Schlick on November 22, 1962. During the first six years of their lives together they welcomed into their lives their three daughters, Mary, Betty, and Suzie and lived for a time in the Kansas communities of Hays, Salina, and Pratt and Tulsa, OK. Eventually, they settled in Hays in 1968 and lived for nearly 45 years before moving to assisted living at Wheat Ridge Acres in Goodland, KS, starting in 2014. Altogether, Julie and Ralph enjoyed 53 years of marriage before his departing a year and a half ago.

Besides raising her three daughters, Julie worked various part-time secretarial and restaurant service jobs until 1973 when she and Ralph became mobile home park managers of Countryside Estates and Countryside West in Hays and did so for almost ten years. During her leisure time she enjoyed tending to her flowers, playing cards with friends, engaging in various craft projects, and reading.

Throughout her life, people described Julie as a one-of-a-kind lady who often surprised people by her directness and attention to detail. Not everyone appreciated her outspoken nature, but if someone were wise enough to look past her sometimes "sparky" exterior, he/she recognized in Julie a person who experienced a lot of early life pain who was doing her best to move beyond it. She was a very caring, loving person for whom family, loyalty, responsibility and justice mattered deeply. More than probably anything else, she was most proud of her loving husband, daughters and grandchildren.

Preceding her in death were her parents, siblings Joseph Michael and an infant brother, son-in-law, Tom Rohr, and husband, Ralph.

Surviving family includes daughters Mary Warren and her husband Craig of Salina; Betty Rohr of Cedar Rapids, Iowa; Suzie Reichert and her husband, Keith of Denver, CO; five grandchildren: Anthony Warren, Jessica Warren, Anthony Rohr, Katrina Rohr, Sheldon Nelson; and five great-grandchildren.

Funeral service will be Thursday, September 28, 2017 at 2:00pm MT, at the Koons-Russell Funeral Home in Goodland, with Pastor Doug Amend presiding. Burial will follow in the Goodland Cemetery.

Family and friends may share their respects on Wednesday, 5:00pm-7:00pm at the funeral home, or Thursday before the funeral, 1:00pm-2:00pm.

Memorials may be designated to the Julie Schlick Memorial and may be left at the service or mailed to Koons-Russell Funeral Home, 211 North Main, Goodland, KS. 67735-1555.

Funeral services were entrusted to Koons-Russell Funeral Home in Goodland, KS.
