## Looking Back Brings A Change For The Future

By Rachel Farber

The first edition of this paper came out in 1884. It, however, did not start out as *The Sheridan Sentinel* or *The Hoxie Sentinel*. It didn't even come out as *The Kenneth Sentinel*. *Weekly Sentinel* is the name of the first edition of the first volume. A few months later it was printed as *The Weekly Sentinel*. Then it was called *The Kenneth Sentinel*, which it was for just under a year; at which time it moved to the new town of Hoxie. For many decades, it was called *The Hoxie Sentinel*, with a slight variation in the late 20's, being called *The Hoxie Sentinel* and *The Sheridan County News*. Finally, in July of this year, when it came under new ownership, it became *The Sheridan Sentinel*.

Starting out as *Weekly Sentinel*, in Kenneth, KS, July 17, 1884, they say, "We have just located at Kenneth, the county seat of your county, and as a part of our business is to travel around and see how our neighbors are getting along, and congratulate, encourage or assist them, as the case may require, and give them all the news, local, political, religious and otherwise, that we think would be interesting." This occurred in Volume I Issue Number 1.

Fourteen weeks later, the name changed to *The Weekly Sentinel*. Why? "The material has arrived with which to enlarge. *The Sentinel* will be six columns next week." It seems there wasn't room for those three letters T-H-E. The subscription rates at that time were \$1.50 per year, 75 cents for six months, and 40 cents for three months.

By June of 1885, they were ready to make another change. "The *Sentinel* will appear in a bran new dress next week and be enlarged to a seven column paper." The public was invited in to see

We have no idea when this photo was taken, but it was definitely prior to moving into the current building. (SCHS courtesy photo)

the new equipment of the day. June 18, 1885, the paper came out as *The Kenneth Sentinel*, stating, "When our new material arrived last week one of the bystanders, and a tenderfoot at that, remarked that he feared we would "bust" the town. He said that there was no danger of "busting" a man who had the sand to start a newspaper in a town where the entire male population was four men, one boy, a "yaller" dog and a black dog. Well, Kenneth has made a remarkable healthy growth since then, and the *Sentinel* will be found close to

the head of the procession."

With the railroad coming through, most of Kenneth started moving to Hoxie the next year. *The Kenneth Sentinel* decided it would be in their best interest if they moved also. They put this in the paper the week before they left:

"We are going down to Hoxie,  
We are going in the morning,  
To the booming town of Hoxie we will go:  
We'll move down to down to Hoxie.  
The new town of Hoxie,

Down where the Sand creek waters flow  
And the machine busted."

They were also trying to decide what to call the new paper. "Kenoxie *Sentinel*, how's that for the first stagger at it? We'll get there p. d. q." Finally, deciding on a name, they printed, "As for the *Sentinel* our flag is still there, only we shall shortly erase therefrom the name of Kenneth, as a thing of the past, and inscribe in its place, in letters that the blind may read, the word Hoxie." Volume II Issue Number 36, the first issue of *The Hoxie Sentinel*, describes how the proprietors of Hoxie bought out and planned to move the businesses from Kenneth to Hoxie.

In 1929, there was more than one paper in town. The owner of *The Sheridan County News* became the proprietor of *The Hoxie Sentinel* and changed the name to *The Hoxie Sentinel* and the *Sheridan County News*. With the proprietor still the same, in 1931, it changed back to *The Hoxie Sentinel*. No explanation can be found as to why. Until recently, the paper had since kept the name *The Hoxie Sentinel*.

Early in the summer of 2016, it was changed to *The Sheridan Sentinel*. The new proprietors wanted to be more inclusive of the surrounding areas. With the change in name comes a change in content. More content has been added, and if there is anything anyone would like to see in the paper, we would love to hear your ideas!

Another aspect we would like to call your attention to is the "Volume" of each issue. As we come to the end of the last year's volume, we noticed that the math just didn't add up. The volume number is something to help reference the year of publication. Since

Volume I came out in 1884, we can do the math and find out that we should be starting Volume 132. However, we just finished publishing Volume 133. Time for some more research!

Going back through the archives, this error occurred in 1890, Volume 6. At that

week? Did someone drop the type tray and have to start over? It is really hard to say at this point, and something we will never know the truth of. All we know is human error changed things for 126 years.

Beginning with this next year's volume, we will be correcting the mistake and

Fred Bear and family, 1924. Much of the furnishings in this picture are still here today, with more also at the Sheridan County Historical Society. (SCHC courtesy photo)

time, they did typesetting by hand. Which meant there was a lot of room for human error to occur. All type was set backward for the press to be able to print it forward. The paper for April 3, 1890 showed it was Volume IV. The week previous it showed Volume VI. Did they have to reset the front page and header every

setting it back to Volume 132, Issue Number 1. Maybe things will stay right this time!

The owners & staff would like to thank the community for the wonderful reception and acceptance of this new incarnation of the newspaper, *The Sheridan Sentinel*, and we look forward to serving you for many years to come.

### Yard of the Week

Tom & Roberta Ochs, 1815 Royal, Hoxie, are the owners of the Yard of the Week. Sheridan County has many beautiful well-kept yards. Thank you for all of the nominations! We have received a huge number of nominations, but can only place one per week. We will continue taking nominations through October 13, and begin again in the Spring. Send us your nominations by calling *The Sentinel* office at (785) 675-3321 or e-mailing us at [sentinel@ruraltel.net](mailto:sentinel@ruraltel.net).

### WHAT'S IN THE TIME CAPSULE?

By Jeannine Taylor

Since *The Sheridan Sentinel* published that the courthouse time capsule from 100 years ago was found, we have received many questions from readers about the contents of the box. In order to preserve the contents, which are believed to be photographs and documents, the box needs to acclimate to the current environment. Our preservation experts advised that the box be placed in a freezer, and gradually warmed up to the current temperature over the course of several weeks, at the rate of about one degree a day. This process should help prevent the contents of the time capsule from rapid deterioration when they are exposed to air. The time capsule was out of its resting place for about ten

minutes before it was placed into a freezer, where it has remained since it was excavated. The gradual warming process has begun, and should be complete in a few weeks. Once the process is complete, the Centennial Celebration committee will meet and the capsule will be opened, and the contents documented. *The Sheridan Sentinel* will be there to commemorate the opening in photographs, and to show our readers the contents. The contents will be put on display at the courthouse once they have been preserved against further deterioration. As of press time, the time capsule opening has not been scheduled. Once it is, we will publish the information in the paper and on our Facebook page.

## COOKIN' AT THE COTTONWOOD

The Friends of Cottonwood

Ranch will host the 10<sup>th</sup> annual

Cookin' at the Cottonwood

event on Saturday, October

15, 2016. Cottonwood Ranch

State Historic Site is located

near Studley along U.S.

Highway 24, approximately

half-way between Hill City

and Hoxie.

This year the competing

cooks will supply their own

chicken, pork and/or beef

which will be cooked on-site.

The cooked or smoked meats

will be judged by a panel of

judges beginning at 2:00 to

determine the tastiest in its

class.

The popular homemade

chili contest is open to the

public for competition.

The winner will also be

determined by judges for the

best-tasting concoction of the

day. One may enter the chili

contest on Saturday morning;

just bring a minimum of a

quart of your homemade chili

to be entered by 11:00 A.M.

Fruit, Cream and Other

categories of homemade pies

will be judged at 11:00. Pies

should be submitted by 10:45

on Saturday morning. Pie by

the Slice will be sold after the

judging has been completed.

Again this fall is a contest

which relates to the history

of Cottonwood Ranch; that

competition will be for the

best "home brew." The three

categories for this competition

are Beer, Wine and Other.

An example of the Other

category may include a cider

or something as complicated

as being distilled from corn or

other mash. This contest will

be judged from 11:30 to 1:00

by the public over the age of

21 years.

Prizes for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> will

be awarded for each category.

A lunch of pulled pork,

chips and beans will be

available at the ranch

beginning at 11:00 A.M. and

served until the food is gone.

All proceeds will go to the

Friends of Cottonwood Ranch

(a not for profit organization),

to help keep the historic site

open and sponsor future

events.

Join us as we celebrate

10 years of good cooking.

Admission is free. Tours of

the Ranch will be available

upon request.

## HAMA

**Hoxie Area Ministerial Association**  
*By Pastor Jake Schadel*, Hoxie United Methodist Church  
How well do you know the President of the United States? Well, I can't speak for all of you, but the answer for me is "Not very well!" Sure, we have had seven and a half years of decision making, and nation leading as a reference, but how well do any of us actually know him, and how well can we actually know the candidates that are currently battling it out to take his place? The answer I think for the vast majority of us is "Not very well!" I am kind of a political junky. I love keeping up to date on current events and I follow the news pretty closely. We watch the debates in my household as if it were the Super Bowl. So I would like to think that I am about as informed a voter as I can be. However, it strikes me that I can only know the candidates as well as they let me. I only hear what they want me to hear, and I only know what the media tells me. Which really, if you think about it is not all that much, especially if you consider that the track record of most politicians is that the campaign time can be

a bit misleading. I may have some idea of where they stand on certain issues, but I have no idea why. I may be able to guess at where they will fall on any certain topic but no clue how they got there. I simply do not understand their character, and their personality well enough to fully understand why they do, what they do. I mean to get that kind of information I would have to really get close to them. I would have to talk to them for endless hours, and about endless topics. I would have to watch them in all kinds of situations. I would need to know their home life, how they grew up, how they parent, how they deal with adversity, the list goes on and on. The only way to get that much information about someone would be to talk to them constantly, when you wake up, on the way to work, at meals, all the way home, and before bed. Who has that kind of access? How can anyone truly know who their leaders are. I mean, that's the kind of access that only a spouse has, and you could make the argument that the spouse may not even have that kind of access. Our leaders sit up there in Washington, and make life and death decisions. Who knows why they do what they do? I suppose as a free American, we just have to be content with the amount of information that we are afforded.

My fear, is that some Christians may think of God in this way. You know, sitting up on His throne, all the way up there in Heaven, making all kinds of life or death decisions, and who can really tell why he does what he does? Even though there is a certain amount of truth to that, the comparison just doesn't add up. You see, God has given us that kind of access to Him. We may not know the reasons behind every one of God's decisions, but we can get a pretty good idea of who He is. God has given us a special message, a hand written letter in the Bible that explains some of who He is, and how he interacts with humans. The Bible enumerates God's passion, and faithfulness to us, and His commitment to our relationship. Beyond that, we know that God hears our prayers. He even knows the condition of our hearts as we pray, so we don't even have to be able to form into words what we are thinking and feeling. We can converse with the Almighty without ceasing and be confident that he hears and responds. Now that is some pretty serious access. I can't imagine a relationship as personal and intimate as that on Earth. So we may not be able to know the leaders of this country as well as we would like, but we can know the leader of leaders, the king of kings, we can know Jesus intimately and personally. Thank God for that!

### Meals for Schoolchildren

During the period between ten years and adolescence children will take an increased amount of food, especially starchy foods and sweets. This is the time they will eat more bread, potatoes, rice, macaroni and candies.

Children should not be allowed to eat at the dinner table where rich and varied foods are served, but as the average family serves the main meal at noon and if it consists of a small amount of meat, two vegetables, bread and butter with a simple dessert, a drink of milk or cocoa, even young children can partake with safety. Children should be given easily digested foods for they need to give all the body strength and attention to the development of muscle, bone and brain.

All oatmeals or whole wheat should be well cooked, preferably overnight, and if

served with good, rich milk a generous dish of oatmeal is a most sustaining and body-building food. Bacon, eggs, creamed potatoes and gems will make a good breakfast.

Do not serve doughnuts (unless especially light and free from soaked fat), to children. It is best to avoid all foods fried in fat, as they are not easy of digestion and their prolonged use is sure to cause digestive trouble.

### Seasonable Good Things

A dessert that is a great favorite among the young folk is this: Take the juice of three lemons, three oranges, three bananas, three cupfuls of sugar and three cupfuls of rich milk. Put the bananas through a sieve, mix well and freeze. A pinch of salt is an improvement.

Apple Filling for Layer Cake - Grate a good sized tart apple, mix with sugar and beat into the white of an egg; continue beating until the mixture is

## JOKES & QUOTES

Two weeks on a diet is a lot longer than two weeks on vacation.

The elderly widower was telling his son he was going to remarry. The son asked, "Do you love her?" "Not really," replied the father. "Then she must be a good cook," said the son. "No, she doesn't like to cook," said his father. "Then she must really be pretty," said the son. The father, shrugging his shoulders said, "Only average." "Dad, why do you want to marry her?" asked the son, getting a little frustrated. "Son, she can drive after dark," the father replied.

Some Old-Time Remedies (1800s)

- 1) A mixture of kerosene and sugar was used for coughs.
- 2) Old timers placed a chew of tobacco on a cut to stop it from bleeding. They

also used cobwebs and axle grease for the same purpose.

- 3) Dandelion roots were used for liver ailments.
- 4) Place a raw potato on a black eye.
- 5) Put a piece of fresh-cut lemon or onion on a bee sting.

An unethical house painter painted a Baptist church. He thinned the paint until it was like water.

After he had finished painting the church, there came a torrential rainstorm that washed all the thin paint off.

Then suddenly, the sun came out brightly and a voice out of the sky said to the painter, "Repent, repaint, and go and thin no more!"

smooth and velvety, then spread on the cake. This filling has the advantage of many, as it keeps the cake moist. A few drops of flavoring may be added if desired.

Peach Parfait - Take one quart of well-mashed peaches, the juice of two lemons, add two cupfuls of sugar and a quart of boiling water, boiled together five minutes; let cool and freeze to a soft mush; beat the whites of two eggs to a stiff froth, put in a tablespoonful of sugar and one of vanilla, add to the frozen peaches and finish freezing.

**Sentinel Representative to Canvass the County**

In the near future, Paul Morrison, our good-natured Swede boy, who has been with the Sentinel force since last spring, will make a house to house canvass of this county in the interest of The Sentinel. Paul grew up on a farm in Saline county, is a graduate of the Salina High School, and we believe you will find him an agreeable chap to meet. He is fully authorized to solicit new subscribers, collect from delinquents and to hustle business in general for The Sentinel. In case of any misunderstanding relative to subscription accounts, remember we'll make it right, all we want is what is honestly due us, that we should have.

Don't be timid or backward in telling our Mr. Morrison of your life in this county, any news item of interest to our readers we want. We want to boost a little for Sheridan county and help the county as well as The Sentinel.

**Local News**

Mr. and Mrs. Frank McIvor, of Hoxie, who had been on a business trip to Salina and vicinity passed through

Plainville today on their way home. Mr. McIvor was formerly editor of the Hoxie Sentinel and one of the best newspaper men in northwest Kansas. His wife is a literary lady of some note. Mr. McIvor has been nominated as candidate for state legislature by the republicans of Sheridan county. We sincerely hope he will be elected as such men as Frank are needed from this part of the country. – Plainville Times

The Ida Weston Rae Company appeared in Hoxie three nights last week and staffed some good plays. Each night they were greeted by a good sized audience. Saturday night they played "The Man in Black" to an exceptionally large house, which judging by the applause they received, took the crowd by storm.

**Celebrates Golden Wedding**

Mr. and Mrs. J. M. Peters, of our city celebrated their golden wedding anniversary September 9. Only the immediate relative were present with the exception of Mrs. Eibert, of Colorado, an old acquaintance, who was visiting here at that time. They were the recipients of many handsome presents given in honor of the occasion, which they greatly appreciated. Uncle Jim and his good wife have certainly enjoyed a long and happy married life and their many friends trust they may be spared for many more years.

**New Pix Theatre Opens**

The opening of the Pix Theatre under the management of Mr. and Mrs. Ralph Menefee, occurred Sunday after having been closed for several weeks to remodel.

Though a few things are still to be added the Theatre as a whole is greatly changed. It is comfortably arranged as to elevated floor, enlarged seating capacity; is beautifully lighted and decorated within and without.

The cushioned seats will be installed as soon as conditions permit delivery but the public enjoyed the setting and improved conditions and congratulate Mr. and Mrs. Menefee on an up to date theatre for Hoxie's enjoyment.

**Attend Conference**

Rev. and Mrs. Pomeroy left Tuesday morning for Wichita to attend annual conference of the Western and Central Kansas Methodist churches. The rest of the week and until Monday afternoon late, when the new appointments are read. Verle Pomeroy accompanied his parents as far as Wellington and visit a few days with Charles Schropp there, then on Saturday Verle will attend the Youth's Conference at Wichita to which he is a delegate from the Hoxie Methodist Youth department. Mrs. Breeden will be at the home here and care for Ione and Avis Pearl.

**Kerr-Cooper**

Miss Nelda Kerr and Mr. Arthur Cooper were married at Wakeeney September 29. They will live at Grainfield where the groom teaches in the Grade schools. Mrs. Cooper grew to womanhood in Hoxie. She is a graduated of S. C. H. S. and has been a successful teacher in the rural schools for the past six years. She is also a popular young lady in church with the young folk. Mr. Cooper graduated from Hays College in 1940 and has been engaged

Several Girl Scout leaders from Hoxie attended the Sunflower Council leadership training course at Tasco Tuesday. They were: Mrs. Bob Mahanna, Mrs. Norb Dreiling, Mrs. Arlan Spillman, Mrs. Bill Pickinpaugh, Mrs. Harold Hedge, Mrs. Ray Hilborn and Mrs. Harold Timken.

Several other towns in the council were represented.

**Class of 1946 Hold Reunion**

A most enjoyable evening was spent Saturday, Sept. 24 when the class of 1946 of SCHS celebrated their 20<sup>th</sup> year reunion at the Steak House at 5:30 p.m.

After the group met together for the first time since their graduation 20 years ago they all enjoyed a delicious steak dinner.

Many enjoyable and funny school memories were re-told and laughed about until too soon we had to depart hoping to meet again in five years with everyone present.

**The Bulldogs fall to tough competition**

The Junior Varsity started the day off against Dundy County. The girls played tough and stayed right with them as the first set ended 21-25 in favor of Dundy. The second set ended 20-25 as the girls gave it their all, but could not pull through. Weskan followed this game, with a score of 14-25 in the first set and 11-25 in the second set with Weskan winning. Goodland ended the day as the Bulldogs fell to them in two sets with a score of 19-25 and 10-25.

**Class of 1956 Reunites**

The SCHS Class of 1956 had a great time celebrating their 50 year reunion during homecoming festivities. Some of the class members attended the Hoxie-Dighton football game and then enjoyed getting together afterward to renew friendships and share memories of past years at the home of Gerald and Helen Heim.

# Northwest Kansas News

This week is National 4-H Week which means it is a great time to learn and share about 4-H! Kansas 4-H is the youth development program of K-State Research and Extension and 4-H has been making an impact on youth for many years. 4-H is a powerful program and research shows just how much of an impact 4-H does make on youth today.

Youth involved in 4-H are twice as likely to plan on going to college. They have better grades and are more engaged in school. They are twice as likely to pursue science careers. 4-H'ers are over two times more likely to be physically active and 4-H'ers are over three times more likely to contribute to their communities than those who do not participate in 4-H.

4-H is a powerful youth program that helps prepare youth for successful futures. 4-H teaches kids how to become productive members of society and gives them the skills to do so. 4-H teaches responsibility, leadership, work ethic, and communication while allowing youth to explore what their interests are through different projects. 4-H is a wonderful opportunity for youth to make friends, learn new skills, and learn what they enjoy.

There are many projects for youth to get involved in including: exploring 4-H for new members, citizenship, communication, leadership, performing arts, reading, self-determined projects, visual arts, photography, family

studies, clothing and textiles, fiber arts, food and nutrition, health and wellness, home environment, pets, dog training, horse, beef, dairy cattle, swine, goats, sheep, poultry, rabbits, energy management, entomology, environmental science, geology, plant science, shooting sports, space-tech, wildlife, and woodworking.

Sheridan County has three 4-H Clubs (ages 7 and up) and Cloverbuds (ages 5 and 6). Clubs have meetings once a month and 4-H'ers work on projects at home. 4-H meetings are an hour to an hour and a half with a short business meeting, educational program, recreation, and snacks.

We also have Countywide Project Leaders in Sewing, Horse, Entomology, Shooting Sports, and Rocketry that lead educational activities and provide one on one help throughout the year to help 4-H'ers grow in their project. And in addition to learning about different projects there are also Day Camps and Rock Springs 4-H Camp for youth to get a taste of 4-H and fun!

4-H isn't just for kids either. It is the families, project leaders, and volunteers that make 4-H possible. 4-H can be just as much of a rewarding experience for the adults as it is for the kids. 4-H is always looking for adults who have knowledge and skills they can pass on to our youth.

If you are interested in becoming a 4-H volunteer, are interested in becoming a Sheridan County 4-H member (ages 7 and up!) or a

Cloverbud (Ages 5 and 6), or just want more information about 4-H, please contact the local extension office at (785) 675-3268.

**From the youth:**

Hi, my name is Leah Mages. I am 12 years old and I am a member of the Angelus 4-H Club. This is my third year in 4-H and my first year in Leadership. I actually live in Hays, but I spend the summer with my grandparents on a farm in Sheridan County. At the end of every 4-H meeting we say the 4-H Pledge. In the pledge we commit to learning new things and helping others with our head, heart, hands and health. I want to share with you just a few of the ways I have used my head, heart, hands, and health in this year of 4-H.

Head-I was elected reporter for my club. I took notes of our meetings and sent them to two newspapers and the Extension Office newsletter.

Heart- Our club holds their meetings in the Senior Center in Grinnell so we host a dinner as a thank you. I donated two pies for the dinner and helped set up, serve, and clean up.

Hands-As part of a national project, I made two pillow cases for a children's cancer hospital. I had cancer when I was younger so I was very willing to do this for them.

Health-I was a junior leader at a county wide Foods and Nutrition project meeting. I made a handout about reducing ingredients by half and a third, made name tags for those who came, and made practice muffins beforehand

## Junior High Pick Up Wins

**By Brad Weese**

Things went well for the Junior High Lady Indians on their road trip to Atwood on September 29. The Hoxie Lady Indians won three matches out of four over Rawlins County.

There were two C-Team matches, with Hoxie winning both. In the first match, the Lady Indians won in two games, 25-13 and 25-22. In the second C-Team match, Hoxie also won in two, 26-24 and 25-8.

In the B-Team match, the Lady Indians lost 23-25 and 15-25. The A-Team won 25-15 and 25-19. Coach Joel Kuchera commented about each team's play, "In the C-game our girls had showed some consistent play. The B-Team had a great first game, then lost momentum in the second. Our A-Team girls kept the ball in play, and they didn't give up."

On September 24, Hoxie hosted a Round Robin with three other schools: Oberlin, St. Francis, and Trego. The Hoxie B-Team won all three matches. Against Oberlin, the Lady Indians won in two, 25-12 and 25-19. The St. Francis match also went two games, with Hoxie winning 25-16, 25-17; while against Trego it took three games to decide the match. Hoxie won the first game 25-21, lost the second 10-25, and won the third 15-5.

The Lady Indians A-Team won two matches and lost one. The wins came over Oberlin, 25-5, 25-10 and St. Francis, 25-8 and 25-16. Hoxie lost to Trego in two games, 20-25 and 18-25.

"Our B-Team competed hard. They showed a lot of determination and are improving steadily since the beginning of the year" commented Coach Todd Cossman. With the A-Team, Coach Kuchera said, "The girls played well. Trego is tough, but we hung in there."

Next up for the Hoxie Junior High teams will be at St. Francis Thursday, October 6. The matches are scheduled to begin at 4:30 p.m. On October 13, the Lady Indians will host Wallace County, and on October 18, they will also host the NWKL B-Team Tourney, while the A-Team travels to Sharon Springs as Wallace County will be the tourney hosts.

## Hoxie JV Victorious Over Dighton & Quinter

**By Brad Weese**

It's always nice to play at home and winning makes it just a little more fun. This is what the Hoxie Lady Indian Junior Varsity Volleyball team found out on September 27, as they picked up two match wins over Dighton and Quinter.

Against Dighton, the Lady Indians won 25-16 and 25-21. In the Quinter match they won the first game 25-19, but lost the second game 20-25. In the third and deciding game, the

Hoxie girls won 15-13.

"We had some good practices the last week and are starting to put things together. When we come together as a team good things start to happen. We've improved a lot from the last game, but still have specific areas to improve on. Overall, I'm really pleased with how we played tonight and hopefully the girls will keep building on these wins," commented Coach Lishe Kaiser.

## ~ Business of the Week ~ Milliman Quarter Horses 11th Annual Hoxie Buckle Series

Jessica & Clint Milliman have been conducting the 11th Annual Hoxie Buckle Series, which began on September 11 and will conclude on October 30. (Photo courtesy Milliman Quarter Horses)

By Brad Weese

Barrel racing is a cool sport to watch, but for many, it's much more fun to compete in. The Milliman Quarter Horses-Hoxie Buckle Series has lots to offer for those who enjoy this particular rodeo event.

How does the Buckle Series work? It consists of six races staged on different days. Contestants compete for money and points. Money is paid at each race, and points are accumulated. The person with the most points in each division at the end wins a buckle.

The number of participants at each race varies each time. According to Jessica Milliman, who organizes the Buckle Series with her husband Clint, between 10 and 50 racers participate in each division, with Pee Wee Barrel Racing averaging 15 participants, Juniors-10, Youth Barrel Racing attracts between 15 and 20, Open Barrel Racing 40 to 50 participants, Pee Wee Pole Bending-10 and Open Pole Bending-15 to 20.

Remaining events for this barrel racing series will take place over a few days in October. Mark your calendars for October 15, 16, 23 and 30. All races start at 3 p.m. at the Sheridan County Fairgrounds.

When asked who the current leader of the series at this time was, Jessica replied, "Usually at this point, we have a few leaders but due to the rain cancellations, we have only had two races so points leaders can and will change." The schedule, results and points can be found at [www.MillimanQuarterHorses.com](http://www.MillimanQuarterHorses.com) or under the Facebook page-Milliman Quarter Horses-

Hoxie Buckle Series.

This is the 11<sup>th</sup> Annual Hoxie Buckle Series. Jessica said that it is the prizes that make the series special. "It is all of our wonderful sponsors, who help and pay for all of the prizes we give away. This year we will award 14 buckles at the end of the series, as well as lots of other great prizes. When Clint and I set out to do this, we wanted to make sure of several things: 1) Every kid left the series after the sixth race with a prize; 2) That the event is family oriented and safe; 3) Most of our races are on Sundays and with that, we don't start until 3 pm so everyone can attend church and then come to our event; and 4) That we continue to grow this event."

Event sponsors for the "Hoxie Buckle Series" are: Milliman Quarter Horses, Triangle Cross LLC, Molzahn Cattle Company, Okeson Farms, Okeson Insurance, Ron & Mary Shipley, 3M Cattle Company, Dustin & Cassie Minium, Sheridan County Farm Bureau Association, RMD Drilling & Well Services, Bar Z, Kansas Horse Council, Appelhans Farm, Ken & Connie Hill, Peoples State Bank, First State Bank, Farm Bureau Insurance-Kendra Barnes, BTL, Scott and Leanne Minium, Eland Title Company, Howard Quarter Horses, CPS-Hoxie, Zerr Farms & Feeders and Nebraskadog.com.

It's always good to be safe when riding. "We started an incentive last year at our series to encourage riders of all ages to wear helmets. It is called #Get Spotted Wearing Your Helmet At The Hoxie Buckle Series. Each and every race, we give out

incentive prizes to all riders wearing their helmets." Past incentives include: cash, tack for the horses, pizza, Subway gift cards, ice cream tickets to Red's, lotions, toys, and candy. "The idea for incentives is to encourage more riders to wear their helmet to help destroy the stigma in the western riding world about helmets not being cool. Many other riding disciplines require helmets, and the helmet serves one purpose: to protect the rider's head and brain in the event of an accident or fall."

Divisional barrel racing gives all competitors-from beginners to professionals, youth to seniors-a chance to compete, learn and succeed in barrel racing. Barrel Racing is an event in which a horse and rider attempt to compete a cloverleaf pattern around a preset pattern of barrels in the fastest time. At any "D" race, the fastest time run will set the 1 D. All other divisions will line up off that run to base the divisional splits for the day. Youth and Junior-one second split, for example 17.0, 18.0 and 19.0 seconds, respectively. Open is 1/2 second and 1 second splits, 17.0, 17.5, 18.0 and 19.0 seconds in D1, D2, D3, and D4.

## BUSINESS OWNER STUDENTS CAN APPLY FOR NFIB SCHOLARSHIPS

The National Federation of Independent Business (NFIB) Young Entrepreneur Foundation announced that its scholarship application for the 2017 NFIB Young Entrepreneur Awards is now open through Dec. 18.

High school seniors who run their own business and plan to attend a two- or four-year university, college, or vocational institute during the fall of 2017 are eligible to apply.

Students may apply at [www.NFIB.com/YEA](http://www.NFIB.com/YEA).

"These young entrepreneurial talents are the future of our nation and it's so important that we acknowledge and reward their creative and innovative spirits and tireless work ethic," said Director of NFIB's Young Entrepreneur Foundation, Molly Young. "NFIB's Young Entrepreneur Foundation is proud to award 100 of our nation's most impressive young business leaders with scholarships to encourage them to continue to build on their entrepreneurial dreams."

The NFIB Young Entrepreneur Foundation offers scholarships that recognize high school seniors who have demonstrated entrepreneurial spirit and initiative through having established and run their own businesses. The scholarship program's goal is to raise awareness among the nation's youth of the critical role that private enterprise and entre-

preneurship play in the American economy.

Thanks to Visa Inc. and other small business supporters, ninety-five scholarship winners will receive a \$2,000 award, and five students will be chosen as Young Entrepreneur of the Year Award finalists and will attend an event in Washington, DC. The Young Entrepreneur of the Year recipient will receive \$15,000, the Dan Danner Leadership Award winner will receive \$15,000, and the remaining three finalists will each receive \$5,000.

What do students need to know?

- Students are able to apply through Dec. 18.

- The independent selection committee will review all applications and select semi-finalists. Semi-finalists will be notified by mid-January

- Semi-finalists must be interviewed by an NFIB member, who will be assigned to each semi-finalist

- The Award recipients are selected by an independent scholarship organization. Scholarships are merit-based, not based on financial need

The NFIB Young Entrepreneur Foundation is a 501(c)(3) organization promoting the importance of small business and free enterprise to the nation's youth. More information is available at [www.NFIB.com/YEF](http://www.NFIB.com/YEF).

## Hope In Action

A recent headline in the Hays Daily News reported another net loss in population for Northwest Kansas. It seemed to be the same discouraging message that we have heard for decades; however, the small print revealed some interesting and promising exceptions!

The community of Quinter had gained 30 new residents! Some other communities had gained as well--some by five, some by one. It is exciting to know that some of these western Kansas towns are growing. And one wonders, what are these communities doing to attract people to make a move? What does it take to get rural communities to invest in themselves and to attract people who energize communities and create new businesses?

In an effort to answer some of these questions, the Hays District Connectional Ministries Council is planning a rural revitalization event entitled "Hope in Action." It will be held on Saturday, November 5, from 3:00-7:00 P.M. at the Quinter United Methodist Church, 218 W. 4th St., Quinter, Kansas.

The keynote speaker is Ericka Gillespie Nicholson, a dynamic young professional who grew up in Quinter and chose to return to assume a leadership role in the city of Quinter with a "never give up" attitude. Ericka dove head first into rural Kansas issues after the 2010 census showed her home county at a 13% decline in population. She will "tell the Quinter story" and her part in that story--why she came home, what has worked, what hasn't. She will discuss the challenges (the "CAVE" mentality), the victories--and the failures--and will help her listeners understand why what is happening in Quinter right now is working.

Ericka will share the keynote spotlight with Dan Steffen, Regional Project Manager for Business and Community Development with the Kansas Department of Commerce. Dan has been key in many of the exciting changes in Gove County and has an enormous network of economic development-rural alliance partners. Ericka says, "There isn't much Dan hasn't seen or come across in a struggling Kansas town."

Following the keynote address, Simone Cahoj Elder,

an innovative young woman who works for NetWork Kansas as Manager of Rural Entrepreneurship, Western Kansas, will be sharing about the NetWork e-Community Partnership and their vision for creating an entrepreneurial culture across the state. She will also share how NetWork Kansas helps to connect businesses with resources that help them start and grow. In fostering an entrepreneurial environment across the state, NetWork Kansas helps to empower and engage community leaders to recognize opportunities and turn ideas into action. Simone will also stress the importance of involving young people in planning for rural revitalization.

While Ericka and Dan and Simone will help us think about ways to revitalize declining communities, Greg Waters, who grew up in Bird City and is now with The Peoples Bank in Greensburg, will share his experiences in helping to rebuild a community following a devastating tornado. How did it happen? Who was involved? What prompted them to decide what to include in this "new" community? And what is it like in Greensburg today?

Following a supper showcasing locally grown foods, all four speakers will be featured in a panel discussion. Those attending will surely stay energized and engaged during this discussion as the speakers will want to hear from all attendees, to discuss YOUR struggles and successes so that each participant might leave with HOPE that can be put into ACTION.

Anyone who is interested in the possibility of renewing their hometown is invited to attend this meeting on November 5. This would include city managers, economic development directors, pastors, and other community leaders; and Ericka, our keynote speaker says, "I'd LOVE for those who attend to e-mail pictures of what they love in their respective towns, and I can make their pictures part of my slide show." You can reach Ericka at [ericka.jean.gillespie@gmail.com](mailto:ericka.jean.gillespie@gmail.com)

Registration of ten dollars, payable at the door, will include the supper served by the Quinter United Methodist Men.

## Lady Indians Victorious Sept. 29

By Brad Weese

They defended their court in competitive fashion. The Lady Indians won matches over the St. Francis Lady Indians and the Dighton Lady Hornets.

In the match against St. Francis, Coach Lichelle Baar’s varsity squad dropped their first game 11-25, but came back strong to win game two 25-13, and claimed victory on the third game 25-17.

Leading Hoxie in digs was Addi Campbell with 19, followed by Lilly Schamberger 14, and Bekah Castle 11. Bekah Castle also led in kills with ten, followed by Schamberger with nine, and Erin Carter with seven. Bekah Castle also led the team in ace serves with four, followed by Maiah Castle and Carter, each with two. Nicole Heim was the leader in assists with 15, followed by Maiah Castle with 12. Carter led the team in blocks with five, while Brooke Dorenkamp had three, with one stuff block.

The Lady Indians defeated the Dighton in two games, 25-18 and 26-24. Leading the team in digs was Lilly Schamberger with 13, followed by Bekah Castle with 10 and Campbell nine. Bekah Castle led the team in kills with ten, followed by Carter, Heim, and Macy Schamberger, each with five. Leading the team with two ace serves each was Lilly Schamberger and Campbell, while Carter had one. Maiah Castle led with 13 assists, followed by Heim with five and Lilly Schamberger with four. Carter and Trinity Balluch led the team with two stuff blocks each.

Commenting about the matches, Coach Baar said, “The girls kept battling back every time they got down. We need to work on staying low and moving our feet but overall they did a good job.”

In junior varsity play, Hoxie dropped two matches. Against St. Francis, the Hoxie girls won the first game 25-15, lost the second game 16-25, and fell in the third, 6-15. In the Dighton match, the Lady Indians lost the first game 21-25, won the second 25-7, but lost the third 6-15.

## INDIAN PRIDE ON DISPLAY

By Brad Weese

You always know when it’s Homecoming Week. There is a buzz in the hallways, and much of it comes from those dress-up days. The Hoxie High School Cheerleaders created a different dress-up theme for each day of Homecoming week.

This past Monday, the Hoxie High, Junior High, and even some elementary students started the busy week wearing pajamas. Some school staff and teachers were caught in their favorite pj’s. The next day, the students were asked to be a little creative and dress up as Tacky Tourists by wearing fanny packs, Hawaiian shirts, khaki shorts, etc. Some students were walking the hallways with some crazy hats, and a few had cameras around their necks. Even a few had their socks hiked up to their knees.

Wednesday is Pattern Confusion day. Students were asked to wear many patterns as possible. Thursday, be on the lookout for Dynamic Duos: Ketchup/Mustard, Batman/Robin, Thing 1/Thing 2, Cops/Robbers, Buzz Light Year/Woody, Pooh and Piglet. Friday, October 7 is one of the best days of all, as it is Spirit Day, and students are asked to deck out in Hoxie colors and show their Indian

Spirit.

Each day, students have a chance to win prizes for the most creative outfit. The students vote each day, and the winners will be announced at the pep rally that begins 3 p.m. on Friday at Hoxie High School. The community is invited to attend.

Be sure to attend the football game that is scheduled to begin at 7 p.m. At half-time the king and queen announcements will be made.

After the football game on Friday, the annual Homecoming Dance for the high school students will take part at the high school. Admission prices for the event will be \$7.00 per person. Students are allowed to have out of town dates, but they must be pre-approved by school administration. Providing the music at the dance will be Dennis Hahn from DJ Service out of Hays, KS and Denver, CO. The disc jockey will be Cameron Shoemaker.

And don’t forget Thursday’s volleyball game as the Lady Indians play host to Phillipsburg and Trego. Action begins at 4:30 p.m. This also marks “Senior Night,” the final home appearance of the season for seniors Nicole Heim, Brynn Niblock and Erin Carter.

## Hoxie Junior High Falls to Rawlins County

By Brad Weese

It turned out to be a shoot-out on the football field in the canyon at Atwood. The Junior High Hoxie Indians lost to Rawlins County 36-28.

Leading the young Hoxie team was eighth-grade running back Gavin Tremblay, who scored four touchdowns. Three of those touchdowns came on runs, while the other was a kick-off return in the final quarter of the contest. Coach Ed Weiner’s offense also scored two conversion points. Both were runs by seventh-grade quarterback Ashton Dowell.

Rawlins County had only 12 players, but had a big tailback and a quick quarterback that the Hoxie defense at times struggled to contain outside.

## Indians Shut Out By Sainty

By Brad Weese

It was one of those games you need to learn from, but also move to on from. Last Friday, September 30, the highly ranked and undefeated St. Francis Indians came to Hoxie, and made a quick trip back home as they handed our hometown Indians their third straight loss of the season, 50-0.

Hoxie had a ten-play drive during their opening possession of the football game and got the ball to the St. Francis sixteen-yard line but were held short. When St. Francis got the ball, they were able to get into the end zone on their very first offensive play on a long pass.

Coach Lance Baar’s team had another productive drive on offense in the second half but came up short on a turnover. For the past few weeks, the coaching staff has reminded the HHS team that big plays and turnovers have cost them.

At the midpoint of the second quarter, the scoreboard read 14-0, but then came the “big play storm,” mixed with turnovers, and it wasn’t in favor of our beloved Indians, but rather the Indians from Cheyenne County. St. Francis quickly capitalized on Hoxie mistakes and put 30 more points on the board right before halftime.

At the beginning of the third quarter, the Indians decided to open with an onside kick-off, but it was recovered by St. Francis, who scored a few plays later to end the game, as the “45-point” rule came into effect.

The 2-3 Indians mustered less than 100 yards on total offense. The totals were: 85 yards on the ground; 6 yards in the air. St. Francis totals were a little different as they put up 213 yards in the air with four touchdown strikes, while on the ground they had 156 yards and two touchdowns.

Leading Hoxie in rushing was junior Latham Schwarz with 30 yards on 12 carries followed by junior Troyal Burris with

26 yards on eight attempts. Sophomore quarterback Jared Kennedy finished with 20 yards on seven tries. Freshman Wylie Weems picked up nine yards on two rushes. In the passing game, Kennedy completed two out of eight passes for six yards and was intercepted three times.

Defensive leaders for Hoxie were Schwarz and sophomore nose guard Taye Washington with 3 tackles and one assist each. Sophomore defensive end Jarrod Dible finished the night with three tackles, while sophomore defensive back Logan Weimer had two. Picking up a sack for the Indians was Taylor Burris.

In the kicking game, freshman Harley Weese had the only kick to start off the second half, and Troyal Burris did the punting chores with three boots that resulted in 104 yards. Troyal’s longest punt went 40 yards. Returning kicks for Hoxie was Schwarz with three for a total of 40 yards, his longest return going 20 yards. Weems had one for fifteen yards and Troyal Burris also had one go 13. Schwarz also had one punt return good for five yards.

Leading the St. Francis Indians was senior Taylor Rogers who scampered for 132 yards rushing on nine carries and crossed the goal line twice for touchdowns. Senior quarterback Quinton Cravens went 12-for-16 for a total of 213 yards and no interceptions. Leading receiver for the travelling Indians were junior wideout Tate Busse with four big catches totalling 131 yards and one touchdown. Taylor Rogers had two catches for 47 yards. Both Rogers grabs were for touchdowns.

Next up for our Hoxie Indians will be this Friday, October 7 for the big 2016 Homecoming game against the Quinter Bulldogs. The Indians are hoping to run things around with a great effort in front of a big hometown crowd. Go Hoxie!

## SCHSD/HHS Association Board Announces Homecoming 2016 Plans

By Brad Weese

Lots of planning goes into every Homecoming weekend. Here is this year’s schedule of events directed by the Sheridan County High School/Hoxie High School Alumni Association Board.

Alumni that come back have a lot of neat things to attend, starting with the football game between our Hoxie Indians and our neighbors southeast of us, the Quinter Bulldogs. Kick-off is set for 7 p.m. this Friday night, October 7.

On Saturday, several events will be occurring. To kick things off, there will be a bake sale at The Living Room on Main Street hosted by the Sheridan County Historical Society. The sale begins at 10 a.m. and lasts till noon. The annual Homecoming Parade will take place on Main Street at 11 a.m. A lunch will be served at the 4H Building, provided by the Sheridan County Wellness Center.

Beginning at 1:30 p.m. will be the alumni program, taking place in the Hoxie High School Auditorium honoring the Class of 1966 and the Class of 1991. The alumni reception will follow in the HHS Library until 4:30 p.m. Other classes will be recognized at the alumni program, so the alumni board members are inviting all alumni to join them for the reception. The board would love to see a good turnout for the alumni program, as there could be a possible surprise guest speaker, plus Chris Rall will be the guest speaker for the Class of 1966.

Another highlight to the Homecoming schedule is the Sheridan County Historical Society and Mickey’s Museum’s Open House from 1 p.m. to 5 p.m. on Saturday, which will showcase the Kansas Humanities Council Photo Preservation Grant. The Historical Society staff, volunteers, and board invite the alumni and community to come in and see what’s new and some of the renovation improvements of the building.

Members of the Alumni Association Board are DeeAnn (Hockersmith) Schamberger-Class of ’78, Harold Hartzog-Class of ’79, Brandon Carver-Class of 2003, Roberta (Bobby Kay Pratt) Nery-Class of ’60, Leslea (Schamberger) Oelke-Class of ’06, Sheyenne Dillehay-Class of 2012, and Charlene Meier-Class of ’66.

**By Brad Weese**  
Homecoming is a fun time for everyone. For those girls who attend the "Little Indian Cheer Camp," it's very exciting, as the girls participating learn sideline chants, different cheerleading jumps, a sideline band dance, and pick up cheerleading fundamentals.

Those attending this annual camp range from Pre-K to sixth grade. This is Hoxie High School cheerleading sponsor Megan Beiker's first year as sponsor of the HHS cheer squad, and the first camp she has helped with. "I know one thing, this is a very popular event among the elementary school girls," commented Megan.

Teaching the cheerleading fundamentals to the younger girls are the six HHS cheerleaders: Kaylyn Weems; Devynn Snider; Sarah Zahradka; Cami Schamberger; Abby Depenbusch; and Victoria Rucker.

Aside from learning

cheerleading fundamentals, the girls attending the camp gain confidence. "They are learning how to be confident in front of a crowd and they have fun while doing it," added Mrs. Beiker. Highlights of this camp are working with the girls. "They are always excited to learn cheers and work with the cheerleaders, and I must say that the cheerleaders love hosting these camps for the girls every year."

Traditionally, the Hoxie Cheerleaders have also held a youth camp during the basketball and wrestling seasons as well. The fall camp was held this past Tuesday, October 4. The girls who attended this camp will be able to perform for the crowd during the first quarter of the Homecoming game versus Quinter this Friday evening, October 7. "The girls will be performing cheers, and will also perform in a band dance between quarters throughout the football game," commented Beiker.

## It's "A Wild Thing" Happening on Main Street

**By Brad Weese**  
It proved to be a busy Friday morning, September 30, for Hoxie High School students who participated in Mrs. Jackie Campbell's art class doing the annual painting of the business windows on Main Street for Homecoming 2016. This year the theme is "A Wild Thing."

According to Mrs. Campbell, painting the business windows on Main Street for Homecoming Week is a tradition. The HHS art instructor also mentioned that the Alumni Association Board will be voting on the windows during the week. The winners will be ranked, but will not receive any prizes. "It's just about getting some recognition," Mrs. Campbell said.

Painting JD's Restaurant are seniors Connor Depenbusch (l) and Gannon Spresser. Spresser said, "I was named after an NFL Quarterback. Rich Gannon played for the Chiefs." This is just more proof that Hoxie is Chiefs Country and why not? After all, we are the Hoxie Indians."

## Bulldogs Outplay Cougars Again

By Judy Rogers

The Golden Plains Bulldogs won a second game 44-6 against the Cheylin Cougars on September 23 to give them a 4-0 record to start the season. The Bulldogs played the Cougars two weeks in a row at Bird City with the second game scheduled in place of cancelled games by other schools.

"We knew the Cougars would be pumped up and weren't going to quit just because we beat them last week," said Caleb Korte, sophomore. "This was a more competitive game. We didn't start out very well and they were ready for us."

After winning the coin toss, the Bulldogs got their first score of the game with a touchdown run from senior Jesus Aragon midway through to lead 6-0 at the end of the quarter.

The second quarter was all

Bulldogs with another run to the end zone from Aragon, a quarterback keeper by senior Dawson Spresser, and a final touchdown run from sophomore AJ Camacho. The 'Dogs led 26-0 at the half.

Coach Travis Smith worked all the younger players into the game in the second half. Near the end of the third, Aragon caught a pass from Spresser to run in for another score. With a 32-0 lead going into the fourth, the Cougars were ready to get on the board, which they did early on. Camacho ran in one more midway through the fourth to make the 44-6 final score.

Camacho finished the game with 185 total yards along with 151 from Dawson Spresser, and 144 from Aragon. Korte received 67 yards and Dylan Spresser rushed for 8. The team effort was evident in the 102 tackles recorded in the game. Dawson Spresser

posted 21, Aragon 15, Austin Rivera 14, Camacho 13, Korte 11, Dylan Spresser 8, Miguel Monge 7, Jeron Schutte 6, Austin Patmon 3, Jose Ortiz 2, and Sem Flores 2.

This is the first time in recent history the Bulldogs have begun the season with this many wins. "Our defense is really good," added Korte. "We've only allowed 41 points in the first four games." The offense has score 196 points in four games. "This is a big improvement over last year," continued Korte. "It puts a lot of pressure on us to compete against Weskan." Weskan is the only other undefeated team in our division. The Bulldogs will travel there to play an afternoon game on October 7. "We anticipate a tough game," added Korte. We would like a big crowd to come and help keep us pumped up."

## LADY BULLDOGS COMPETE IN QUAD

By Morgan Ritter

The Lady Bulldogs of Golden Plains matched up against Heartland Christian, Cheylin, and Quinter on September 20 in Quinter.

The varsity 'Dogs took on the Crusaders of Heartland Christian in the first match of the night. In a competitive two set match, the Bulldogs came out on top 25-13, 25-18. For the second match, the Cheylin Cougars fought hard against the 'Dogs, but fell short, giving the Lady Bulldogs another win of 25-13, 25-14.

GPHS rounded out the night against the opposing Bulldogs of Quinter. In a tough match, the Bulldogs were unable to overcome Quinter and lost 19-25, 18-25.

"We worked hard as a team," said junior Maggi Nieman, "and the games showed us the fundamentals that we need to work on."

The junior varsity also gained some court time, taking on the Crusaders and Quinter. In the match against Heartland, the Bulldogs worked hard, but ultimately fell short in a 17-25, 17-25 loss. As the final jv match, GPHS took on the Quinter Bulldogs. The girls kept up with the opposing Bulldogs, but were unable to clinch a win, losing 23-25, 18-25. The Lady Bulldogs will travel to Sharon Springs on Saturday, September 24 to take on Weskan, Greeley County, and Sharon Springs.

## Lady Bulldogs Work Hard on the Road

By Gabrielle Schiltz

On Saturday, September 24, the Lady Bulldogs traveled to Sharon Springs to compete in a quad with the Weskan Coyotes, Tribune Jackrabbits, and Sharon Springs Wildcats. The Bulldogs lost the first two matches to Weskan and Sharon Springs, but pulled together for the win over Tribune.

"These games showed us how we need to work together as a team throughout the whole game," said Morgan Ritter. "We will have many more highs than lows if we make sure we communicate and keep focused."

The first match that the Lady Bulldogs played in was against the Coyotes. Weskan controlled most of the first set winning 25-10. The 'Dogs regrouped after switching benches staying on top winning the second set 25-17. Both teams were ready to put up a fight with the Lady Bulldogs falling short in the third set 25-27.

The girls then competed against the Wildcats. The start of the game went back and forth with both teams scoring. Sharon Springs called the first timeout of the game after the score was 8-9. The Wildcats then gained momentum, and the Lady Bulldogs couldn't quite pull through ending the first set 16-25. The Bulldogs weren't going to give up starting the second set out on top 5-3. The ball was rallied back and forth throughout the whole set with many good serves and attacks. The ending score of the second set was 22-25 with the Wildcats

winning the match.

The last game of the day for the Lady Bulldogs was against the Jackrabbits. It was a two set match with the Bulldogs coming out on top 25-17, 25-11. The Bulldogs will have a week long break from competition before they travel to Almena on Tuesday, October 4, to take on Triplains/Brewster and Northern Valley.

## CONSTITUTION DAY FOR GOLDEN PLAINS SECOND GRADERS

Golden Plains second graders celebrated Constitution Day on September 17 by studying the US Constitution and building an American Flag paper chain. Students also watched the video "Shhhh! We're Writing the Constitution" and assembled and read a book about the Constitution. their third game of the year with a 65-18 victory over Heartland Christian School midway through the fourth quarter on September 29 in Rexford.

"It was fun to win," said Rolis Loya. "We played as a team and had some good blocks." "The line is getting better," added Wade Rush. "We appreciate the support of the crowd."

The Bulldogs of Rexford won the toss and elected to receive. They quickly got on the boards with a touchdown by Wade Rush. The Crusaders had some good runs during their possession but were stopped by Austin Durham, Rolis Loya, and Roberto Loya

and the Bulldog defense.

Rolis Loya carried the ball for the 'Dogs and with some good blocks from Rush, made a first down. Rush added additional yards before Rolis scored again for the Bulldogs with a minute left in the first quarter. A PAT pass from Roberto to Toby Korte connected for the extra point to end the quarter with a 13-0 Bulldog lead.

The second quarter was a busy one as the Bulldogs continued to add to their score as Rush ran the ball all the way home on the first down. The Crusaders again stopped the PAT attempt. The Bulldog defense kept the Crusaders out of the end zone

with repeated stops including a hard hit delivered by Alex Gonzales.

Roberto Loya repeated Rush's effort and ran the ball all the way to the end zone on the first down of the next possession. The Crusader's deflected the PAT pass attempt but the 'Dogs still led 25-0.

After tackles by Rolis and Kole Butts, the Crusaders turned it over once more. The Bulldog line did their job and blocked well so that Rolis was able to run in another score. Roberto Loya threw the extra point pass to Rush who

pushed himself over the goal for another extra point giving the Bulldogs a 32-0 lead. The Crusaders were determined to score and moved the ball closer to their goal line with some nice runs and connected on a few passes. Butts again stopped the receiver while Korte and Jovanny Infante knocked him to the ground. Gonzales got in on the tackling, as did Alex Shetterly, forcing the Crusaders to punt. The Bulldogs fumbled the ball shortly before half, which the Crusaders recovered around the 10-yard line. Infante and Shetterly stopped the Crusaders, but they were able to break through on the next play putting the ball on the goal line. The Crusaders dropped the ball as the half time buzzer sounded, but picked the ball up to continue the play and finish with their first touchdown of the game. Infante stopped their PAT attempt and the Bulldogs led 32-6 during the break. Toby Korte stopped Heartland's advance at the beginning of the third. Rolis Loya was then able to break through multiple tackles to get into the end zone. A good pass gave the 'Dogs an extra point to lead 39-6. BJ Rogers, Garrett Carter, and Wyatt McDonald stepped into the defensive position along with Infante and Durham. They stopped the Crusaders several times before the Crusaders scored once more. The GP defenders prevented the extra point. "It was fun tackling people," said McDonald. "We can still improve on blocking," added Carter. Rolis Loya picked up the return kick and carried it all the way down the field for a quick answer. Korte caught the PAT pass to give the 'Dogs a 46-12 lead. The Crusaders were not yet out of the game as they put in one more before the quarter ended. Gonzales returned the kick back to the Bulldogs breaking several tackle attempts on his way. A facemask call on the Crusaders gave the 'Dogs an extra 15 yards. Rolis Loya was able to break through for another touchdown followed by an extra point run from Rush to end the third quarter with a 53-18 Bulldog lead. The Bulldogs added two more scores in the fourth including an interception captured by Austin Durham who ran it to the end zone at the beginning of the quarter. Ashton Schiltz carried the ball for a gain before Gonzales caught a pass from Roberto Loya and ran it home for a final Bulldog score to end the game 65-18 with 4:50 remaining. "It was fun running in a touchdown," said Gonzales. "This was my first touchdown," added Durham. "I hope to get more." "They hit hard and blocked well," said Roberto Loya of the Crusaders. The Bulldogs will take their 3-2 record to Cheylin this week to take on the Cougars on October 6 in Bird City.

**MS GIRLS PLAY  
CLOSE SETS IN  
DAMAR**

*By Judy Rogers*

The middle school girls from Golden Plains split games in Damar on September 22 as both A and B teams won over Logan but lost to Palco. The Palco game was a tough one for the A-team Bulldogs. The Roosters won the first set 25-17. Despite their strong serves, the Bulldogs answered with some nice volleys but fell in the second 24-26. "We had difficulties in the Palco/Damar game," said Kassie Miller, 7<sup>th</sup> grade. "We were not playing as a team." "The second game was better," added Morgan Wark, 7<sup>th</sup> grade. "We were more positive," said Danica Ritter, 8<sup>th</sup> grade. The A-team girls defeated Logan in the first set 25-23. The Bulldogs prevailed to win the second set and the match 25-11. The B-team girls had similar results in their matches. The Palco game was a bit of a challenge with the Roosters playing several of their varsity players to have enough for the game. Despite Palco's strong serves, the Bulldogs were able to play a close first set losing 19-25. The second set finished with a Rooster win 25-9. Golden Plains won the Logan game 25-16 in the first set. The Trojans pushed them in the second, but the Bulldogs kept up their game for the 28-26 win. "We played well," said Alisha Brantley, 7<sup>th</sup> grade. "They were a good team, but we communicated and moved better." The Bulldogs will continue their season at home on September 29 as they host the Heartland Christian Crusaders for an A-team only game.

**MS Boys Gain  
Second Win**

*By Judy Rogers*

There's a saying that says defense wins ball games and that was definitely the case as Golden Plains Middle School football team gained their second win of the season to move to 2-2 as they defeated Logan/Palco on September 22 in Palco. "It was a good game," said Toby Korte, 8<sup>th</sup> grade. "Wade had a lot of tackles, Ashton did a good job at center, and Austin had an amazing half back catch from Wade." "The boys did a good job," added Coach Russ Aumiller. "We didn't punt once throughout the entire game." The Bulldogs started off receiving the ball. Rolis Loya ran the ball close to the goal line before being brought down. Following a short run by Wade Rush and a quarterback keeper by Roberto Loya, Roberto ran the short distance for a touchdown. The PAT failed and the 'Dogs were up 6-0. The Bulldog defense stepped up to stop the Trojans and Roberto made another long run to the end zone. The Trojans answered with a score of their own to end the first quarter 12-8 in favor of the visiting Bulldogs. Rolis Loya was unstoppable on offense as he broke through numerous tackle attempts. He made a third Bulldog touchdown to start the second quarter and recovered a Trojan fumble. The Trojans responded by recovering a Bulldog fumble on a handoff. Rush dropped the ball carrier in the backfield. Tackles by Rolis and Austin Durham kept the Trojans out of the end zone as the first half ended with an 18-8 Bulldog lead. The third quarter highlight included another Bulldog touchdown as the ball was knocked out of Rolis' hands on a tackle. The loose ball was picked up by Rush, who ran it over the goal line to give the 'Dogs a 24-8 lead. The Trojans were not out and didn't give up as they connected on a long pass to add to their score. The game was far from over as the fourth quarter clock clicked down. Both teams continued to give it their all despite some early quarter penalties. The 'Dogs connected for a good long gain with a pass from Rush to Durham. The offensive front of Ashton Schiltz, Durham, and Garrett Carter held strong as Rush pushed through for a final Bulldog touchdown. The Trojans also moved the ball close to the end zone but were held out by the Bulldog defense led by Jovanny

## Sen. Moran Introduces Legislation to Protect Family Farms, Small Businesses

U.S. Senator Jerry Moran (R-Kan.) joined U.S. Senators Marco Rubio (R-Fla.) and Jeff Flake (R-Ariz.) today in introducing the Protect Family Farms and Businesses Act (S. 3436). The legislation would prohibit the Obama administration from implementing its proposed regulations to unilaterally expand and raise the estate tax on family-owned small businesses.

“The Treasury Department should pursue policies that encourage the creation and growth of family-owned farms or businesses – not those that will increase the tax burden on families and make it more difficult to transfer ownership to the next generation,” said Sen. Moran. “I have long sought a permanent repeal of the estate tax, and I will continue to work to protect American farmers and small businesses from burdensome tax policies.”

Sen. Moran also joined 40 of his colleagues in urging U.S. Treasury Secretary Jacob Lew to withdraw the proposed regulations, writing that “they directly contradict long-standing legal precedent, create new uncertainty for taxpayers, and put family-owned businesses at a disadvantage relative to other types of businesses.”

S. 3436 is supported by the Family Business Coalition and the Coalition of Franchisee Associations (CFA).

“This bill prevents implementation of the U.S. Department of Treasury’s proposed regulations which greatly restrict estate and gift tax valuation discounts. If implemented in their current form, these regulations will greatly damage the ability of franchisees to pass their businesses down to their children and grandchildren,” said CFA Chairman Keith Miller and Executive Director Misty Chally. “CFA supports the Protect Family Farms and Businesses Act as it recognizes the limitations that are placed upon today’s franchisees and prohibits the U.S. Treasury from restricting the transfer of a franchise to family members.” Companion legislation was introduced by Rep. Warren Davidson (OH-08) in the U.S. House of Representatives (H.R. 6100) last week.

## Sorghum Growers Should Brush Up on LDPs

With harvest quickly approaching and cash prizes already below \$3.00, producers must be cognizant of payment limits. Payments on all program crops will count toward the \$125,000 per entity limit. The posted sorghum prices in most counties are just over \$0.50 away from falling below the loan rate, and many producers are still claiming loan deficiency payments (LDPs) on wheat. Producers must remember all these payments will count toward the 2016/17 limit. Sorghum PLC payments will likely be very large due to the \$3.95 reference price, so it is important producers do not let LDPs limit these and other program payments.

Producers can avoid this situation and claim the equivalent of an LDP by using the commodity certificate exchange (CCE) option. Under this scenario, producers can take out a marketing assistance loan then immediately repay the loan with CCE certificates. Art Barnaby, Ph.D., agricultural economics professor at Kansas State University, has assembled two short publications on this topic. Please read <http://www.agmanager.info/avoid-being-caught-payment-limit> and <http://www.agmanager.info/farmers-may-use-certificates-avoid-payment-limit> for more information.

## Public Hearing Scheduled for Proposed Amendments to Water Regulations

A public hearing will be conducted at 10:00 a.m. on Thursday, Oct. 27, 2016, to consider the adoption of proposed amendments to water regulations. ## Kansas Hog Inventory Up 2 Percent

Kansas inventory of all hogs and pigs on September 1, 2016, was 2.00 million head, according to the USDA’s National Agricultural Statistics Service. This was up 2 percent from September 1, 2015, and up 3 percent from June 1, 2016.

**Breeding hog inventory**, at 180,000 head, was unchanged from September 1, 2015, but up 3 percent from last quarter. **Market hog inventory**, at 1.82 million head, was up 2 percent from last year, and up 3 percent from last quarter.

**The June – August 2016 Kansas pig crop**, at 935,000 head, was up 1 percent from 2015. Sows farrowed during the period totaled 89,000 head, down 1 percent from last year. The average pigs saved per litter was a record high 10.50 for the June – August period, compared to 10.30 last year.

**Kansas hog producers** intend to farrow 84,000 sows during the September – November 2016 quarter, down 2 percent from the actual farrowings during the same period a year ago. Intended farrowings for December 2016 – February 2017 are 86,000 sows, down 4 percent from the actual farrowings during the same period the previous year.

## Kansas Wheat Scoop No. 1966: Search Underway for America’s Top Amateur Bread Baker

Entries for the 2017 National Festival of Breads, sponsored by King Arthur Flour, Red Star Yeast and the Kansas Wheat Commission, are being accepted on October 1, 2016 through January 16, 2017. The competition seeks the best yeast bread recipes from home bakers throughout the United States.

“The National Festival of Breads builds upon a rich tradition of grassroots support and is the nation’s only amateur yeast bread baking competition,” says Cindy Falk, co-chairperson of the event and nutrition educator for the Kansas Wheat Commission. “This contest is a way for amateur bakers to be recognized for their baking skills and creativity.”

Adult amateur bakers, ages 18 and up, can submit original recipes for holiday breads, rolls, time-saving and simple breads, and whole grain breads online at [nationalfestivalofbreads.com](http://nationalfestivalofbreads.com). Youth bakers, ages 8-17, can also submit recipes for yeast breads and quick breads using the same form. Submissions, which requires photos of the entered bread, will only be accepted through the online form.

Judges will evaluate all entries and select eight adult finalists, each of whom will receive airfare and accommodations to participate in the national competition on June 17, 2017, in Manhattan, Kansas. In addition, each adult finalist will receive a \$500 cash award, participate in a wheat harvest tour to a working Kansas wheat farm, flour mill and grain elevator, learn about wheat research at the Kansas Wheat Innovation Center and take part in other activities. The Grand Prize Winner will receive \$2,000 cash and a trip to attend a baking class of their choice at the King Arthur Flour Baking Education Center in Norwich, Vermont. One youth grand prize winner will be selected and will receive a \$300 scholarship. Two youth entries will receive a runner-up prize of a \$100 scholarship. More prize packages are detailed in the official contest rules at [nationalfestivalofbreads.com](http://nationalfestivalofbreads.com).

## Rusty Patched Bumble Bee Proposed as Endangered Species

On Sept. 22, the U.S. Fish and Wildlife Service announced a proposal to list the rusty patched bumble bee as endangered under the Endangered Species Act, troubling news for farmers, pesticide manufacturers, property developers, timber harvesters and others. If listed, the bumble bee would be the first bee species listed as an endangered species in the continental U.S. Public comments will be accepted through Nov. 21, 2016, at this website: <https://www.regulations.gov/docket?D=FWS-R3-ES-2015-0112>

com.

“Inspiring youth to bake can foster future generations of home bakers,” says Falk. “These youth bakers can then pass on their baking skills as a service to local schools, communities and clubs.” The Festival of Breads was established in 1990 by the Kansas Wheat Commission and Kansas WheatHearts, an auxiliary group of the Kansas Association of Wheat Growers. In the original “Festival of Breads” baking competition, hundreds of amateur bakers from Kansas submitted their baked products during the biennial competition.

The National Festival of Breads is sponsored by two of the most trusted brands in baking, King Arthur Flour and Red Star Yeast.

King Arthur Flour is America’s oldest flour company and premier baking resource, offering ingredients, mixes, tools, recipes, educational opportunities, and inspiration to bakers worldwide.

For more information, visit [kingarthurfLOUR.com](http://kingarthurfLOUR.com) Red Star Yeast was founded in 1882 and over the years has developed a complete line of yeast products including PLATINUM Superior Baking Yeast, Active Dry Yeast, Quick Rise Yeast and Cake Yeast. Red Star also has many tips and tricks of the trade and the science behind yeast on their website, [www.kansaswheat.org](http://www.kansaswheat.org).

The Kansas Wheat Commission is a farmer-funded and governed advocacy organization working to secure the future of Kansas wheat globally and domestically through research, promotion, marketing and education. Kansas wheat farmers support the Kansas Wheat Commission with a voluntary two cent assessment on each bushel of wheat produced in Kansas. ## Kansas Breeders Promote Beef Genetics Abroad

In September 2016, a Kansas beef producer took his first steps across international borders to take part in an agricultural trade mission to Uruguay. With the goal of exploring opportunities for U.S. and Kansas beef genetics abroad, Jason Pratt of Dwight, Kan., was interested in learning more. “I wasn’t sure what to expect,” said Pratt. “You read publications, magazines and online articles, making you believe you have a picture of what international agriculture looks like, but it’s really hard to grasp until you see it in person.”

The trade mission was sponsored by the Kansas Department of Agriculture with assistance from funds from the U.S. Livestock Genetic Export, Inc. Pratt chose to submit an application to participate in the trade mission, was selected, and traveled along with three other Kansans: Russ Smith of RS Angus, Dodge City, Kan.; Galen Fink of Fink Beef Genetics, Randolph, Kan.; and Billy Brown, KDA agribusiness development coordinator.

During the three-day trade mission, the Kansas breeders attended Uruguay’s largest livestock exposition, Expo Prado, where they were able to interact with breeders and genetics companies to promote the use of U.S. beef genetics.

Smith said that these meetings were invaluable. “It was an opportunity to get a feel for the wants, needs and desires that Uruguay

has for U.S. beef semen and genetics,” he said.

Kansas trade mission participants also fostered relationships with Uruguay producers by participating in field tours. Smith said he was surprised by the advanced use of artificial insemination in the average commercial cow operation. “This provides a great opportunity for semen sales and/or selling bulls for semen collection,” he said. “We’d really like to get a foothold in that market.”

KDA strives to encourage and enhance economic growth of the agriculture industry and the Kansas economy by exploring and expanding both domestic and international marketing opportunities.

“The trade mission gave me and the other participants a firsthand grasp on the differences between the United States and Uruguay. We were given a better understanding of how cattle are sent to market, their selection criteria based on market demands, and even production management,” said Pratt. “This program provided by KDA was a great opportunity for beef producers to gain exposure and develop tools necessary to access markets around the world.”

For more information on this or other international trade missions, please contact Suzanne Ryan-Numrich, KDA international trade director, at [Suzanne.Numrich@ks.gov](mailto:Suzanne.Numrich@ks.gov) or 785-564-6704.

## Commission Minutes 9/26/2016

Now on this 26<sup>th</sup> day of September, 2016, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Doyle Kauk presiding. Others present were Vic Bielser, Troy Dewey and County Clerk Heather Bracht.

Bracht advised the board that maintenance man Evan White had tried to patch and repaint some areas on the commissioner’s room walls and the paint did not match very well. Permission was given for White to repaint the entire room.

Kauk made a motion to approve the September 19, 2016 minutes as amended. Dewey seconded the motion. Carried 3-0.

Dewey made a motion, seconded by Kauk to approve and sign the payroll and warrants as presented. Carried 3-0.

Bielser made a motion to approve and sign the renewal of the Cereal Malt Beverage license for Studley Tire. Dewey seconded the motion. Carried 3-0.

An election notice to provide workers compensation coverage for inmates was approved and signed by the word on a motion from Dewey and second from Bielser. This will cover inmates when they are doing manual labor such as painting in the dispatch office, cleaning vehicles, etc.

Dewey made a motion to make Kauk the delegate for the KCAMP meeting at the November Kansas Association of Counties meeting and Dewey will be the alternate. Bielser seconded the meeting. Carried 3-0.

Guest Harry Joe Pratt entered the meeting.

County Attorney Steve Hirsch and County Treasurer Shirley Niermeier entered the meeting.

Niermeier presented the list for the tax sale. Discussion was held on some property where individuals are purchasing the property but no Notice of Sale or Affidavit of Equitable Interest has been filed of record so the delinquent taxes are going to the original owners. Niermeier also presented a list of outstanding checks, some from 2013, from the account set up at First State Bank for Corporate Plan to pay claims out of. Corporate Plan has advised the county that as far as their records, the account is closed. Hirsch will do a Resolution listing the outstanding checks and authorize Niermeier to close the account and move all money to the General Fund. Hirsch returned with the Resolution. Bielser made a motion to approve Resolution No. 16-51, voiding certain checks issued on the county partial self-insurance account. Dewey seconded the motion. Carried 3-0.

Paulette Feldt, Road & Bridge Supervisor entered the meeting and distributed road work maps. Mechanic Nicholas Roudybush entered the meeting. Discussion was held on the wheels on the Rhino mowers and the fact that they keep busting the centers out. The plates are actually bending. They have talked with Hoxie Implement and Rhino, who advised they need to talk to the dealership. The board advised Roudybush to talk with Ed Heim about the problem. Roudybush presented bids for air conditioning unit with nitrogen. Kauk made a motion to approve the bid from Ed of Kansas. Dewey seconded the motion. Carried 3-0. Roudybush advised he was gathering information for the cost of scanners to be used on vehicles to determine problem codes. Feldt gave a report to the commissioners of the employee meeting she held last week. The 40N culvert washout repair has been completed. The feedlot road condition and other road/bridges were discussed. An employee’s time/overtime was discussed.

At 9:40, Kauk made a motion to recess the meeting so the board and Feldt could travel to the Selden area to review roads. Bielser seconded the motion. Carried 3-0. The board and Feldt looked at the Selden spur. Feldt will contact Mathew Withington with KDOT to discuss repairs. The board and Feldt then inspected 100N and 10E going east ½ mile. No decisions were made from these road inspections. The board reconvened in the commissioner’s room at 11:13.

The following bills were audited and allowed:  
General Fund \$98,550.23  
Road & Bridge \$99,987.73  
Spec Mach \$  
E911 Wireless \$2,284.71

Norman Mills

Norman H. Mills passed away on Wednesday, September 28, 2016 at the Sheridan County Health Complex Long Term Care in Hoxie, Kansas at the age of 86. He was born on March 16, 1930 in the Bowcreek Township of rural Sheridan County to the late Paul N. and Ruth (Mowry) Mills. He grew up attending Bowcreek Elementary School before graduating from Sheridan Community High School with the class of 1947.

Upon graduation, Norman took over the family farm that his grandparents established, and is now recognized as a “Century Farm.” Over his lifetime he developed an excellent cattle program, served as a board member for Ness City Federal Land Bank and the Sheridan County Soil Conservation District, received an award for the highest yielding corn crop in Kansas, and together with Albert Mills created and developed the Tri-Flex flexible sweep tool which is still used in farming operations today. He continued farming and ranching until his retirement and move to Hoxie.

Norman enjoyed fishing. He was a lifelong faithful member of the Church of Christ having been baptized into the family of God in 1943. He was a wonderful Bible and Sunday School teacher with many of his students commenting how much they learned from him. He loved his family, and although he had no children of his own, his nieces and nephews were always very special to him.

Norman is survived by his brother Lloyd Mills and wife Veryl of Enid, OK; sister Lorraine Coulter of Hoxie; sister-in-law Nadine Mills of Hoxie; and numerous nieces, nephews, and friends.

He was preceded in death by his parents Paul and Ruth Mills, brother Albert Mills, niece Vicki Mills, and brother-in-law Edwin Coulter.

A funeral service was held on Monday, October 3, 2016 at the Mickey-Leopold Funeral Home in Hoxie. Burial followed at Lucerne

Cemetery. Visitation was on Sunday, October 2, 2016 at the funeral home. Memorials are suggested to the Hoxie Church of Christ, Sheridan County Health Complex Long Term Care Unit, or the Phillipsburg Hospice and may be sent in care of Mickey-Leopold Funeral Home, PO Box 987, Hoxie, KS 67740. Online condolences may be left at [www.mickeyleopoldfuneral.com](http://www.mickeyleopoldfuneral.com)

Norman spent his life being a good steward of the land, raising his cattle and loving God, family, friends, and neighbors. He was loved and will be missed, but we rejoice as he has reached that heavenly home on high, where he hears the Great Rancher say, “Well done, good and faithful servant.” At last he has received eternal rest with God in happiness, peace, and love.

Varlan Neal

Varlan E. Neal passed away Monday, September 26, 2016, at the Good Samaritan Center in Oberlin at the age of 89. He was born August 3, 1927, in Hoxie, Kansas, the son of Charles and Nellie (Shea) Neal.

Varlan and his five siblings grew up in Hoxie and attended school there. During World War II, he served in the United States Army.

On August 21, 1955, Varlan married Irma Joy Rohan in Jennings, Kansas. They made their home in Oberlin and were blessed with three children: Kevan, Kayla and Kendal. Irma Joy preceded him in death on April 23, 1989.

Varlan was united in marriage to Catherine (Schiltz) Shields on April 27, 2001, at the Sacred Heart Catholic Church in Oberlin. His family then grew to include her eight children. Their families were a source of great joy to them, and they enjoyed

family gatherings and attending activities for their grandchildren and great-grandchildren.

Over the years, Varlan farmed and worked for Nitsch & Nitsch, Inc. (later known as Reliance Motor & Equipment) for many years, as a John Deere mechanic. He truly enjoyed his job but also had other interests, such as working on antique motors, fishing, hunting, and doing carpentry work. Varlan was a faithful member of Sacred Heart Catholic Church, Knights of Columbus, American Legion Post #70, and was a lifetime member of the V. F. W.

Survivors include his wife, Catherine; three children, Kevan Neal of Denver, CO, Kendal and Tammy Neal of Oberlin, and Kayla and Tony Korte of Rexford; stepchildren, Larry Shields of Lincoln, NE, Lloyd and Clarice Shields of McCook, NE, Lee and Teresa Shields of McCook, NE, Leslie and Dee Shields of Denton, NE, Alan Shields of Oberlin, Kathleen and Jay Tschetter of Denton, NE, and Charlene and Daren Agan of Oberlin; brother-in-law, Vayle Rohan of Oberlin; 23 grandchildren and 21 great-grandchildren; other family members and friends.

He was preceded in death by his parents; first wife, Irma Joy; stepdaughter, Teresa Dowling; three brothers, James, Allan and Bill Neal; and two sisters, Ruby Holmes and Mary Karnes.

A Vigil service was held Thursday, September 29 at 7:00 p.m. at Pauls Funeral Home in Oberlin. Mass of Christian Burial was held Friday, September 30 at 11:00 a.m. at Sacred Heart Catholic Church in Oberlin with Rev. Gnanasekar Kulandai officiating. Burial was in the Oberlin Cemetery with military rites by Oberlin American Legion Post #70 and Oberlin Legion Riders. Memorial contributions may be addressed in Varlan’s name and sent to Pauls Funeral Home, 121 N. Penn Ave., Oberlin, KS ([www.paulsfh.com](http://www.paulsfh.com)).

Rolo Ewers, Jr.

Rolo S. Ewers Jr. passed away Monday, October 3, 2016 at the Sheridan County Health Complex at the age of 90. A private family inurnment will take place at the Kansas Verteran’s Cemetery of Wakeeney, Kansas at a later date. Memorials may be sent to the Rolo S. Ewers Jr. Memorial Fund in care of Mickey-Leopold Funeral Home, P.O. Box 987, Hoxie, Kansas 67740.
