## Summer RockFest 2017

Submitted by Cross and Flame Parish

This last Saturday night the Hoxie High School auditorium was thumping! Just in front of the stage, ten-foot-tall speaker cabinets were pouring out waves of hard Christian rock music on just under a hundred eager fans. The event was divided into five different sections, each featuring a different Christian hard rock band, starting with an all-female group called Gold, Frankincense, and Myrrh consisting of three teenage sisters from Florida. They kicked the show off with a fast paced, and amplified set creating a mood of fun and hard-core rock for the evening. After GFM left the stage, a four-piece band named Random Hero was next and kept the pace up, stopping in the middle of their act to share with the youth a powerful gospel message. As the night wore on the bands progressively heated up, with The Protest taking the stage next, filling the auditorium with incendiary guitar riffs and deep sliding bass notes reverberating throughout the entire school. Scarlet White did a great set, and warmed up the crowd for the headliners of the tour, Seventh Day Slumber. As the Christian rock giants took the stage there was a palpable anticipation in the crowd. They started off with a few of their hits, including "We Are the Broken" and "From the Inside Out" followed by the title track from their new album due out July 28, "FOUND". In the midst of their act, the lead singer took a break to interact with the crowd, offering them a chance to sponsor a child, through ChildFund, who is suffering from poverty. The night ended with an emotional alter call involving over 35 concert attendees, followed by incredible worship music. What a night!

This event was hosted by the Hoxie United Methodist Church and organized by Andrea Schadel who said, "It

was a lot of work, but totally worth it!" The Methodist Church decided to invest their time and their resources into providing a fun Christian event for young adults and families in the northwest Kansas area. According to the pastor at the Methodist Church, Jake Schadel, "We wanted to let people in Sheridan County know that when it comes to reaching out to young families, we mean business!" he finished off his sentence with a smile. The concert was supported in part by the youth group, which held a fundraiser, and an accompanying community wide taco bar at the church the day of the concert, organized and staffed by the church's women's group, the United Methodist Women.

There was a lot that went into making the Hoxie stop on the Summer RockFest tour possible. The Hoxie UMC wants to thank Bainter Oil Service, Brad Kennedy, Cressler Creations and Gifts, CressVue Motel, Crop Production Services, D & L Services, First State Bank, Hill City Times, Hoxie school system, The Hoxie Times, Hoxie State Insurance, Inc., KTCC Radio, JD's, Joselyn's Food Center, The Office Emporium, and the Sheridan County Public Transportation for their sponsorships! They would also like to thank

everyone that donated food to the Taco Bar Dinner, the band's lunch and hospitality snacks! All five bands said over and over how welcome they felt here in Hoxie. They raved about the community and about the hospitality they were shown, not just by our concert crew but by the entire community. Some wonderful stranger even filled up one of the band's vehicles with fuel! We extend a sincere "Thank You" to each one of our amazing volunteers both at the church for meals and at the school for the concert. It took a lot of hard work and many hands to make this

all come together. We also want to thank Gary Smith for making himself available to us on the weekend to wire the band's equipment in and take it back out. Without Gary's help we wouldn't have had a concert! Andrea Schadel has said from the beginning of this journey that it would be marked as a success if God was glorified and if the people who attended were blessed. She counts it as a great success!

Band members enjoy visiting and taking photos with attendees of the Summer RockFest concert on Saturday, July 8 at the Hoxie High School auditorium. Members of the community enjoyed a Taco Bar Dinner at the United Methodist Church prior to the concert. (Photos by Cross and Flame Parish)

**Judging People-Part 2**  
*By Micah Howery*  
Jesus, Paul and Peter all warned people not to judge others. Rather, they instructed us to love others, be compassionate and even helpful toward those who sin against us, not just those who are sinful.

In Romans 2:1 Paul says, “for at whatever point you judge another, you are condemning yourself, because you who pass judgment do the same things.” In Romans 14:4 he says, “Who are you to judge someone else’s servant?” In 1Cor 4:5 he says, “Therefore judge nothing before the appointed time;” To remind you what we discovered last week, in these cases, we are being instructed not to condemn others or judge their value as less than ours. There is only one word for “judge” in the Greek and it can mean discern as well as damn. In our list above, we are being told not to damn people (condemn).

There are some very good reasons for this. The first is found in our first quote, Romans 2:1. We shouldn’t

condemn people for sin because we “do the same things”. This isn’t an excuse to condemn those who sin “worse than us”, because we are not doing “the same things”. Paul’s point is that we are all sinners (Ro 3:23).

Jesus told a parable about a man who was forgiven a large debt who went straight to another man who owed him money and demanded it be paid. The first man was then thrown in prison for not paying his own debt. Jesus’ point was that if we condemn people for not being perfect, we will be condemned for our own imperfection. Jesus touches on this subject in another place (Mt 6:15) when He says that if we don’t forgive those who sin against us, God won’t forgive us.

We shouldn’t judge people because we are in no place to judge them. How can I, a sinner, tell another sinner he/she is beneath me? That’s like one beggar mistreating another because he is poor. That’s hypocrisy! There’s another good reason to refuse to judge someone, though. We are terrible at it! I’ve been a pastor for nearly ten years and during that short decade I have witnessed countless inter-personal conflicts that were downright stupid and/or silly.

People judge others over a misunderstanding, a misperception or a mistake. People will get offended

at and hate other people without true cause, but won’t listen to reason or the truth. They are SURE, they are right and the other is wrong. This is especially true in marriage conflicts.

The truth is, our brains are very bad at judging. Judging requires an ability to objectively and passively see all facts concerning an issue. Well, that disqualifies most people right off the bat! Our perception of reality is skewed, warped and biased. That’s not an insult, that is a scientific fact that has been through countless studies.

I think that’s why we weren’t supposed to eat from the Tree of the Knowledge of Good and Evil. In the immortal words of Jack Nickleson, “we can’t handle the truth.”

To judge a person’s value requires knowing everything about that person, which even the person doesn’t know. You can judge whether a person sinned against you, but to judge the person themselves is outside of your skill-set and judiciary right.

Stop evaluating the worth of those around you. We are all created in God’s image, saved or not, moral or not, talented or not, rich or not. That even includes those whose sin disgusts you like sexual sin. Treat them as Jesus commanded, helping, serving and loving. When we do that, we help, serve and love Him. (Mt 10:40-42)

My daughter asked me for a pet spider for her birthday, so I went to our local pet shop and they were \$70. Forget it, I thought, I can get one cheaper off the web.

### Cakes for the Tea Table

The serving of tea in the late afternoon is a custom which should not be allowed to die out. There is no need of an elaborate equipment, just a few pretty cups and plates, a hot-water pitcher and a teapot, with the trimmings necessary for tea, such as sugar and cream, a few cloves, and a lemon, all not at all beyond the means of the simplest household.

If the tea balls are made by tying enough tea for two or three cupfuls in small pieces of thin muslin, they may be dropped into the hot water and the tea will not need straining. The tea balls will keep indefinitely in a tea canister. The custom of leaving a tea table set in a living room is not a pleasant one, as the linen and china become dusty and one prefers to know that everything is fresh and dustless. The

necessary equipment may be brought on a large tray or tea cart arranging it each day it is needed.

**Graham Cookies** - Cream two cupful of brown sugar with one cupful of shortening, add one egg, one cupful of buttermilk, a teaspoonful of soda, and a little salt. Add enough graham flour to make a soft dough, roll and cut.

When making drop cookies, using fruit, a small amount of any preserved fruit may be added to advantage. For example, a spoonful of canned berries, cherries or pineapple. Dry it a little so the moisture will not cause the cakes to fall.

### Simple Inexpensive Dishes for the Family Table

A most satisfying dish for a main dish for the dinner or luncheon is prepared with rice and a small amount of meat. It is called in some cook books.

**Chop Suey** - Take a cupful of rice, cook until tender but

still full of moisture, add a can of tomato, a pound of chopped beef, salt, pepper, celery salt, one small onion finely chopped, all well mixed and baked until the rice is well cooked, and the meat is sufficiently cooked. This will make a dish large enough to serve a family of six bountifully.

**Another Savory Dish** - Place a few bits of chicken or other meat will cooked and seasoned in a dish on a layer of thinly sliced potatoes or on half cooked rice, sprinkle with chopped onion, cover with a cupful of tomato and bake until the vegetables are well cooked.

**The Golden Belt, Grinnell July 10, 1886**  
Hot as h-ot can be.  
Our tank has received a fresh coat of red paint.  
Seth Lytle will start for Paxton, Ill., the first of the week. He will return after a visit with his family.  
Quite a number of the pleasure-loving people enjoy themselves at evening time, on the croquet ground. Several nice grounds have been arranged, and are in use each evening.  
Gus Peterson and Dewey Dunn made a trade wherein Gus became owner of a number of fine ponies, and Dewey received a deed to the northeast quarter of section eight, township twelve, range thirty.  
On Tuesday night of this week, a coyote, or some sort of a prairie "varlet," raided the hen roost of Brudder Hammond's, and selected therefrom an excellent specimen of the turkey gobbler tribe, and proceeded to tow it home. Jess "skart" it away and captured the gobbler, but not until life was almost extinct, and he has been kicking himself ever since because he did not watch the roost that one particular night.  
Judge E. Kinley and wife started on Monday's fast train for their former home, in Brunswick, Mo. They intended visiting Wamego and Kansas City on their way down. In a private letter from Mr. K. he says that one hundred miles east of here crops are not to be compared with those of Gove. He will return as soon as is possible and make this (Grinnell) the garden spot of the world, his home. He will be gladly welcomed by his many friends on his return here.  
Messrs. E. A. McMath and J. W. Hopkins, two of Grainfield's prominent and promising men, were in the city Thursday. The *Belt* goes one year from date to each of these gentlemen. Mr. McMath is a young attorney of rare ability, and has a bright prospect for a glorious future. Mr. Hopkins is a son of "Squire Hopkins, of Alcyone, Kans., and is an old time resident of this section, a man of unquestionable reputation, and a gentleman in every respect. Call again, gentlemen.  
The dance in Grinnell on Monday evening of this week was quite largely attended, and the participants of the "toe shake" spent a very enjoyable evening. They came in crowds from Oakley; they came from the north, the south, the east and the west, and made by far the largest and best looking assembly ever congregated for that purpose in Gove county. Wa-Keeney talent furnished the music, which was excellent. Much credit is due Mr. Booton for the success of this dance and for the impartial manner in which it was conducted. Vanover furnished the refreshments in true metropolitan style.  
**125 Years Ago July 14, 1892**  
We desire to warn picnickers and fishers that the festive chigger is once more ripe.  
T. S. Palmer and his assistants, Geo Byers and A. Walton, are at Seguin this week erecting a new school house.  
Roasting ears and "water millions" will soon be here.  
Corn is said to have grown three inches Monday night.  
Steve Leaton, 10 miles west of town, boasts of a man-child at his house.  
G. W. Homes is anticipating a visit from his mother, of Hartford, Conn. She is expected Tonight.  
Croquet parties have been revived and the different

grounds about town are the center of attraction every evening.  
We have heard several good judges claim that Dr. Freeman has the finest field of wheat in the county. Who disputes with the Doctor for the honors.  
Marshall Battey returned Saturday from a months visit with his family in Nemaha county. The Ancient Order of United Grass-Widowers held a special meeting Saturday in honor of the return of their esteemed President.  
The cyclone retreats were full to overflowing Monday night.  
Farmers only come to town now to buy grub and binder twine.  
Oh, No! The Democratic party is not dead. It is simply "playing possum."  
Dr. A. D. Raffington, of Stockton, was practicing his profession - dentistry - here yesterday.  
F. A. Havercamp and Herman Schlageck, of Grinnell, were registered at the Ellithorpe Sunday.  
We are in receipt of an invitation signed by "The Four Hundred" to bring our "wimmin folks" and attend a grand ball at the Opera House tonight.  
J. W. Warner, of Prairie Dog township, made us a pleasant call while in the city Tuesday. Mr. Warner is one of Sheridan county's most successful farmers.  
W. M. Jackson intends to soon occupy the Spencer house, and the house now occupied by Mr. Jackson will shelter our worthy county Clerk, J. B. McPherson.  
Sam Morgan was loading machinery in town yesterday.  
**Normal Notes**  
The second week starts in with an enrollment of 35. All seem to be interested and are doing good work.  
Miss Robins, Miss Toothacher and Frank Tucker were enrolled the first of the week.  
**Tasco Tales**  
Mrs. Chas. Perkins and family, from Plainville, are visiting J. O. Hopkins.  
J. O. Hopkins has gone to Gove county to help gather in the sheaves.  
Mr. Moser is herding 250 head of steers on the Carson range for Tom Pratt.  
**100 Years Ago July 12, 1917**  
**Oakland Car Baptized**  
One day last week while out swimming on the Gus Johnson place with several other boys, Carl Russell parked his Oakland "Six" on a bank near the swimming hole. After leaving the hole and getting ready to start back for town the brakes in some manner released of their own accord and the car ran over into the water completely immersing it. Save a good ducking the car escaped uninjured.  
**Will Exhibit Educational Pictures**  
Prof. Menefee, of the Palace Theatre, informs us that he intends to put on an educational entertainment each week during the school year. The films are put out by a company that makes a specialty of catering to the schools and are of great educational value. Many towns have tried this plan and it has proven to be a success. Prof. Menefee is to be commended in his efforts to give the young people of this community something of real educational merit and the school board and teachers will no doubt cooperate with him in making the plan a success.  
**Local News**  
Miss Lora Crum has contracted to teach the Guy school this winter.  
G. W. Fairchild and family, of Bow Creek township, returned Friday from a two weeks' visit with relatives and old-time friends in Smith county.  
Hoxie has made a nice growth this summer in spite of the poor season. It has added four or five new business buildings and several residences.  
Floyd Davis joined the army a few days ago and is stationed at Fort Riley where his brother Clyde is. These boys seem to like army life quite well and are getting along nicely.  
Miss Mildred Scott, formerly of this county but now of Tacoma, Washington, is spending this week in Hoxie, the guest of Miss Emma Hedge.  
Ex-Sheriff Nichols is able to be up town this week. His jaw has entirely healed up but his leg is pretty sore yet and probably will take some time for it to heal as the periosteum is injured. But Nick is equal to several dead men yet and is coming right along.  
Clay Reed, of the Selden country, passed through here Monday on his way home from Dorrance, Kansas, where he has been harvesting. He says some of the wheat down there will make a good yield for this year.

**In The Rough Or In The Water**  
(Couples Golf)  
Sunday, July 12, saw 32 golfers out to play "In the Rough or In the Water." It was Bill and Jan's game for the night. Partners were drawn and everyone set out to golf. The game was scotch with the women teeing off on the first hole. Every other hit was alternated. Whoever made the putt left the other person to tee off. We tried really hard to make our putts so we wouldn't have to tee off over the water, especially on #6 and #9. Of course, there was an advantage to having the women tee off on some of the holes as the women's tee boxes are closer than the men's, and sometimes the men only got their tee shots as far as the ladies' tee box which left that team with a one-stroke disadvantage before they ever really got started. Bill seemed to have a lot of trouble with this.  
**K-18 To Playoff Games**

## Speeding Epidemic to be Addressed

Beginning July 21st thru July 23rd, Sheridan County Sheriffs Department will join other Law Enforcement agencies in Kansas, Iowa, Nebraska, Arkansas, Missouri and Oklahoma to stop what has been an epidemic that often has fatal consequences, "speeding" on our streets and highways.

In an effort to change this trend, law enforcement across the six-states area will be extra vigilant when patrolling around city, rural state and federal highways. As speed increases, the severity of crashes increases, leading to a rise in fatalities and/or serious injuries. Officers are educating drivers and passengers regarding the importance of slowing down, using restraints and not driving while impaired or distracted.

There should be no surprises when it comes to this enforcement effort. Officers will issue citations to any individual who refuses to obey traffic laws, whether it is for speeding, texting, driving while impaired or failing to buckle up.

Sheriff Carver says, "Even one death is unacceptable. Please slow down, put the phone away or turn it off, and always buckle up."

## Gove County Medical Center Hosts 2<sup>nd</sup> Annual Charity Golf Tournament

Gove County Medical Center will host the second annual charity golf tournament "Swing Into Healthcare 2017" on Friday, August 11, at the Grinnell Cow Paddy Golf Club, North 3<sup>rd</sup> Street in Grinnell.

This year's theme is "We Can-cervive!" The funds will pay cancer exercise rehabilitation for cancer patients receiving therapy at GCMC. The rehabilitation is developed through evidence based research. Research indicates that monitored aerobic activity fights chemotherapy toxins, builds strength and balance, decreases pain and cancer related fatigue, and improves quality of life.

Who do *you* know? Everyone knows at least one person in our neighborhood with cancer. Providing funds for our neighbors and friends to receive treatment at no cost to them is our way of giving back.

If you're a golfer, please consider joining us. The 2-person scramble tournament starts at 8:30 with registration and meeting some patients who have benefitted from the therapy. Shotgun start at 9:00 a.m. The \$90.00 entry fee includes 18 holes of golf, 1 Mulligan per team, lunch, and prizes. A free t-shirt is available with registrations received by July 28<sup>th</sup>.

Don't golf? Sponsorships are still available. Help us reach our goal of \$11,000.00.

To sponsor or register to golf, call Carolyn Nelson at 785-754-3341 ext 5261 or Valerie Schneider (785)-754-3341 ext 5124 or visit our website at [www.govecountymedicalcenter.org](http://www.govecountymedicalcenter.org)

## News from the Outside

By John Liester

Another week is on the books. Fishing was good all around the area. I heard of good walleye, and lots of white bass are being caught at Webster. My usual fishing spot gave us several nice catfish. Today, I heard they were biting around 3 o'clock! Crazy fish anyway.

Seeing more and more doves driving to work and home. Big herd of bucks have been seen. A few look like they're going to be big!

The resident goose population just keeps growing! Anyone who knows me will tell you that I live and breathe goose hunting! I blame my father for that!

Is this rain crazy or what? Sure is nice to see everything green still!

Back to fishing. Right now, cut bait and shrimp seem to be working for catfish. Cut bait can also get you some very large wipers!

I see the algae watch has been removed from Sebelious now! I have a lady friend that just worries way too much about it. Just my opinion, but if you stay out of the water and don't drink it, why worry? Use some sense out there. Yes, I know, I ask a lot!

Well, time to end this chapter. I will report again next week, providing I keep my sanity! Good luck and stay safe.

## ON THE EDGE OF COMMON SENSE Pestilence

By Baxter Black, DVM  
Piojos! Lice! The biting kind. You see 'em everywhere They're thick as thieves on cattle's backs and crawl in their hair!

And ticks the size of Tootsie Pops transfuse a cow a day!

And two can pack a yearlin' off or pull a two-horse sleigh!

A team of scabies mites can slick, a pen of weaners clean

And make you wish you'd never heard of two-dip quarantine!

But sheep don't get off easier, there's nasal bots and keds

Plus maggots from a screwworm strike that every herder dreads.

There's deer flies, blow flies, horn flies, house, face flies, horse flies, warbles.

There's pinworms, hookworms, lungworms, tapes, nasty, horrid, horrors!

As if them buggers ain't enough row croppin' can be worse!

It's hard to make a cotton crop if ballworms get there first!

And if you think I'm blowin' smoke try growin' grapes or pears

When aphids, thrips and nematodes all take their rightful shares.

They took ol' Noah at his word, "Go forth and multiply!"

But man has stepped into the breach and raised the battle cry!

We're fighting back with pesticides, with dips and sprays and dust.

With tags and bags and fogging guns, "Insecticides or Bust!"

We applicate them airily, we mix it from a sack,

We give it in a shot nowadays or pour it down their back.

We hire consultants left and right to give us sound advise

So we can fight this pestilence of worms and flies and lice

We tell ourselves God gave us brains to halt their ill effect  
And, though he made all living things he gave us intellect.

So, how come we can't beat these bugs? Methinks we've too much pride.

Though God made us, remember he ain't always on our side!

## Donald Schultz

Donald Lane Schultz, age 80, of Grainfield, passed away Wednesday, July 5, 2017, at Sheridan County Long Term Care. He was born January 8, 1937, in Stafford, KS, to Charles Monroe and Mabel Arlene (Staats) Schultz.

Donald attended Sylvia schools graduating from Sylvia High School in 1955. Attending and graduating from Fort Hays State College in 1959, Donald ran track, completed a BS degree in Agriculture, and met Mary Louise Johnson while working as a busboy in the dorm.

On June 2, 1959, Donald was united in marriage to Mary Louise Johnson at the Christian Church in Oakley. After marriage, Don taught Science and Mathematics at Selden High School and was an assistant coach for all high school boys sports. Farming was always his first love so they moved to a farm northwest of Grainfield with Louise and their oldest one-year-old son Darren Lane who was born while Don was teaching at Selden. After moving to Grainfield two more sons were born, Douglas L. and Daniel L. The young family soon outgrew the 2-bedroom trailer they were living in so the moved a two-story brick home (formerly Louise's Grandma Johnson's home) from Russell. Don helped by riding on the roof helping Western Cooperative Electric linemen raise the power lines to allow the house to move under.

## Commission Minutes 7/3/2017

Now on this 3rd day of July 2017, the Board of Commissioners, Sheridan County, Kansas met in regular session with Chairman Troy Dewey presiding. Others present were Joe Bainter, Vic Bielser and County Clerk Heather Bracht. Doren Follis was a guest.

The last paragraph of the Resolution, "... and charge a handling fee." was added. Bingham advised he had received sour grain from Frontier Ag. This can slowly be laid in as cover for the trash.

Bieker was told about a few roads that needed some attention. They will be put on the list. The Sequin road north of the highway will be viewed at the end of the meeting. Water is draining in to the east field. Bieker will be called when it is time for the road viewing.

Dewey made a motion to approve the June 26, 2017 minutes as presented. Bainter seconded the motion. Carried 3-0. Bielser made a motion to approve the June 30 payroll. Bainter seconded the motion. Carried 3-0.

David Leopold entered the meeting with a rough draft of the 2018 budget. Leopold explained the numbers and how he came up with certain figures in some of the funds. He will come back on July 10 for a final review and then it will be published and the public hearing date set.

Meghann Gourley, Darnell Keith and Jodi Rogers entered the meeting representing Hoxie Recreation. Rogers presented information on the budget, income, expenses and the programs offered through Summer Recreation. For 2018, they ask that we add an appropriation line item in the budget for Hoxie Recreation. The board exited. Dewey made a motion, seconded by Bainter to move \$7,000 from the Building

Donald was very involved in his community. He was a member of and past president of many organizations, including the Western Cooperative Electric Board, Kansas Electric Cooperative Board, NC+ Seed dealer and chairman of the Grainfield United Methodist Board. Don was very active in his church, helping dismantle the old parsonage and build the new one in 1972, installing the lift and many remodeling jobs. Don's real passion was building and growing the farm with his three sons, planting, irrigating, harvesting, delivering calves, gathering eggs, working endless hours as all farmers who love the land do. Don cherished his family. Whenever his children and grandchildren had a school and or community event, you could count on seeing Don and Louise there to support them. Traveling with Louise was also a highlight for Don.

Survivors include his wife of the family home; three sons, Darren Schultz and Gwen Urban of Grainfield, Doug (Ronna) Schultz of Grainfield, Daniel (Joan) Schultz of Grainfield; five grandchildren Cas Schultz, Ty Schultz, Zoe Schultz, Livia Schultz and Tyra Schultz of Grainfield; one brother, Gary (Ronita) Schultz of Overland Park.

He was preceded in death by infant brother, Jimmy Schultz; parents; brother Charles Robert (Bob) Schultz; and Grandson Dal Brean Schultz.

Funeral services will be 10:00 a.m., Monday, July 10, 2017, at Grainfield United Methodist Church. Burial will be in the Grainfield City Cemetery.

Visitation will be from 5:00 p.m. to 7:00 p.m. Sunday, July 9, 2017 at Schmitt Funeral Home, Quinter, KS

In lieu of flowers, memorial contributions may be made to Grainfield United Methodist Church. Checks made to the organization may be sent to Schmitt Funeral Home, 901 South Main, Quinter, KS 67752.

Condolences may be left by entry into the guest book on this page. Entries will be delayed due to the screening process, and will not appear instantly on the site.

Repair line item in General to a Recreation line item in General for the 2018 budget year. Carried 2-1. Bielser opposed. The \$7,000 is not solely for Hoxie Recreation. Dewey made a motion to give \$5,000 to Hoxie Recreation in 2017 from the Alcohol Fund. Bainter seconded the motion. Carried 3-0.

Sheridan County Sheriff Brandon Carver entered the meeting. Carver advised the board that he has purchased new jumpsuits for the inmates. Slide sandals will be ordered when they come on sale. The Intoxilizer will be here shortly and training will be in-house. Bids have been received for a new vehicle. Dewey made a motion to purchase a 2017 Dodge Durango from Colby Dodge in the amount of \$19,891. This is with a trade-in. Bainter seconded the motion. Carried 3-0. A HP laptop was purchased from Wal-Mart along with a jump drive by the county. Carver says it works really well. The officers are able to get their reporting done quicker, storm spotter information is readily available, etc. Carver had purchased one computer on his own. Bainter made a motion to reimburse Carver for the cost of the computer, seconded by Dewey. Carried 3-0. A third computer will be purchased so that each officer has their own. Carver will purchase the stands that can be installed in the vehicles to hold them in place. The clerk's office will check on a new phone plan possibility for the Sheriff's officers. Dash cams should be totally completed this week. Carver advised the board he will make Officer Mark Scheetz the Undersheriff. Scheetz is fine with the pay for now and it will be reevaluated in January with other employees. Carver talked about the fireworks display held in Selden on July 1, 2017. Dispatch issues were discussed. The potential of having a part-time officer or possibly bringing back the Reserve Program were discussed. No decisions were made. Carver stated his office is in need of a new copier. He will get three bids and present them to the board at a later date. There is hail damage on his pickup. He will get bids for repair.

At 11:18, the board recessed for road viewing. Present were Harold Bieker, Bielser and Bainter. Dewey had a prior engagement. The road being viewed was the Sequin Road north of the highway.

The following bills were audited and approved:
